As an added bonus, the rear cover features over 100 commonly misspelled words in the English language which makes this notebook perfect for English composition class! There are literally thousands of cover designs for notebooks/composition books, but few people can say that their notebook is personalized with their last name! This notebook makes a perfect gift item. All the journals, notebooks and planners published by Italian Pride Press celebrate Italian heritage and the incredible contributions Italian-Americans have made in America.

Kiss My Jagged Face Isabetta Andolini,2023-01-09 Francine is caught between two worlds: one in which she feels at home but stunted and one in which she feels dominant but distant, all the while balancing her precariously regimented mental health. A wild child living in 1970s London, manic-depressive Francine must prove to herself and the watchful eyes of her father and psychiatrists that she is capable of more in order to attain the stimulating lifestyle she desires. She finally lands a job in New York and makes the jump only to find out she is pregnant by her rock-and-roll ex-boyfriend back in London. The New York life she idolized is fast and moneyed, but Francine quickly realizes that escape is not necessarily a solution. Torn between American success, motherhood, and the life she left behind, Francine's independence has never felt so costly. Decades later, Francine's daughter Margherita accompanies her architect father to the island of Mustique, where he oversees the development of a new resort while Margherita plans an ambitious project of her own. Unable to mend her fraught relationship with her mother, she adopts her dictum: don't let anyone make you feel small. Eager to embody Francine's fierce spirit, Margherita heads to Italy's Ligurian coast to revitalize a dilapidated villa and turn it into a chic, seaside hotel. When the project-and Marghe's tenacity-begin to splinter, she finds herself retracing Francine's steps from London to Big Sur, in search of the one person whose opinion and guidance means the most. How does one learn to be close to a loved one from their past while also growing boldly away from them? Kiss My Jagged Face, the second work of fiction in the ITALIAN LESSONS series, shines a spotlight on self-control, the art of finding home, and explores the yin to courage's yang: facing the fear that comes with it.

The Road to the Dark Tower Bev Vincent,2004-09-28 AN ESSENTIAL GUIDE TO THE DARK TOWER SERIES—INCLUDING BOOK-BY-BOOK ANALYSIS AND INSIGHT INTO STEPHEN KING'S CREATIVE PROCESS. In 1970, Stephen King embarked on what would become the crowning achievement in his literary career-the Dark Tower. The seven-volume series, written and published over a period of 30 years, was inspired by Robert Browning's poem Childe Roland to the Dark Tower Came, as well as J.R.R. Tolkien's The Lord of the Rings, and the spaghetti Westerns of Sergio Leone. With the full cooperation of Stephen King himself, The Road to the Dark Tower examines the epic journey of the author to complete a story that threatened to overwhelm him. In this indispensable companion, Bev Vincent presents a book-by-book analysis of each volume in the series, tracing the Dark Tower's connections to King's other novels including The Stand, Insomnia, and Hearts in Atlantis, and offering insights from the author about the creative process involved in crafting his lifelong work-a work that has consumed not only Stephen King, but his legion of devoted readers. This is essential reading for any Dark Tower-or Stephen King-fan.

The Artifacts Guy McDonald,2008-03-03 The “smoking gun” of the UFO enigma—physical proof—has, and always will be the criterion for belief in extraterrestrial life. If physical proof were eventually made public, mass hysteria would probably follow, because all we held sacred about our human origins would now be suspect. Secular and theological history, as we know it, would have to be rewritten. This is the premise of my novel: events that could occur should we learn that we are not alone in this universe. The characters are drawn from real people. Places and events come from researched material. Time lines and certain scenes use the author’s personal experiences dealing with the enigma. Credibility comes from my military background, a member/researcher with the National Investigative Committee on Aerial Phenomena, (NICAP), and the Mutual UFO Network (MUFON). A scene in The Artifacts is based on my personal experience with a military cover-up.

Secrets of a Toddler Laura Andolini,2013-07 If you've found yourself hopelessly exhausted as a sleep deprived mother, just know that you're not alone. Author Laura Andolini often wondered how her 20 month-old son could possibly have so much more energy than she did. To regain her sense of self, energy and zest of life, she observed this little guy to see how he did it. Laura not only found herself having more energy, but she also found more success and happiness when she needed it the most. And she wants to share this secret with you. Before becoming a full-time mom and moving to Modesto, California, Laura Andolini was a chef in a French restaurant. She has a love for food, traveling, writing and parenting. Success Secrets of a Toddler passes on the lessons she's learned about having the energy of children to naturally create success for us all. Laura is also working on a book about her culinary and traveling adventures.

The Sicilian Mario Puzo,2004-09-28 After Mario Puzo wrote his internationally acclaimed The Godfather, he has often been imitated but never equaled. Puzo's classic novel, The Sicilian, stands as a cornerstone of his work—a lushly romantic, unforgettable tale of bloodshed, justice, and treachery. . . . The year is 1950. Michael Corleone is nearing the end of his exile in Sicily. The Godfather has commanded Michael to bring a young Sicilian bandit named Salvatore Guiliano back with him to America. But Guiliano is a man entwined in a bloody web of violence and vendettas. In Sicily, Guiliano is a modern day Robin Hood who has defied corruption—and defied the Cosa Nostra. Now, in the land of mist-shrouded mountains and ancient ruins, Michael Corleone's fate is entwined with the dangerous legend of Salvatore Guiliano: warrior, lover, and the ultimate Siciliano. Praise for The Sicilian “Puzo is a master storyteller.”—USA Today “The Balzac of the mafia.”—Time “An accomplished and imaginative writer.”—Los Angeles Times

Diet Secrets of a Toddler Laura Andolini,2009-10 If you ask any parent, he or she will tell you that their child has taught them amazing lessons concerning love, life and living. This is definitely the case with the new book, Diet Secrets of a Toddler. Author Laura Andolini says her 19-month-old son taught her how to appreciate the simplest of things. Diet Secrets of a Toddler includes many beautiful lessons learned and describes how her child changed her views and mentality regarding diet and food. The book reveals the difference between how children (who have thus far been untouched by diets, opinions and other outside forces) and adults view food and the value that they place on it. Laura's experiences with her toddler made her soon realize that understanding this difference was life transforming, empowering and will help just about anyone lose weight and keep it off. Diet Secrets of a Toddler is about Laura's journey with her child; a story about shifting one's focus from food to enjoying life, and watching the amazing results take place before your eyes! Before becoming a full-time mom, Laura Andolini was a chef in a French restaurant. She has a love for food, traveling, writing and parenting. She resides in Modesto, California. Italian Lessons Isabetta Andolini,2021-07-29 After a prestigious education on Manhattan's Upper East Side and a degree from the Yale School of Architecture, Margherita tries to find her place in various cities, from her own metropolis of New York to the hills of San Francisco. It is not until Margherita accepts a new position in Italy that things finally fall into place. In Milan, she has a fabulous

job, new friends, a sense of belonging, and the interesting, adventurous lifestyle she had long aspired to. Charming European men who wine, dine, and tempt her add to the fun, and she finally feels the blissful freedom she's been seeking. When a fateful event forces Margherita to suddenly abandon the life she built in Italy and return to Manhattan, she finds herself navigating yet another transition, and this one is not pointing to a brighter future. With a stripped-down spirit and a cunning boss, she is once again faced with a feeling of loss and loneliness, and she enters into a secret, unruly affair that threatens to peel away her protective layers. The sense of belonging she felt in Italy disappears, and she is forced to reinvent her life with her less than perfect reality. Italian Lessons explores the landscape of the mid-twenties: the torturous state of out-of-sync lust and love, the guilt of establishing yourself away from family, the quest for fulfillment in work and in friendships, and the yearning to understand where you feel most yourself, with whom, and why. With wit, laughter, and tears, Margherita learns to reconcile her journey between two very different cultures, all the while discovering the difference between mistakes worth making and those which are irreversible.

The Seven Angels of the Apocalypse Peter M. Sciarrotta,2002-08-29 It was hard to categorize The Seven Angels of the Apocalypse. It is fiction based on the truths that loom before us all. Chapter 1 is totally true, as the main character encounters a stigmatic, through a third party, on his 21st birthday ? the day he was to decide about becoming a priest. There are many other truths that manifest themselves throughout this book. The author is able to identify who the angels of the Apocalypse actually are by name, which is very bold, and is able to back these up with Biblical facts, that are thrown into this work. The author spins a web of world events that develop well, with many twists and turns, and in the end, all things come together, in a very climatic scene. Don?t overlook any details given by the author, as there are many covert themes present. He seems to say a lot with few words, as if he trusts the reader?s intelligence. Peter is able to bring these world events to a level that relate to the lives of everyday people, while giving us an insight to the way our world leaders would handle the apocalyptic situations. One point brought up by one of the book?s characters, Pope Peter II, is monumental, The Bible is the most widely published book ever?why does no one know how it ends? The insight the author has is straight forward, and Peter does not hesitate to challenge other schools of thought. The Left Behind theory is put under scrutiny, and the characters give argument to this widely accepted theory, quite successfully. The Seven Angels of the Apocalypse, is not a long, drawn out novel, which is good, because the readers attention will be so intense, that you just can?t put this book down. This book takes you from today, to the Second Coming. There will be a sequel, The Millennial Reign of Jesus Christ, to take us from the Second Coming to the end of Revelations. Do not read this book before bedtime!

The Dark Tower Boxed Set Stephen King,2017-09-05 For the first time ever as a complete ebook series, all of Stephen King’s eight Dark Tower novels—one of the most acclaimed and popular series of all time. Special bonus: The ebook boxed set now includes The Complete Concordance, a user’s guide to the Dark Tower world. Set in a world of ominous landscape and macabre menace, The Dark Tower series features one of Stephen King’s most powerful creations—The Gunslinger—a haunting figure who embodies the qualities of the lone hero through the ages, from ancient myth to frontier Western legend. As Roland crosses a desert of damnation in a treacherous world that is a twisted image of our own, he moves ever closer to the Dark Tower of his dreams—and nightmares. This stunning, must-have collection includes: The Dark Tower I: The Gunslinger; The Dark Tower II: The Drawing of the Three; The Dark Tower III: The Waste Lands; The Dark Tower IV: Wizard and Glass; The Dark Tower: The Wind Through the Keyhole; The Dark Tower V: Wolves of the Calla; The Dark Tower VI: Song of Susannah; and The Dark Tower VII: The Dark Tower. The perfect keepsake for Stephen King fans, The Dark Tower 8-Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from “the reigning King of American popular literature” (Los Angeles Daily News).

The Dark Tower II Stephen King,2016-12-27 After his confrontation with the man in black at the end of The Gunslinger, Roland awakes to find three doors on the beach of Mid-World's Western Sea -- each leading to New York City but at three different moments in time. Through these doors, Roland must draw three figures crucial to his quest for the Dark Tower. In 1987, he finds Eddie Dean, The Prisoner, a heroin addict. In 1964, he meets Odetta Holmes, the Lady of Shadows, a young African-American heiress who lost her lower legs in a subway accident and gained a second personality that rages within her. And in 1977, he encounters Jack mort, Death, a pusher responsible for cruelties beyond imagining. Has Roland found new companions to form the ka-tet of his quest? Or has he unleashed something else entirely?

The Double Cross Michael Tombs,2020-04-29 My 2nd Letter to President Barak H. Obama (original letter) Twelve years ago today I was asked by The New Jersey Historical Society to write my autobiography. This was during the celebration of the Dr. Martin Luther King, Jr. Holiday. My autobiography was completed several years later for the record in 2015. Many Newark residents know the historical eye witness reality that I met with and shook Dr. King's hand personally along with several other students. My point is that I and several Black Youth Organization friends and BYO classmates met with Dr. King on March 27, 1968 one week before he was assassinated on April 4, 1968 at South Side High School. This historic meeting took place inside the old annex of South Side High School in Newark, New Jersey.
