Grim Almanac of Old Berkshire Roger Long, 2010-09-13 A Grim Almanac of Old Berkshire is a day-by-day catalogue of ghastly tales dating from the twelfth to the twentieth centuries. Full of torment and torture, heinous homicides and cataclysms of nature, these pages contain multiple murders, horrendous hauntings and audacious thefts. Have you heard the story of the pub landlord who attempted to end it all by leaping down his own well? All he achieved was a broken ankle. Also featured here are the Watchfield farmer who tried to turn his wife into cooking fat, the family who charged people to view their relative's decapitated body, and the violent poltergeist activity that took place at the old forge at Finchampstead and made national news headlines in 1926. This compilation of grim deeds contains a veritable plethora of poisonings, assaults, drownings, kidnappings, suicides and disasters. If you have ever wondered about what nasty goings-on occurred in the Berkshire of yesteryear, then look no further - it's all here. But do you have the stomach for it?

Choice of Law and Recognition in Asian Family Law Anselmo Reyes, Wilson Lui, Kazuaki Nishioka, 2023-10-05 This thematic volume in the series Studies in Private International Law - Asia outlines the general choice of law and recognition rules relating to family matters of 15 Asian jurisdictions: Mainland China, Hong Kong, Taiwan, Japan, South Korea, Singapore, Malaysia, Vietnam, Cambodia, Myanmar, the Philippines, Indonesia, Thailand, Sri Lanka and India. The book examines pressing questions and proposes ways in which their systems may be reformed. A concluding chapter considers the extent to which Asian cross-border family law systems can and should be harmonised. The book provides a comprehensive analysis of cross-border family law challenges, including child surrogacy, child abduction, the recognition of same-sex unions, the recovery of maintenance, and the regulation of intercountry adoption. These are among the matters now testing Asian institutions of private international law and acting as forces for their modernisation. With contributions by leading Asian private international law experts, the book proposes necessary reforms for each of the jurisdictions analysed as well as for Asia as a whole.

Treatment of Foreign Law in Asia Kazuaki Nishioka, 2023-10-05 How do Asian courts ascertain, interpret, and apply a foreign law as the law governing the merits of the case? What should judges do if parties do not raise or disagree on the content of foreign law? This thematic volume in the Studies in Private International Law - Asia series analyses the treatment of foreign law before judicial authorities, that is, how the courts of Asian states deal with the proof of foreign law in court litigation involving cross-border elements. The individual chapters cover 15 Asian jurisdictions: Mainland China, Hong Kong, Taiwan, Japan, South Korea, Singapore, Malaysia, Vietnam, Cambodia, Myanmar, the Philippines, Indonesia, Thailand, Sri Lanka, and India. The Introduction and Conclusion examine similarities and differences in the approaches taken by the 15 Asian states with a view to assessing the extent to which those approaches are consistent or different from each other. The book also puts forward suggestions for harmonising differing approaches, especially between Asian common law and civil law states. The book is a one-stop reference guide on the treatment of foreign law in Asia and will be indispensable to judges, practitioners, and scholars not just in Asia, but worldwide.
