

**Alex Vause**

**Neil Landau**

*Out of Orange* Cleary Wolters,2016-05-03 The real-life Alex Vause from the critically acclaimed, top-rated Netflix show *Orange Is the New Black* tells her story in her own words for the first time—a powerful, surprising memoir about crime and punishment, friendship and marriage, and a life caught in the ruinous drug trade and beyond. Fans nationwide have fallen in love with *Orange Is the New Black*, the critically acclaimed and wildly popular Netflix show based on Piper Kerman’s sensational #1 New York Times bestseller. Now, Catherine Cleary Wolters—the inspiration for Alex Vause, Piper’s ex-girlfriend, friend, and sometimes-romantic partner on the show—tells her true story, offering details and insights that fill in the blanks, set the record straight, and answer common fan questions. An insightful, frustrating, heartbreaking, and uplifting analysis of crime and punishment in our times, *Out of Orange* is an intimate look at international drug crime—a seemingly glamorous lifestyle that dazzles unsuspecting young women and eventually leads them to the seedy world of prison. Told by a woman originally thrust into the spotlight without her permission—Wolters learned about Piper’s memoir in the media—*Out of Orange* chronicles Wolter’s time in the drug trade, her incarceration, her friendships and acquaintances with odd cellmates, her two marriages, and her complicated relationship with Piper. But Wolters is not solely defined by her past; she also reflects on her life and the person she is today. Filled with colorful characters, fascinating tales, painful sobering lessons, and hard-earned wisdom, *Out of Orange* is sure to be provocative, entertaining, and ultimately inspiring.

**Orange Is the New Black** Piper Kerman,2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

**You and I, as Mothers** Laura Prepon,2020-04-07 “[Prepon] returns to the written word with this heartfelt, honest look at motherhood, styled as both informative guidebook and raw memoir.” —Entertainment Weekly When actor, director, and author Laura Prepon first became a mother, she felt raw, full of stress, and blindsided. She sought out resources to help navigate this huge life transition, but only found books about childcare with almost nothing on the shelves about momcare. So, Laura decided to write the book she was looking for. *You and I, as Mothers: A Raw and Honest Guide to Motherhood* is part memoir, part handbook, as Laura digs into her own unconventional upbringing and investigates how it shaped her as a person and as a mother, with intimate stories and never-before-shared anecdotes brought forth in an effort to understand our collective experience as mothers. The book is packed with practical tips for moms of any age, at any stage of motherhood, such as stress reduction techniques, self-care, protecting one’s partnership, asking for help, and getting a global perspective on maternity. Also included are easy and delicious recipes, from ideas for kids-friendly food, to romantic dinner dates, and batch-cooking favorites that will help any parent feed their family. Unfiltered, honest, and insightful, Laura encourages the reader to acknowledge their challenges, embrace their strengths, and celebrate their victories as we navigate the greatest adventure of all: motherhood. “Every mother, partner, and friend can benefit from the evocative and hard-earned wisdom within these pages.” —Mila Kunis “A powerful multi-hyphenate manifesto examining the most important and often overlooked realities of modern motherhood, written with wit, extraordinary grace, and real guts.” —Amber Tamblyn

**Caged Women** Shirley A. Jackson,Laurie L. Gordy,2018-06-13 The Netflix series *Orange is the New Black* has drawn widespread attention to many of the dysfunctions of prisons and the impact prisons have on those who live and work behind the prison gates. This anthology deepens this public awareness through scholarship on the television program and by exploring the real-world social, psychological, and legal issues female prisoners face. Each chapter references a particular connection to the Netflix series as its starting point of analysis. The book brings together scholars to consider both media representations as well as the social justice issues for female inmates alluded to in the Netflix series *Orange is the New Black*. The chapters address myriad issues including cultural representations of race, class, gender, and sexuality; social justice issues for transgender inmates; racial dynamics within female prisons; gender and female prison structures/policies; treatment of women in prison; re-incarcerated and previously incarcerated women; self and identity; gender, race, and sentencing; and reproduction and parenting for female inmates.

**TV Writing On Demand** Neil Landau,2018-01-19 *TV Writing On Demand: Creating Great Content in the Digital Era* takes a deep dive into writing for today’s audiences, against the backdrop of a rapidly evolving TV ecosystem. Amazon, Hulu and Netflix were just the beginning. The proliferation of everything digital has led to an ever-expanding array of the most authentic and engaging programming that we’ve ever seen. No longer is there a distinction between broadcast, cable and streaming. It’s all content. Regardless of what new platforms and channels will emerge in the coming years, for creators and writers, the future of entertainment has never looked brighter. This book goes beyond an analysis of what makes great programming work. It is a master course in the creation of entertainment that does more than meet the standards of modern audiences—it challenges their expectations. Among other essentials, readers will discover how to: Satisfy the binge viewer: analysis of the new genres, trends and how to make smart initial decisions for strong, sustainable story. Plus, learn from the rebel who reinvented an entire format. Develop iconic characters: how to foster audience alignment and allegiance, from empathy and dialogue to throwing characters off their game, all through the lens of authenticity and relatability. Create a lasting, meaningful career in the evolving TV marketplace: how to overcome trips, traps and tropes, the pros and cons of I.P.; use the Show Bible as a sales tool and make the most of the plethora of new opportunities out there. A companion website offers additional content including script excerpts, show bible samples, interviews with television content creators, and more.

Second Lives Michael Szalay,2023 We hear everywhere that we are in a golden era of television. Prestige dramas are the stars of streaming services and cable networks alike, luring viewers into binge watching hours of programming with writing, production values, and acting talent typically associated with feature-length films. In *Second Lives*, Michael Szalay focuses our attention on a highly influential subset of prestige television that he calls the black-market drama, and he tethers the new renaissance of television to this genre. The black-market drama is a genre that was inaugurated by the HBO series *The Sopranos*. At its most basic level, it consists of shows in which part or all of a (usually) white, middle-class family leads two lives, one routine and the other typically illegal and dangerous. Those lives might involve black markets or money laundering, a secret past or closeted identity, addiction, prostitution, espionage, or an alternate reality. And those secret lives might be kept from a variety of people, from other family members to neighbors to the state. What matters is that second lives allow characters to awaken from the slumber of their first lives. We, the audience, awaken too. For Szalay, these black-market dramas are the key to understanding how TV, once the lowest of the low, came to be esteemed as never before--

**Carceral Liberalism** Shreerekha Pillai,2023-08-15 One of Ms. Magazine's Most Anticipated Books of 2023 Carceral liberalism emerges from the confluence of neoliberalism, carcerality, and patriarchy to construct a powerful ruse disguised as freedom. It waves the feminist flag while keeping most women still at the margins. It speaks of a post-race society while one in three Black men remain incarcerated. It sings the praises of capital while the dispossessed remain mired in debt. Shreerekha Pillai edits essays on carceral liberalism that continue the trajectory of the Combahee River Collective and the many people inspired by its vision of feminist solidarity and radical liberation. Academics, activists, writers, and a formerly incarcerated social worker look at feminist resurgence and resistance within, at the threshold of, and outside state violence; observe and record direct and indirect forms of carcerality sponsored by the state and shaped by state structures, traditions, and actors; and critique carcerality. Acclaimed poets like Honorée Fanonne Jeffers and Solmaz Sharif amplify the volume's themes in works that bookend each section. Cutting-edge yet historically grounded, *Carceral Liberalism* examines an American ideological creation that advances imperialism, anti-blackness, capitalism, and patriarchy. Contributors: Maria F. Curtis, Joanna Eleftheriou, Autumn Elizabeth and Zarinah Agnew and D Coulombe, Jeremy Eugene, Demita Frazier, Honorée Fanonne Jeffers, Alka Kurian, Cassandra D. Little, Beth Matusoff Merfish, Francisco Argüelles Paz y Puente, Shreerekha Pillai, Marta Romero-Delgado, Ravi Shankar, Solmaz Sharif, Shailza Sharma, Tria Blu Wakpa and Jennifer Musial, Javier Zamora

*Zombies, Migrants, and Queers* Camilla Fojas,2017-02-10 The alarm and anxiety unleashed by the Great Recession found fascinating expression across popular culture. Harried survivors negotiated societal collapse in *The Walking Dead*. Middle-class whites crossed the literal and metaphorical Mexican border on *Breaking Bad* or coped with a lack of freedom among the marginalized on *Orange Is the New Black*. Camilla Fojas uses representations of people of color, the incarcerated, and trans/queers--vulnerable populations all--to work through the contradictions created by the economic crisis and its freefalling aftermath. Television, film, advertising, and media coverage of the crisis created a distinct kind of story about capitalism and the violence that supports it. Fojas shows how these pop culture moments reshaped social dynamics and people's economic sensibilities and connects the ways pop culture reflected economic devastation. She also examines how these artifacts illuminated parts of society usually kept off-screen or on the margins even as they defaulted to stories of white protagonists.

Feminist Theory and Pop Culture Adrienne Trier-Bieniek,2015-06-17 Feminist Theory and Pop Culture synthesizes feminist theory with modern portrayals of gender in media culture. This comprehensive and interdisciplinary text includes an introductory chapter written by the editor as well as nine contributor chapters of original content. Included in the text: • Historical illustration of feminist theory • Application of feminist research methods for the study of gender • Feminist theoretical perspectives such as the male gaze, feminist standpoint theory, Black feminist thought, queer theory, masculinity theory, theories of feminist activism and postfeminism • Contributor chapters cover a range of topics from Western perspectives on Belly Dance classes to television shows such as *GIRLS*, *Scandal* and *Orange is the New Black*, as well as chapters which discuss gendered media forms like “chick lit”, comic books and Western perspectives of non-Western culture in film • Feminist theory as represented in the different waves of feminism, including a discussion of a fourth wave • Pedagogical features • Suggestions for further reading on topics covered • Discussion questions for classroom use Feminist Theory and Pop Culture was designed for classroom use and has been written with an eye toward engaging students in discussion. The book's polished perspective on feminist theory juxtaposes popular culture with theoretical perspectives which have served as a foundation for the study of gender. This interdisciplinary text can serve as a primary or supplemental reading in undergraduate or graduate courses which focus on gender, pop culture, feminist theory or media studies. “This excellent anthology grounds feminism as articulated through four waves and features feminists responding to pop culture, while recognizing that popular culture has responded in complicated ways to feminisms. Contributors proffer lucid and engaging critiques of topics ranging from belly dancing through *Fifty Shades of Grey*, *Scandal* and *Orange is the New Black*. This book is a good read as well as an excellent text to enliven and inform in the classroom.” Dr. Jane Caputi Professor of Women, Gender and Sexuality Studies and Communication & Multimedia at Florida Atlantic University “Feminist Theory and Pop Culture is destined to be as popular as the culture it critiques. The text plays up the paradoxes of contemporary feminism and requires its readers to ask difficult questions about how and why the popular bring us pleasure. It is a contemporary collection that captures this moment in feminist time with diverse analyses of women's representations across an impressive swath of popular culture. Feminist Theory and Pop Culture is the kind of text that makes me want to redesign my pop culture course. Again.” Dr. Ebony A. Utley, Assistant Professor of Communication at California State University-Long Beach, author of *Rap and Religion* Adrienne Trier-Bieniek, Ph.D. is a professor of sociology at Valencia College in Orlando, Florida. She is the author of *Sing Us a Song*, *Piano Woman: Female Fans and the Music of Tori Amos* (Scarecrow 2013) and the co-editor of *Gender & Pop Culture: A Text-Reader* (Sense 2014). [www.adriennetrier-bieniek.com](http://www.adriennetrier-bieniek.com)

**Lost In The Starlight** Kiki Archer,2016 A-list singing superstar, Honey Diamond, has it all - the albums, the talent shows, the upcoming Hollywood film. But it's her gentle light, endearingly shining through all the glitz and glam, that warms the hearts of so many. A shy girl, who's only ever known fame, born into a world that's not true to life. Will Honey ever experience the love she so knowingly sings about? Will the vindictive online gossip sites ever leave her alone? *Lost In The Starlight* is the latest heartfelt romance from best-selling, award-winning author, Kiki Archer, peppered with her trademark laugh-out-loud humour and warming observations about falling in love.

**Feminist Perspectives on Orange Is the New Black** April Kalogeropoulos Householder,Adrienne Trier-Bieniek,2016-06-20 Since its 2013 premiere, *Orange Is the New Black* has become Netflix's most watched series, garnering critical praise and numerous awards and advancing the cultural phenomenon of binge-watching. Academic conferences now routinely feature panels discussing the show, and the book on which it is based is popular course material at many universities. Yet little work has been published on OINTB. The series has sparked debate: does it celebrate diversity or is it told from the perspective of white privilege, with characters embodying some of the most racist and sexist stereotypes in television history? This collection of new essays is the first to analyze the show's multiple layers of meaning. Examining *Orange Is the New Black* from a number of feminist perspectives, the contributors cover topics such as gender, race, class, sexuality, transgenderism, mass incarceration and the prison industrial complex, disability, and sexual assault.

Orange Is the New Black and Philosophy Richard Greene,Rachel Robison-Greene,2015-08-17 This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from *Orange Is the New Black* (mostly the addictive Netflix comedy-drama but with some attention to the best-selling real-life book by Piper Kerman). The show and the book that inspired it both dramatically highlight the troubling, stressful situation of millions of incarcerated Americans. How do the show's shower scenes shed light on the classical mind-body problem? How can we make our lives meaningful when our options are curtailed by authority? What does it mean to manipulate someone, and why is it bad? What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda? Is Litchfield Prison a preparation for life outside—or just a scale model of life outside? What could the governors of Litchfield learn from Jeremy Bentham and his panopticon? How is it that even in prison we find ourselves condemned to be

free? Why is one of the worst things about prison being forced to see who and what we really are? It so happens that life in prison is absolutely full and overfull of philosophical implications. Orange Is the New Black and Philosophy stays close to the characters and scenes of the TV show, applying insights from ethics, existentialism, metaphysics, epistemology, and political philosophy. The book is aimed at thoughtful fans of this amazingly fine TV show, who want to learn more about its disturbing issues.

**Internet Lesbian and Gay Television Series, 1996–2014** Vincent Terrace,2015-09-01 Created around the world and available only on the Web, internet “television” series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996–2014, giving casts, credits, story lines, episode descriptions, websites, dates and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender and drag queen shows.

*Orange Is the New Black Presents: The Cookbook* Jenji Kohan,Tara Hermann,Hartley Voss,Alex Regnery,2014-10-14 “A fun read for fans of the Netflix series . . . And don’t worry: These dishes are way better than the food the inmates actually eat on the show” (People). Staffed and run by a band of misfit inmates, the kitchen at Litchfield is in many ways the center of the popular show Orange Is the New Black—a setting for camaraderie, drug smuggling, power struggles, and plot twists. And then there is the food. With sixty-five recipes, twelve sidebars that expand upon the fiction of the show, and sixty photographs from the show featuring favorite characters and memorable moments, Orange Is the New Black Presents: The Cookbook adds new dimensions to any fan’s obsession. The recipes cover three square meals a day, plus snacks/sides, desserts, and drinks. They include Red’s Chicken Kiev, Miss Claudette’s Coconut Cake, and Prison Punch. The sidebars include Taystee’s suggested prison reading list, the recipe for Red’s Homemade Homeopathic Remedies, and a prison glossary. Chock full of in-depth information about the show, including recipe headnotes by the characters, DIY projects that emulate notable props, and prison factoids that help bring the show to life, this cookbook will bring a little piece of Litchfield right into your very own kitchen.

*Mental Floss The Curious Viewer* Jennifer M. Wood,The Team at Mental Floss,2021-10-19 From Mental Floss, the premier online destination for curious minds, comes a deep dive into the greatest television shows from the last 20 years.
