The altar: or Meditations in verse on the great Christian sacrifice [by I. Williams]. By the author of 'The cathedral'. Isaac Williams, 1849

MYSTERY OF ALTARS ISAAH MACWEALTH, As we will see in this book, an altar is a technology for communicating and teleporting between two realms. It is a mystery that is replete all over the scriptures from Genesis to Revelation. Before the Law, the revelation of altars existed, and in the Law, altars existed. We also see altars in the New Testament, and even in the Book of Revelation. The revelation of altars is thus key to spiritual power, and this is why the people of the occult world and the kingdom of Satan do not joke with it. Unfortunately, the church that should be the custodian of the revelation of altars has since lost its principles. Churches now have stages instead of altars. This is sad. In the past, kings and other great leaders revered the church. It was the Queen of Scotland that said, 'I fear the prayers of John Knox more than all the assembled armies of Europe'. Where is the Lord God of Elijah who fought the prophets of Baal after repairing the altar of God? Where is the Lord God of Moses who brought Israel out of Egypt and parted the Red Sea. Where is the God of Joshua who caused time to stand still? As a church and as individuals, if we would see the power of God as of old, we must learn again the principle of altars. We must set our hearts to understand sacrifice, the blood of Jesus, and the power of prayer. We must understand how to set up an altar and learn how to shut and open portals in the realm of the spirit through the technology of altars. We

must also learn how to legalize and criminalize altars, and how to furnish our altars with blood. We must not be ignorant of the impact of family altars and the altars through which we are attacked as the Body of Christ. We must align our heart altar with heaven's altar to bring heaven's power to the earth as only the power of God can do the work of God. In this book, I will share with you many deep secrets, many of which will be new to you. I advise you to take time to meditate and research for yourself. The Lord has trusted me with so much revelation for our day, and not only have I taught these, I have seen the results and testimonies abound. This is why in the appendix of this book, I have shared testimonies from some of the people who have practiced the revelation published in this book because the results cannot lie. I pray for you that as you read, you will receive insights by the power of the Holy Ghost. God bless you!

The Altar at Home ,1855

The Altar Richard Bagwell,2019-07-15 The Altar is a science fiction in the sense that it has not happened yet. But as with any possible future events, only time will tell. With a world constantly on the verge of war and people with an unyielding appetite for more power, food, and technology, will there ever be enough? We don't respect each other, the environment, or God, so it's only a matter of time before we all have to answer for our choices. As man struggles for answers, we may have to travel a billion miles to find the answer that has been all around us the whole time--the altar.

Altars of Living Sacrifices Prof. Samuel C.

Obi,2021-11-08 The main purpose of *Altars of Living Sacrifices* is to enlighten, inspire, and encourage its readers to continue to engage more faithfully in the plan of God, which is to plough in His vineyard for which He has called us. Christ said that the harvest is plentiful but the workers are few (Matthew 9:37). The workers are Christians, and this book will help us to understand some key aspects of this calling. This book analyzes some major areas of biblical practices to shed some light on the Christian's God-intended and success-oriented obligations in life. By design, the title of this book employs one key biblical term (altars) and one key biblical phrase (living sacrifices) to shed light into the author's intent. Chapter 1 introduces and explores the subject of Old Testament godly altars and sacrifices. Chapter 2 defines the phrase living sacrifice and discusses how and why Christians are described as living sacrifices in the modern age as opposed to animal sacrifices of the Old Testament days. Chapter 3 describes the nature of modern-day spiritual altars of living sacrifices as reflected in our lives as God's children. It also notes that the symbolic meaning of our modern-day spiritual altars of worship is defined by our trust in God and by our commitment and obedience to Him. Chapter 4 describes how to build your personal spiritual altar so that you can have a closer walk with God. Chapter 5 examines the benefits of serving the Lord as living sacrifices. This section aims to remind and encourage all laborers that there are great and unimaginable benefits and rewards, here on earth and in heaven above, when we serve the Master as living sacrifices. Chapter 6 introduces the reader to how to be born again into the Kingdom of God.

The Altar Jeremiah Johnson,2022-01-18 Burning with passion and zeal for Jesus, and driven by a vision to see the

church revived, pastor and author, Jeremiah Johnson offers a prophetic plea to the people of God: Come to the altar! Purify yourselves for the coming Bridegroom!

Blood on the Altar Tobias Jones, 2012-02-28 One Sunday morning in 1993 a 16-year-old girl named Eliza Claps goes missing from a church in the centre of Potenza, Italy. Shortly before her disappearance, Elisa had met Danilo Restivo, a strange local boy with a fetish for cutting women's hair on the back of buses. Elisa's family are convinced that Resitvo is responsible for their daughter's disappearance, but he is protected by local big-wigs: by his Sicilian father, by a doctor with links to organised crime, by a priest who had vices of his own. Years went by and Elisa's family could find only false leads. 2002, and Restivo is now living in Bournemouth. In November that year, his neighbour is found murdered, with strands of her own hair in her hands. Once again the police are at a loss to pin anything on him. It's not until 2010, when Elisa's decomposed body is found in the church where she went missing, that the two cases are linked and Restivo is finally dealt with. Blood on the Altar combines a gripping true crime case with Jones's deep understanding of Italian culture - the impunity it offers to the powerful - he so expertly demonstrated in his bestseller: The Dark Heart of Italy.

Woman At The Altar Lavinia Byrne, 1994-01-11

Lavinia Byrne believes that the Roman Catholic Church's teaching and pastoral practice is producing vocations to priesthood among women. This book looks forward to the day when Catholic women will be ordained, and addresses questions such as: when and how this might take place; who women are for and against; how women are organized; what the present-day Church thinking is on the subject; whether nuns are uncovering a call to ordination; and whether the ordination of women is a source of division or a source of healing.

Altar Your Space Jagatjoti S. Khalsa, 2007-10-30

Altar Your Space is an invitation to rethink your home and find the sacred in the simple and attainable, creating an intention that allows your environment to reflect your consciousness. Create a home within your house, and accentuate your vision of the sacred within your home. Humble or grand, your home should be your sanctuary. For many of us, however, what often used to be a safe haven has become a place to “put our stuff. Altar Your Space will show you how to set an intention, surround yourself with things that bring you to life and infuse your home with consciousness. Sacred furnishings, beautiful pieces sculpted by human hands from real wood, colorful textiles imbued with spirit and purpose — these should be the foundation of one’s home. Finding the traditional role of interior designer outmoded in many ways, guide Jagatjoti Singh Khalsa provides a foundation for an exploration of self-discovery through the expression of “altaring” one’s home environment. Using bold examples of transformed

homes including those of Sharon Stone, Jeremy Piven, Joely Fisher, Adrienne Brody and Shiva Rae, Khalsa demonstrates how to create a sense of sacredness in your living space – whether it’s a bathroom, kitchen, a children’s playroom, a home office or the entire house. Drawing inspiration from the East; a team of craftsmen and artisans in Rajasthan and elsewhere in India, Khalsa suggests simple ways to fill your home with a spirit-infused décor. Discover within these pages the creative use of antique Chinese wagon wheels, silk bedding, Tara statues, Asian pine tables made from 300-year-old railroad ties, Antique screen doors and Kela vine bedding that bring an eastern sensibility into the modern home. Including 150 full-color photographs, *Altar Your Space* illuminates how small changes and a new perspective can make all the difference in the effort to live a grateful and radiant life.

The Chancel of English Churches Francis Bond, 1916

Altar of Bones Philip Carter, 2011-03-08 A deathbed confession ignites a globe-spanning race for answers in this page-turning thriller described as *The Da Vinci Code* meets *The Bourne Identity*. “They didn’t have to kill him...He never drank from the altar of bones.” Cryptic dying words from a murdered homeless woman in present-day San Francisco unlock a long-buried secret that alters history. Now, a pair of ruthless assassins are sent to cut the few living “loose ends.” And a young, resourceful woman on the run encounters a determined man with his own connected past and vengeful agenda. Forced to partner for survival and answers, a fast-paced and deadly game of cat and mouse ensues, whisking the duo from the winding streets of Paris to the faded palaces of Budapest to the frozen lakes of Mongolia...where destiny, passion, and further betrayal await them. Jam-packed with pulse-pounding action and featuring a high-profile assassination,

a doomed Hollywood legend, and guardians of an ancient religious icon housing a secret others will kill to possess, *The Altar of Bones* is certain to leave readers stunned and breathless.

With tragicomic grandeur, Duff Brenna weaves the story of four people who come together in a cataclysmic moment of truth that tests their compassion and capacity to love.

Building an Altar of Sacrifice Francis Elijah Ndunagum, 2021-07-20 We all have dreams, talents, gifts and destinies to fulfill. Many times we live unfulfilled dreams because we have not yet ignited nor maintained the fire on our personal altar. Having repeatedly seen this sad occurrence, I was burdened to study the bible with a burning desire to find out why this happens even after the Lord may have given a sure word of prophecy to His children. I diligently read the bible to find out solutions which we can apply to our lives to curb the tendency where an alarmingly high number of people never get to fulfill their destinies. One of the biggest strategies the devil uses to destroy a believer's life is to ensure the fire on their personal altar dies down. One needs to know that the sole purpose of building an altar of sacrifice in God's kingdom is not to offer up animal sacrifice but rather to have a quiet place of one-to-one communication with God. It is here that a believer can ask forgiveness of sins, a factor which separates man from God and thereafter proceed to worship Him. Building an altar of sacrifice means you having a

sacred or consecrated place of worship and adoration with God Almighty. It is sad to know some believers do not have a personal altar of sacrifice. On the other hand, quite a number of those who have do not take time to keep the fire burning on their altar. Every believer needs to have their private altar of sacrifice and ensure that it is kept burning day and night throughout their lifetime. The specified and acceptable sacrifice to be offered in your altar to God is the sacrifice of a burnt-offering of ADORATION and INCENSE of PRAISE. As the altar of incense burns every morning and evening, so is God expecting your prayers and praises to be raised every time from your altar. If the fire in your altar of sacrifice goes off, your altar becomes dormant and falls into ruins rendering your guiding angel ineffective while at the same time, giving the Devil the opportunity to mess up your life. It is obvious we do ourselves harm if we do not tend daily to our altars to keep the fire burning.
