What Do You Know About Albino Animals? Francine Topacio,2020-07-15 Albinism is a condition in which there's a lack of pigment in an animal's eyes, skin, scales, or feathers. This condition is genetically transmitted from parent to offspring. Albinism is found in nearly all animal species, including humans, snakes, and beetles. Readers will learn what causes albinism, the challenges albino animals face, and why these animals are so special. Fact boxes provide readers with supplementary information while color photographs capture readers' attention.

Deconstructing the Albino Other Niya Pickett Miller,2020-11-03 Deconstructing the Albino Other: A Critique of Albinism Identity in Media discusses how American popular culture and communication about albinism, including movie characters and memes, have worked to create and maintain a negative trope of albinism that situates people with albinism (PWA) as a monolithic other. Niya Pickett Miller demonstrates that consequently, PWA must construct their own identities of albinism, highlighting the salient aspects of themselves as they see fit with no valid representation to look to for guidance. Thus, Pickett Miller argues, self-defining for PWA is a key rhetorical action taken to rearticulate albinism identity. Rather than focusing on scientific and medical lenses of analysis, this book positions albinism as a

social construct through which a broader understanding of otherness can be achieved, using the negative influence of pop culture's otherization of PWA as a case study with broader implications, including how medical conditions can be visually troped to isolate the other outside of society's realm of normalcy. Scholars of media studies, race studies, sociology, rhetoric, and the medical humanities will find this book particularly useful.

The Albino Album Chavisa Woods,2013-03-19 Emerging author Chavisa Woods has been noted for capturing a strange, troubling vision of domestic life in the rural U.S. (Go Magazine). Here she presents a technicolored vision of rural adolescence, the story of a girl with an unpronounceable name—a fiery, unhinged, growling, big-hearted country girl in a dirty black tutu and combat boots who travels along all the bizarre yet familiar byways of human desire from the cornfields of Louisiana and the big brass sound of Mardi Gras to the heights of the Empire State Building. Turning the tradition of the southern gothic novel on its head, Woods presents a new land of contemporary misfits including fire-dancers, pseudo-Nazis who breed albino animals, Catholic workers, horse thieves, and the archangel Gabrielle.

The Skrayling Tree Michael Moorcock,2009-11-29 The second book in A Tale of the Albino. When his beloved wife Oona is abducted by a band of albino Native Americans, Ulrik von Bek trails the group by using the Skrayling Oak. Soon he finds himself in the multiverse, where he is reconnected with his alternate self, Elric of Melnibone.

Albino ,2016 In Albino, photojournalist Ana Palacios takes us inside a shelter for people with albinism and reveals what daily life is like for those living with the genetic condition in Tanzania. As Palacios documents, widespread ignorance of the causes of albinism has fed stigmatization, marginalization, persecution, and prejudice within the country. In addition to the social and physical

threats that those with albinism face from other Tanzanians, they must also confront the strong possibility of skin cancer--a disease for which effective treatment options can be found in the West, but which in Africa tends to reduce life expectancy for those with albinism to under thirty years. Bearing witness to the efforts of a group of Spanish aid workers to promote health and education in Tanzania, Albino highlights their work on programs to improve patient treatment and training for local doctors. In these subtle, complex, and ultimately optimistic images, Palacios shows the moments of struggle, but also joy, that mark the lives of the residents of the shelter.

MÅNGA ANSIKTEN En man hittas död i novembersnön intill en motionsslinga. Ena armen har huggits av vilket lett till att han förblött. Samma dygn kidnappas en kvinnlig modell. Båda offer är albiner. På Särskilda enheten försöker kriminalinspektör Zack Herry och hans kollegor att förstå sambandet. Har den smutsiga handeln med albinokroppsdelar nått Sverige? Privat dras Zack in i en alltmer komplicerad relation till Hebe, som kan vara hans syster. När hennes liv plötsligt hänger på honom händer det som inte får hända. ALBINO, den sjätte delen i den populära Herkulesserien, baseras löst på myten om Herkules sjunde stordåd: jakten på den vita tjuren. Genom att smälta samman då- och nutid och kombinera våldsamma actionscener med känslomässiga reflektioner skapas ett unikt kriminaldrama med ett rått Stockholm som fond. Herkulesserien är en internationell fullträff, såld till ett flertal länder och hyllad av såväl kritiker som läsare. Alla hjältar föds ur tragedier

Albino Buddhadeb Guha,

Dagur Kari's Noi the Albino Bjorn Nordfjord,2012-09-01 Dagur Kari’s Noi the Albino (Noi albinoi, 2003) succeeded on the international festival circuit as a film that was both distinctively Icelandic and appealingly universal. Noi the Albino taps into perennial themes of escapism and existential angst, while its setting in the Westfjords of Iceland provided an almost surreal backdrop whose particularities of place are uniquely Icelandic. Bjorn Nordfjord’s examination of the film integrates the broad context and history of Icelandic cinema into a close reading of Noi the Albino’s themes, visual style, and key scenes. The book also includes an interview with director Dagur Kari. Noi the Albino’s successful negotiation of the tensions between the local and the

global contribute to the film's status as a contemporary classic. Its place within the history of Icelandic cinema highlights the specific problems this small nation faces as it pursues its filmmaking ambitions, allowing us to appreciate the remarkable success of Kari's film in relation to the challenges of transnational filmmaking.
