Adib Khorram

Amoo Norooz and Other Persian Folk Stories Ahmad Jabbari, 2000 A collection of four stories about life in Iran through stories that are passed on from generation to generation.

Amoo Norooz (Norooz Celebration) (Beginning Readers Series) Level 2 Meimanat Mirsadeghi (Zolghadr), 2017-08-22 A well-written version of the classic Iranian New Year story.

Saffron Sky Galareh Asayesh, 2000-10-19 This lyrical memoir evinces the author's passion for constructing an American life with the spiritual fervor and deeply aesthetic rituals that were part of her childhood in Iran. Asayesh, who immigrated to North Carolina as a girl, writes too of her struggle to arrive at an acceptable sexuality in the face of parental panic, and tells of her frustration, during later trips to post-Shah Iran, with the sisters, the Ayatollah's ubiquitous enforcers of female modesty.

Omid's Shadow (Novel set in Iran): Iran's Women Revolution, Woman, Life, Freedom Hichkass Hamekass, May McGoldrick, Jan Coffey, Two women are caught up in revolutions thirty years apart, but it is a third woman—the woman that connects them—that carries the scars of loss that time has not healed. Weaving together the past and the present, two storylines tell the life of Omid, the daughter of one revolutionary and the mother of another. In December of 1978, seventeen-year-old Omid is forced to flee Iran on the eve of the Islamic Revolution. Her mother, a Tehran University professor and outspoken anti-government activist, is part of the political wave that is working to overthrow the Pahlavi regime. Omid's arrival in America is difficult. She is isolated by language and culture. She is also determined that her time in this country will be temporary, but that idea is cut short when she soon discovers that her mother has become a fugitive, pursued by the newly formed Revolutionary Guard because of her political views. Fast forward thirty years. Omid is living in Connecticut, the mother of two teenage daughters. Since the death of her own mother, she has buried the anguish and suffering that once struck her down. Her life is suddenly upended, though, when her older daughter, Sayeh, on a short trip to Iran, is arrested by Iranian authorities on false charges. Then, while being transferred to the notorious Evin Prison, Sayeh and a female Iranian student escape their captors with the help of an unruly crowd. Omid's Shadow explores two periods of crisis in a woman's life: as a seventeen-year-old struggling to cope long distance with her mother's situation...and thirty years later, as a mother agonizing over the news of her daughter's arrest, escape, and subsequent political activities. As Sayeh joins the pre-election activities of young revolutionaries fighting for rights they've been denied for more than three decades on streets of Tehran, the same spirit begins to stir in Omid. Omid realizes that she is losing her daughter to the revolutionary fever that once consumed her mother...the fever that was very much a part of her own existence as a seventeen-year-old, protesting on the streets of Iran. As she struggles with her fears for Sayeh, she also realizes that she is beginning to find her true self. The person buried for decades beneath the weight of lost hope has begun to emerge. Laced with the literary wisdom of Iran's great poets, the novel draws on and illuminates a Middle Eastern culture that continues to fascinate readers. Omid's Shadow, although fiction, draws on many actual events that occurred on Tehran's streets after the election in June of 2009. Like the great tragedies of literature—from Romeo and Juliet to A Doll's House to Ragtime to The Kite Runner—Omid's Shadow takes us from the public politics of the street fight to the private power of the human heart. Hichkass Hamekass, No one Everyone, is the name of every Iranian woman who ever chose to say 'No!' to humiliation, 'No!' to injustice. It is the name of every courageous soul that has raised her voice against oppression. Their fight for civil, institutional, and human rights continues on, as it has for decades, despite the blood being shed on the streets and in the prisons. Hichkass Hamekass is the pen name for our mothers, our daughters, and our friends who will not give up the fight for freedom. Azadi! From Publishers Weekly This timely political novel features three generations of Iranian women who dare to stand up to repressive regimes. Scenes alternate between a worried mother in Connecticut and her naïve daughter who becomes a passionate reform activist and hunted fugitive in Tehran. In Connecticut, Omi

sees her marriage crumbling and regrets telling her daughter about the family's fate at the hands of the Khomeini government and her own past as a student activist. The importance of social media to populist reform and revolutionary movements is demonstrated convincingly.

**Children English / Farsi Dictionary a to Z** Farahnaz Navay,2018-01-05 This children dictionary book is a combination of two languages English and Farsi. Children dictionary like all other dictionaries is a book about words. It tells you what each word means and how each word spells. For each word in this book, a picture of the word exists. In addition, this book provides pronunciation of translated exact English word to Farsi word. Children dictionary book shows how to use each word in a sentence both in English and Farsi. At the end of this book, there is English alphabet and Farsi alphabet. However, that Farsi alphabet is like Arabic alphabet. (Farsi alphabet has four more letters of PEH, CH, ZH, GEH or . - - .) English language has twenty-six alphabets, and Farsi language has thirty-two alphabets. Writing direction in English is from left to right, but in Farsi is from right to left. This children dictionary book shows spelling of the English and Farsi word and sentence and pronunciation of translated English word to the Farsi word. Also, I wrote the vowels of pronunciation of Farsi word in English. This children dictionary book is in ABC order. You can find a word that begins with A before a word that begins with B and a word that begins with B before a word that begins with C. There is a box of alphabet (AZ), which you can find each word according to the letter they begin with. For example, you can find the word airplane in the A section of the dictionary. Children dictionary gives the (1) spelling of a word, (2) meaning of a word, (3) picture of a word, and (4) pronunciation of a translated word from English to Farsi. Sometimes one word has more than one meaning, and only you can find the meaning of the word based on a given sentence. For example, shir has three different meanings in Farsi (lion, milk, and faucet). Pictures and meanings of these words are shown in children dictionary book. Most pictures in this book are drawn by the author, others are used from first grade Farsi book in Iran, and some are from relatives who permitted their pictures to be used in the book. Also, there are few Internet pictures that are permitted to be used in this book.
