**Be The Revolution: How Occupy Wall Street and the Bernie Sanders Movement Reshaped American Politics** Jay Ponti ,2023-10-19 BE THE REVOLUTION: HOW OCCUPY WALL STREET AND THE BERNIE SANDERS MOVEMENT RESHAPED AMERICAN POLITICS Most people think that Occupy Wall Street failed, and Bernie Sanders's meteoric rise to the national stage was simply a 'viral' phenomenon that captured the hearts of unrealistic Millennials. Be The Revolution reveals how Occupy organizers strategically activated their national network of activists to fuel the grassroots movement that propelled the Senator’s campaign to change the course of American history. This is an inside journey through the key events of the 2016 and 2020 primary races. It follows a secret group of Sanders influencers called Bernie’s Avengers as they challenge the Democratic establishment and then join the historic pipeline fight at Standing Rock. This book also offers important insights into the rise of QAnon and neofascism. Be The Revolution is a gonzo adventure into the heart of the grassroots movements that defined a decade, a memoir that also contains a theory of change to guide the development of the movements urgently needed to take on national and global crises. PRAISE FOR BE THE REVOLUTION: Be The Revolution offers Important insights into some of the most significant developments in modern America, based on intimate knowledge and direct participation. -Noam Chomsky “We should thank Jay for his life’s work. As an organizer, he is a wonder to watch in action. This accounting of events of the last ten years is a profound and seismic piece of American political, and cultural history that has gone all but unnoticed in the mainstream. Be The Revolution is not about a battle of right or left, but the battle for humanity and the natural world. The timing of this book couldn’t be more right, nor the message more on point.” Ken Burns should do a doc on this!” -Mark Ruffalo “Jay Ponti is a legendary long distance revolutionary thinker and activist whose vision, analysis and courage is a beacon of hope in our bleak times! Don’t miss this jewel of a book!” -Dr Cornel West “This book is a great history of progressive action from the Occupy moment to the present—clear, invigorating, and encouraging of future efforts. We owe Jay Ponti a big thank you for his tireless efforts to change the American political landscape, and thus to help save Earth’s biosphere from a catastrophic mass extinction event. It’s crucial work he describes here, and joining the effort can give anyone a project that includes meaning and hope.” -Kim Stanley Robinson Be The Revolution is an important first-hand account of the efforts led by Occupy Wall Street and Bernie Sanders’ inspired activists to resist the forces of neoliberalism and mobilize for an equitable future. This history is crucial to understand if the human race is going to save itself from the climate emergency and rise of neofascism. -Thom Hartmann “Be The Revolution is a love letter to our movements, an honest and searching testimonial from the heart of the grassroots. Jay Ponti is a ride or die revolutionary who has given us a glimpse into some of the most important moments of political struggle in the last decade. This is the book the establishment doesn't want you to read.” -Nina Turner “The prevailing narrative of American politics is not the real story. It obliterates the deeper reality of who we are as people and the overarching meaning of struggles for justice. Beneath the corporate-created hype and the games of our political establishment lie the activism and sacrifices of real people doing the gut-wrenching work of trying to further and save our democracy. Be The Revolution tells the story of those people.” -Marianne Williamson Wopila (Thank you) for writing the blow by blow actions of the War we faced at the Oceti Sakowin Camp (Standing Rock). Jay Ponti had great influence on the two Declarations written at Oceti Sakowin , particularly the Divestment Treaty among Nations. The First Declaration defies the Doctrine of Discovery and illegal actions used by it. The second called for Divestment by countries from fossil fuels, especially by DAPL, and all other oil corporations.. Thank you for your written words. -Phyllis Young American Indian Rights Activist “Stories are vitally important when it comes to the thing called politics. Jay Ponti has done everyone on the left a remarkable service by telling stories that could so easily be lost.” -Tim Morton

**Tim - The Official Biography of Avicii** Måns Mosesson,2021-11-30 The intimate biography of the iconic DJ who was lost too soon. Like a firework against the night sky, the DJ and producer Tim Bergling exploded onto the music scene. A musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the world. But Tim Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. Tim - The Biography of Avicii is written by the award-winning journalist Måns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the music business. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

Conspirituality Derek Beres,Matthew Remski,Julian Walker,2023-06-13 Conspirituality takes a deep dive into the troubling phenomenon of influencers who have curdled New Age spirituality and wellness with the politics of paranoia—peddling vaccine misinformation, tales of child trafficking, and wild conspiracy theories. In the early days of the COVID-19 pandemic, a disturbing social media trend emerged: a large number of yoga instructors and alt-health influencers were posting stories about a secretive global cabal bent on controlling the world’s population with a genocidal vaccine. Instagram feeds that had been serving up green smoothie recipes and Mary Oliver poems became firehoses of Fox News links, memes from 4chan, and prophecies of global transformation. Since May 2020, Derek Beres, Matthew Remski and Julian Walker have used their Conspirituality podcast to expose countless facets of the intersection of alt-health practitioners with far-right conspiracy trolls. Now this expansive and revelatory book unpacks the follies, frauds, cons and cults that dominate the New Age and wellness spheres and betray the trust of people who seek genuine relief in this uncertain age. With analytical rigor and irreverent humor, Conspirituality offers an antidote to our times, helping readers recognize wellness grifts, engage with loved ones who've fallen under the influence, and counter lies and distortions with insight and empathy.

Criminal Procedures, Cases, Statutes, and Executive Materials Marc Louis Miller,Ronald F. Wright,Jenia I. Turner,Kay L. Levine,2022-08-18 Criminal Procedures: Cases, Statutes, and Executive Materials is known for its focus on materials from multiple institutions, including primary materials from U.S. Supreme Court cases, state high court cases, state and federal statutes, rules of procedure, and police and prosecutorial policies, along with materials from social science studies. Taken together, the principal materials highlight procedural variety, focus on real-world topics, provide the political context, offer a comparative analysis of different legal approaches, and consider the impact of procedures. The 2022 Supplement covers the most recent decisions of the U.S. Supreme Court as well as newsworthy developments such as policing and bail reform, emerging legal responses to new surveillance technologies, and the declination policies of newly-elected prosecutors. New to the 2022 Edition: Two new authors joined the editorial team in 2019: Jenia Iontcheva Turner of SMU Dedman School of Law and Kay L. Levine of Emory University School of Law. With her doctoral training in Socio-Legal Studies and her balanced experience as a prosecutor and a defense attorney in state court, Professor Levine sharpens the focus of the book on the real-world operation of courtroom actors in high-volume state systems. With her background in international criminal tribunals and comparative criminal procedure, Professor Turner strengthens the comparisons between court systems in the U.S. and those around the world. The 2022 Supplement incorporates all of the Criminal Procedure rulings of the U.S. Supreme Court from its October 2019, October 2020, and October 2021 terms, whether through reprinting opinions as principal materials or through summary coverage in new notes and practice problems. The Supplement includes opinions from high state courts that add texture to the doctrines described in the main volume. The Supplement also spotlights new legislative and enforcement trends, including proposals for limiting police use of force, defunding or reforming police departments, emerging legal responses to new surveillance technologies, bail reform, and the declination policies that prosecutors publish and apply.

Tragedy Plus Time Philip Scepanski,2021-04-06 Following the most solemn moments in recent American history, comedians have tested the limits of how soon is “too soon” to joke about tragedy. Comics confront the horrifying events and shocking moments that capture national attention and probe the acceptable, or “sayable,” boundaries of expression that shape our cultural memory. In *Tragedy Plus Time*, Philip Scepanski examines the role of humor, particularly televised comedy, in constructing and policing group identity and memory in the wake of large-scale events. *Tragedy Plus Time* is the first comprehensive work to investigate tragedy-driven comedy in the aftermaths of such traumas as the JFK assassination and 9/11, as well as during the administration of Donald Trump. Focusing on the mass publicization of television comedy, Scepanski considers issues of censorship and memory construction in the ways comedians negotiate emotions, politics, war, race, and Islamophobia. Amid the media frenzy and conflicting expressions of grief following a public tragedy, comedians provoke or risk controversy to grapple publicly with national traumas that all Americans are trying to understand for themselves.
