Let Me Off at the Top! Ron Burgundy, 2014-04-01 The autobiography everyone has been waiting for: a shockingly candid and raw confessional from an international treasure. The world's most trusted and beloved television News Anchor, Ron Burgundy, pulls no punches in *Let Me Off at the Top!* Burgundy tells the tale of his humble beginnings in a desolate Iowa coal-mining town to his years at Our Lady Queen of Chewbacca High School to his odds-defying climb to the dizzying heights of Anchordom. In his very own words Burgundy reveals his most private thoughts, his triumphs and his disappointments. His life reads like an adventure story complete with knock-down fights, beautiful women and double-fisted excitement on every page. He has hunted jackalopes with Bobby Kennedy and Peter Lawford, had more than his share of amorous exploits and formed the greatest on-air team in the history of televised news. Along the way, he's hobnobbed with people you wish you knew and some you honestly wish you didn't: celebrities, presidents, presidents' wives, celebrities' wives, dogs and, of course, Veronica Corningstone, the love of his life. Who didn't Mr. Burgundy, or Ron, as he is known to his friends, rub elbows with in the course of his colourful and often criminal life? This may well be the most thrilling book ever written, by a man of great physical, moral and spiritual strength and, not surprisingly, a great literary talent as well. We owe it to him, and to ourselves, to read it. With never-before-seen photographs. Some in colour!

Death of an Anchorman James Cusick, 2013-10-19 PRAISE FOR DEATH OF AN ANCHORMAN I know Jim Cusick and Jim knows what he's talking about. This may be a novel (and a good one) but what it says about TV journalism today is all too terribly true. -Linda Ellerbee, Author and TV Journalist An accomplished writer, James Cusick weaves a fictional tale into his real life experience as a reporter, producer and news director. The story flows into the behind the scenes truth where journalistic ethics and business skulduggery conflict. I wish some of it wasn't true. It's a good read! -Rolland Smith, Former WCBS-TV and CBS News Anchorman Jim Cusick is a newsman who knows how to tell a story. This is fiction laced with uncomfortable truths about what's happened to the news business. He reminds us of the values lost in the scramble for eyeballs. -RD Sahl, Former Boston News Anchorman Jim Cusick knows television news, inside and out. In *Death of an Anchorman*, he tells a compelling story about the corruption of journalistic standards by the lure of celebrity, the tyranny of the bottom line, the rise of special interests and the impulse to pander rather than inform. -Sally Bedell Smith, Author of *In All His Glory: The Life and Times of William S. Paley and The Birth of Modern Broadcasting* In *Death of an Anchorman* Jim Cusick takes us on a roller-coaster ride of when news over the airwaves changed from Edward R. Murrow's day into corporate speak, became more entertainment than a beacon of light and where those before the mike and camera fell to the temptations of drugs, flesh and celebrity. Cusick has the bona fides and watched from a ringside seat. He also knows how to tell a story with a lot of juicy facts thrown in. He is fearless, and somewhere up there Edward R. Murrow is smiling. After reading this book you will never watch or hear the news the same way again. -John Bowers, Author of *The Colony* The talented Jim Cusick takes you on a journey into the white-hot center of the TV news business-with all its vanity, nastiness, integrity, and passion. Great insights. Great wisdom, Great read.

-James K. Glassman, Former host, CNN Capitol Gang Sunday Former Publisher, Atlantic Monthly and New Republic magazines Jim Cusick's Orwellian novel is a spot-on indictment of the 'business of news.' Absorbing and frankly scary, Death of an Anchorman should be required reading for the suits at CNN. - Christopher Little, Photojournalist and Author

Anchor Man Steve Farrar, 2000-05-07 If you thought your parenting responsibilities ended after eighteen years per child, you thought wrong. Instead, it's your privilege to lead your family-and influence succeeding generations-for a century...or more. Anchor Man presents the high calling of fatherhood, the traits of a Christian father, the adventures that await him as he interacts with his children, and the significance of his role as a good family man. Steve Farrar presents these roles and responsibilities in a way any man wanting to increase his understanding of his place in the family, and our society, can put into action every day. Anchor Man encourages, exhorts, and demonstrates with biblical concepts how to raise a godly family and how to anchor that family in Christ for the next one hundred years. Farrar's unique teaching style blends humor and practicality with the tools fathers need to become all that God intended them to be as the leaders of their families. When a man gets serious about following Christ with his whole heart, Farrar says, God desires to not only pour out His blessing on that man, but on his children, and his children's children.

Anchored Mort Crim, 2021-03-16 HONORED AS A NOTABLE 100 BOOK IN THE 2021 SHELF UNBOUND BEST INDIE BOOK COMPETITION Mort Crim has reported on major conflicts around the world for more than four decades and was a major inspiration for Will Ferrell's performance in the movie Anchorman. Crim's memoir takes readers behind the camera to show what life was like when the local anchorman was as revered as the professional athlete, and just as overpaid. It was a glamorous life, working alongside some of journalism's legends, like Walter Cronkite, David Brinkley, Dan Rather, and Ted Koppel. The son of an evangelical minister in a conservative church, Crim suffered his first crisis of faith at the age of 15. Despite nagging questions, Crim eventually followed his father's path into ministry. But the more he delved into the Bible, the more his faith was shaken. Unable to defend things he wasn't sure of from the pulpit, Crim left the ministry for a career in journalism, determined to pursue truth. After a four-year stint in the Air Force, he earned his master's degree in journalism from Northwestern University, and by the age of 30, had made it to New York—the epicenter of his profession. As a national correspondent for ABC, Crim anchored the network's top-rated morning radio show and covered America's newly-developing manned space program. When Neil Armstrong took that first step on the moon, it was Crim's voice that described the historic event for millions around the world. At the urging of Walter Cronkite, Crim moved from network radio into the heady world of television news. At KYW in Philadelphia, Mort Crim was paired with the late Jessica Savitch, and their anchor team spawned the idea for Will Ferrell's Anchorman movies. Crim's journey for truth will resonate with anyone raised in a cocoon of certainty that they felt compelled to question.

Kind of a Big Deal Saul Austerlitz, 2023-08-22 From the author of *Generation Friends*, featuring brand-new interviews with Will Ferrell and Adam McKay, a surprising, incisive, and often hilarious book about the film that changed comedy, *Anchorman*. It's been nearly twenty years since Ron Burgundy burst into movie fans' lives, reminding San Diego to "stay classy" while lampooning a time gone by—although maybe not as far gone as we might think? In *Kind of a Big Deal*, comedy historian Saul Austerlitz tells the history of how *Anchorman* was developed, written, and cast, and how it launched the careers of future superstars like Will Ferrell, Steve Carell, and Paul Rudd, also setting the stage for a whole decade of comedy to come and influencing films like *The 40-Year-Old Virgin*, *Talladega Nights*, *Knocked Up*, *Superbad*, and so many more. But *Kind of a Big Deal* isn't only a celebration of *Anchorman*—it's also a cultural analysis of the film's significance as a sly commentary on feminism, the media, fragile masculinity, 1970s nostalgia, and more. Featuring brand-new interviews with stars such as Will Ferrell, director Adam McKay, and other key players, the book includes insider commentary alongside updated pop-culture analysis. And it also shares surprising stories and facts: from the film's original conception as a plane crash/cannibal comedy mashup to the surprising, real-life newscaster who inspired the character of Veronica. Overall, this is a celebration of a movie that millions love—but it's also an unsparing look back at what has and hasn't changed, since the 1970s and since 2004. Perfect for fans of the film and anyone who cares about comedy today, *Kind of a Big Deal* proves that the movie was, and is, exactly that.

You are in the Vatican when his name is screamed in St. Peter's Basilica during an attempted rape. The reader also learns why it took a full year for his close encounter with a Maui shark to finally scare him witless. Once he enters the wild and often wacky world of broadcasting, he gives the reader an up close and personal look at what it's like to stalk an elusive pop diva/icon for a news story and to spend more than half the weeknights of his life before the cameras, anchoring more than 17,000 newscasts. He takes the reader on location for a behind-the-scenes look at the filming of the Peter Sellers/Shirley MacLaine movie *Being There* in which Harris winds up cast in a speaking role. Harris says he never wanted a life of routine. His memoir *Before the Cameras* shows he got anything but.

A Newscast for the Masses Tim Kiska, 2009 As the chief source of information for many people and a key revenue stream for the country's broadcast conglomerates, local television news has grown from a curiosity into a powerful journalistic and cultural force. In *A Newscast for the Masses*, Tim Kiska examines the evolution of television news in Detroit, from its beginnings in the late 1940s, when television was considered a wild young medium, to the early 1980s, when cable television permanently altered the broadcast landscape. Kiska shows how the local news, which was initially considered a poor substitute for respectable print journalism, became the cornerstone of television programming and the public's preferred news source. Kiska begins his study in 1947 with the first Detroit television broadcast, made by WWJ-TV. Owned by the Evening News Association, the same company that owned the Detroit News, WWJ developed a credible broadcast news operation as a cross-promotional vehicle for the newspaper. Yet by the late 1960s WWJ was unseated by newcomers WXYZ-TV and WJBK-TV, whose superior coverage of the

1967 Detroit riots lured viewers away from WWJ. WXYZ-TV would eventually become the most powerful news outlet in Detroit with the help of its cash-rich parent company, the American Broadcasting Corporation, and its use of sophisticated survey research and advertising techniques to grow its news audience. Though critics tend to deride the sensationalism and showmanship of local television news, Kiska demonstrates that over the last several decades newscasts have effectively tailored their content to the demands of the viewing public and, as a result, have become the most trusted source of information for the average American and the most lucrative source of profit for television networks. A Newscast for the Masses is based on extensive interviews with journalists who participated in the development of television in Detroit and careful research into the files of the McHugh & Hoffman consulting firm, which used social science techniques to discern the television viewing preferences of metro Detroiters. Anyone interested in television history or journalism will appreciate this detailed and informative study.
