Jedediah Purdy

The Anarchy William Dalrymple, 2020-11-12 THE TOP 5 SUNDAY TIMES BESTSELLER ONE OF BARACK OBAMA'S BEST BOOKS OF 2019 THE TIMES HISTORY BOOK OF THE YEAR FINALIST FOR THE CUNDILL HISTORY PRIZE 2020 LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION 2019 A FINANCIAL TIMES, OBSERVER, DAILY TELEGRAPH, WALL STREET JOURNAL AND TIMES BOOK OF THE YEAR 'Dalrymple is a superb historian with a visceral understanding of India ... A book of beauty' – Gerard DeGroot, The Times In August 1765 the East India Company defeated the young Mughal emperor and forced him to establish a new administration in his richest provinces. Run by English merchants who collected taxes using a ruthless private army, this new regime saw the East India Company transform itself from an international trading corporation into something much more unusual: an aggressive colonial power in the guise of a multinational business. William Dalrymple tells the remarkable story of the East India Company as it has never been told before, unfolding a timely cautionary tale of the first global corporate power.

**Anarchy as Order** Mohammed A. Bamyeh, 2009-05-16 This original and impressively researched book explores the concept of anarchy—unimposed order—as the most humane and stable form of order in a chaotic world. Mohammed A. Bamyeh traces the historical foundations of anarchy and convincingly presents it as an alternative to both tyranny and democracy. He shows how anarchy is the best manifestation of civic order, of a healthy civil society, and of humanity's noblest attributes. A cogent and compelling critique of the modern state, this provocative book clarifies how anarchy may be both a guide for rational social order and a science of humanity.

Anarchy Errico Malatesta, 2022-05-28 This book is one of Errico Malatesta's most influential writings. It sets forth the basic principles of anarchism. Besides expressing the basics of Anarchism he also gave arguments against Socialism and Capitalism. Malatesta shows in a concise way, using skeptic and philosophy, the goal, which Anarchists should achieve: new and better society. Errico Malatesta (1853–1932) was an Italian anarchist and a committed revolutionary. He believed that the anarchist revolution was inevitable, and that violence would be a necessary part of it. He spent much of his life exiled from Italy and in total spent more than ten years in prison. Malatesta wrote and edited a number of radical newspapers and was also a friend of Mikhail Bakunin.

Anarchy Kerry Hinton, 2019-07-15 Anarchy is a complex, broad concept that has come to refer to governments or other groups that are violent, unstable, and dangerous. The movement also expresses ideas and goals present in worldwide politics over the past two centuries. This volume examines anarchy in both society and daily life, including its early stages as a political movement in 1840s France, accidental and intentional anarchist societies throughout the world, and the music and culture associated with anarchist movements. With vivid photographs and drawings, this straightforward yet engrossing book discusses the quest for leaderless societies and communities around the globe.

Living Anarchy Jeff Shantz, 2009 Anarchism stands as one of the most vital social movements of the twentieth century. This book presents an analysis of contemporary anarchist movements in North America. It examines the possibilities and problems facing attempts to build DIY community-based social and political movements, which seek to transform social relations.

Anarchy and Art Allan Antliff, 2007-04-01 One of the powers of art is its ability to convey the human aspects of political events. In this fascinating survey on art, artists, and anarchism, Allan Antliff interrogates critical moments when anarchist artists have confronted pivotal events over the past 140 years. The survey begins with Gustave Courbet's activism during the 1871 Paris Commune (which

established the French republic) and ends with anarchist art during the fall of the Soviet empire. Other subjects include the French neoimpressionists, the Dada movement in New York, anarchist art during the Russian Revolution, political art of the 1960s, and gay art and politics post-World War II. Throughout, Antliff vividly explores art's potential as a vehicle for social change and how it can also shape the course of political events, both historic and present-day; it is a book for the politically engaged and art aficionados alike. Allan Antliff is the author of *Anarchist Modernism*.

**The Rise and Fall of Anarchy in America** George N. McLean, 2022-09-04 DigiCat Publishing presents to you this special edition of *The Rise and Fall of Anarchy in America (From its Incipient Stage to the First Bomb Thrown in Chicago)* by George N. McLean. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Goddess of Anarchy** Jacqueline Jones, 2017-12-05 From a prize-winning historian, a new portrait of an extraordinary activist and the turbulent age in which she lived *Goddess of Anarchy* recounts the formidable life of the militant writer, orator, and agitator Lucy Parsons. Born to an enslaved woman in Virginia in 1851 and raised in Texas-where she met her husband, the Haymarket martyr Albert Parsons-Lucy was a fearless advocate of First Amendment rights, a champion of the working classes, and one of the most prominent figures of African descent of her era. And yet, her life was riddled with contradictions-she advocated violence without apology, concocted a Hispanic-Indian identity for herself, and ignored the plight of African Americans. Drawing on a wealth of new sources, Jacqueline Jones presents not only the exceptional life of the famous American-born anarchist but also an authoritative account of her times-from slavery through the Great Depression.

**Specters of Anarchy** Jeff Shantz, 2015-09

**The Economics of Anarchy** Dyer Daniel Lum, 1890

**Anarchy and Anarchists** Michael J. Schaack, 1889 The author of this long and detailed account of the investigations into the Haymarket case was a member of the police force and a colleague of Inspector Bonfield, the police officer who led the police into the crowd at Haymarket on May 4, 1886. The book, which was widely distributed at the time, included many documents from the case, descriptions of testimony at trial, and many drawings of people and incidents. The author, Michael Schaack, and Inspector Bonfield were subsequently dismissed from the Chicago Police after an investigation for corruption. Subsequent investigations of the trial uncovered perjured testimony by police witnesses and others, and jury rigging by the prosecution.

**Anarchy, State, and Utopia** Robert Nozick, 1974 Presents arguments in support of the author's libertarian views on the nature of the state, its legitimate functions, and its justifications.

*Libertarian Anarchy* Gerard Casey, 2012-07-19 Political philosophy is dominated by a myth, the myth of the necessity of the state. The state is considered necessary for the provision of many things, but primarily for peace and security. In this provocative book, Gerard Casey argues that social order can be spontaneously generated, that such spontaneous order is the norm in human society and that deviations from the ordered norms can be dealt with without recourse to the coercive power of the state. Casey presents a novel perspective on political philosophy, arguing against the conventional political philosophy pieties and defending a specific political position, which he identifies as 'libertarian anarchy'. The book includes a history of the concept of anarchy, an examination of the

possibility of anarchic societies and an articulation of the nature of law and order within such societies. Casey presents his specific form of anarchy, undergirded by a theory of human action that prioritises liberty, as a philosophically and politically viable alternative to the standard positions in political theory.

**Anarchy**, 1966

**Contemporary Anarchist Studies** Randall Amster, Abraham DeLeon, Luis Fernandez, Anthony J. Nocella, II, Deric

Shannon, 2009-02-10 This volume of collected essays by some of the most prominent academics studying anarchism bridges the gap between anarchist activism on the streets and anarchist theory in the academy. Focusing on anarchist theory, pedagogy, methodologies, praxis, and the future, this edition will strike a chord for anyone interested in radical social change. This interdisciplinary work highlights connections between anarchism and other perspectives such as feminism, queer theory, critical race theory, disability studies, post-modernism and post-structuralism, animal liberation, and environmental justice. Featuring original articles, this volume brings together a wide variety of anarchist voices whilst stressing anarchism's tradition of dissent. This book is a must buy for the critical teacher, student, and activist interested in the state of the art of anarchism studies.

Rebels Marie Ganz, Nat Joseph Ferber, 1920

**Nightmares of Anarchy** Wm. M. Phillips, 2003 Gesterton, and other narratives of the times - fiction and nonfiction, journalism and academic writing, canonical and obscure writers - this study traces the discourse surrounding anarchism in order to understand the cultural practices that supported the rise of modern capitalist culture.--BOOK JACKET.

**A Tolerable Anarchy** Jedediah Purdy, 2009-03-03 In A Tolerable Anarchy, Jedediah Purdy traces the history of the American understanding of freedom, an ideal that has inspired the country's best—and worst—moments, from independence and emancipation to war and economic uncertainty. Working from portraits of famous American lives, like Frederick Douglas and Ralph Waldo Emerson, Purdy asks crucial questions about our relationship to liberty: Does capitalism perfect or destroy freedom? Does freedom mean following tradition, God's word, or one's own heart? Can a nation of individuals also be a community of citizens? This is history that speaks plainly to our lives today, urging readers to explore our understanding of our country and ourselves, and a provocative look at one of America's cherished principles.

Encyclopedia of Political Anarchy Kathlyn Gay, Martin K. Gay, 1999-04-12 Examines the ancient roots of the movement, key individuals, and important organizations, events, laws, court cases, and theories.

**Reinventing Anarchy** Howard J. Ehrlich, 1979-01-01
