The Crown for Castlewood Manor Veronica Barton,2018-02-12

The English ancestral manor of Cherrywood Hall is ready to compete for selection in an upcoming British TV period drama series: the grounds are manicured, the mansion is polished, and the servants are poised. American heiress Gemma Lancaster Phillips has crossed the pond to help her cousin defeat the three other stately homes vying for the prize. What Gemma doesn't realize is that this competition is life or death, and someone is taking that challenge literally. The occupants of one home are killed in an automobile accident, and murder becomes a frequent occurrence at the other locations. Who is behind the mayhem? Selection would be a major coup for both the estate and the community. At first the other contestants seem to be likely suspects, but no one is quite certain as the tragedies continue. Could it even be Emma's beloved cousin Evan, the surviving heir to the Lancaster fortune, or Kyle, his best friend and estate manager? With the Royal family in attendance at each event, the puzzle becomes a crucial one for Scotland Yard, and they enlist Gemma's help to solve the mystery. When the competition's winner is announced on New Year's Eve, will Gemma's future be forever tied to her ancestral past?

Almost Human Alfred Fidjestøl,2019-09-17 “Alternately joyous and heartbreaking...” —Jane Goodall A moving and revealing biography of Norway’s most famous chimpanzee. Julius is a national celebrity, the inspiration behind pop hits and bestselling books. He’s also a chimpanzee, born in captivity, but raised in a zookeeper’s home after his own mother rejects him. Julius’s new parents change his diapers and comfort him when he has nightmares, and their daughters play with him. But soon they must reintroduce Julius to the zoo, a challenging task that brings new learnings on primate behavior and the dangers of animal

celebrity. Alternately humorous and heartbreaking, *Almost Human* shows that primates are more like us than we once thought possible. It also charts the transformation of one zoo over time: from a small operation of animals behind bars to a fast-growing attraction coming to terms with twenty-first-century views on animal rights and welfare.

Royal Bastard Avery Flynn, 2020-06-08 Special price. We're all in this together. Find your #HEAATHOME Brooke Chapman-Powell takes her position as the Earl of Englefield's personal secretary very seriously. This job is what keeps her sister in her university for the deaf and the town from completely shutting down. But the earl's dying, and they have only one hope. An American. From some place called Salvation, Virginia. Now she'll have to teach the in-all-likelihood-uncouth-and-lazy half American how to be a proper earl if they hope to save the village. God help them all. Nick Vane has about two gazillion things that land higher on his to-do list than becoming an English earl. Things like naps. Hosting poker nights. Oh, and raking in the profits from his latest invention. Accepting the title his grandfather has denied him since birth? Doesn't. Even. Register. But Miss Prim and Proper won't give up, and before he knows what's what, he's on a plane to London. He's got too much pride to go down easily, and she's got too much propriety to ever break the rules. They are as different as a cocktail fork and a bread knife...and the clash between them lands these two in the most unexpected positions.

The Vicomte de Bragelonne Alexandre Dumas,1998 It is May 1660 and the fate of nations is at stake. Mazarin plots, Louis XIV is in love, and Raoul de Bragelonne, son of Athos, is intent on serving France and winning the heart of Louise de la Valliere. Athos seeks the restoration of Charles II, while Aramis, with Porthos in tow, has a secret plan involving a masked prisoner and the fortification of the island of Belle-Ile. D'Artagnan finds a thread leading him to the French court, the banks of the Tyne, the beaches of Holland, and the dunes of Brittany. The Vicomte de Bragelonne opens an epic adventure which continues with Louise de la Valliere and readies its climax in The Man in the Iron Mask. This new edition of the classic translation is fully annotated; and an introduction sets Dumas's saga in its historical and cultural context.

Democracy in America Alexis de Tocqueville, 2003-12 Offers an examination of American institutions and the fabric of American life. Doubting whether the American experiment in equality could work, the author conjectured that democracy would erect a society that would succumb to a different type of tyranny than that of a monarchy or aristocracy - that of the majority.

An Eye for an Eye Anthony Trollope, 2014-05-01 Fred Neville, a young officer in the Hussars, is heir to an earldom, but before taking up his responsibilities resolves to enjoy a year of adventure in Ireland where his regiment is posted. When Fred falls in love and seduces an Irish girl of great beauty and mysterious background, the scene is set for a tragic outcome that far exceeds the adventures Fred had in mind. Written in 1870 but not published until 1879, *An Eye For An Eye* is arguably the most melodramatic story that Trollope wrote and certainly his frankest and most daring treatment of pre-marital sex.
