Before long Callie finds herself delving into her employer's past, putting her position on the line. The Emblem explores love against the odds and is inspired by Roslyn's Black Pioneers, whose legacy lives on.

Rowan Parker never used to think twice about taking risks until his love for a woman blinded him to all common sense. Now, between his cattle farm in the high country and his work as a stonemason, there's no room in his life for further mistakes. But when he meets the beautiful but reserved new owner of the historic mansion he's been hired to rebuild, he realises his best-laid plans have run aground. Together, Grace and Rowan work to bring the mansion back to life. But when they uncover a hidden trove of post-WWII secrets about the house's former inhabitants, their quest to find answers draws them ever closer.
