Unofficial Channels Alister McIntosh,1999 Thorough the sparkling correspondence between some of the most distinguished public servants of the era, Unofficial Channels gives an insights into the development of one of New Zealand's most important government departments.

Undiplomatic Dialogue Carl Berendsen,Alister McIntosh,1993 This selection from the fascinating private correspondence between two of the founding members of New Zealand's diplomatic service is a frank, illuminating, and witty exchange on politics at home and abroad by two distinguished public servants. Prepared to celebrate the fiftieth More ... anniversary of the founding of the Ministry of Foreign Relations & Trade, it offers unparalleled insights into the diplomatic issues of the postwar world and into the actions of many political figures. The editor, Ian McGibbon, has written an excellent introduction as well as extensive notes that aid the reader to gain a thorough understanding of the correspondence.--Publisher description.

Memories of the Great and the Good Alistair Cooke,2012-01-23 Over the course of his distinguished career as a foreign correspondent, which spanned more than sixty years, Alistair Cooke had known, interviewed, or reported on literally hundreds of the most influential men and women of the twentieth century. Here he has collected his memories of more than a score of them: they include actors and generals, statesmen and eccentrics, a poet, a jazzman, an intensely scholarly woman and a casually funny one, an architect, a publisher, and several politicians—all of whom, in Cooke's view, have left the world a better or more interesting place. Here, then, are scintillating portraits of characters as far apart as George Bernard Shaw and Duke Ellington, as different as the humorist Erma Bombeck and the Nobel Prize winner Barbara McClintock. Recounting the trials of Sir Francis Chichester, the lonely global yachtsman, or analyzing the very different but equally indomitable spirit of First Lady Eleanor Roosevelt, Alistair Cooke allows us to understand a little better the nature of courage. His fond and sensitive recollections of P. G. Wodehouse and Gary Cooper salute two unpretentious geniuses in the ostentatious world of entertainment. His account of his long and relaxed weekend with President Dwight Eisenhower is sensitive and revealing, as is his candid but compassionate portrait of an earlier president, Franklin D. Roosevelt. His meeting with Ronald Reagan during the future president's early years as governor of California is as insightful as it is prescient. The book ends with moving and memorable portraits of two men Cooke especially admires, for different reasons: one, Winston Churchill, who for all his human flaws was most certainly great, and the other, Bobby Jones, whom Cooke regards as one of the three or four finest human beings I've ever known.

Alistair Cooke Nick Clarke,2001-12 One of the preeminent journalists of the twentieth century, Alistair Cooke has enjoyed a truly extraordinary career in print, radio, and television. Born into a working-class family and christened Alfred, Cooke swiftly broke free of his modest origins and became the foremost commentator on American life and politics, first for the British press and eventually for the entire world. Alistair Cooke: A Biography is both a fascinating record of one man's determination to reinvent himself and a lively and informative journey through the highways and byways of the twentieth century.

Rats and Mice as Enemies of Mankind M. A. C. Hinton,2008-10 This historic book may have numerous typos and missing text.

Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... (6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger. The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

Eugene Norman Alastair Anderson, 2015-05-08 Eugene Norman lives in an apartment at the Edmont. It is a recently renovated building in an up-and-coming part of town. He lives with his fiancée, who he plans to marry in a few months. His career is developing strongly and he is working on some exciting projects. One evening, while his fiancée is on the phone, he says that he will go out and bring back a pizza. Instead, he goes for a walk.

Land of Infinite Quests Page Wisher, 2019-10-22 Trolls and Llorts are not getting along very well. Their bond of brotherhood has been broken, and they can't even agree on what broke it. Penelope Tinsel is good at baking bread and resolving conflicts, but she never wanted to be a quester. However, a quester who is skilled at mediating conflicts is precisely what the Trolls and Llorts need. If Penelope can't bring peace between these hideous creatures, a gross war may engulf the whole land.

Homing Alistair Moffat, 2004 After the deaths of his grandmother and his father, Alistair Moffat discovered that they had kept hidden what they saw as a shaming secret. Moffat soon realised that he had grown up in ignorance of his family's past. In moving detail, he describes his search for the reality of his grandmother's life, and as he uncovers more of her story he begins to understand why she, his father and others have been so secretive. *Homing* captures a lost world of terraced council houses, gardens with picket fences and of local grocery vans, re-runs of the Second World War played out among the potato patches, and of heroes like Dan Dare,

Digby and Jack Brabham. It is an unforgettable evocation of a post-war childhood and a tender exploration of a past that will be familiar to many.

Anglicans and Evangelicals Richard Turnbull, 2007 At a time when Anglican and Evangelical seem to be increasingly polarised rather than part of the same tradition, an Evangelical Anglican takes a fresh look at the historical and contemporary expressions of each to assess their distinctive standpoints, to show how much common ground they share and to examine what this means for the church today. Practitioners who consider themselves on one or the other side of the debate, as well as those who would ally themselves with both traditions, will welcome this new appraisal with its insight into meeting points and mutual goals. This is a vital contribution for all who are concerned to arrest the perception, whatever the reality, of the Anglican church's inexorable decline.
