Change.edu Andrew S Rosen, 2011-10-04 It's no wonder American higher education is facing a crisis. While low-income students can't find a spot in their local community colleges for lack of funding, public four-year universities are spending staggering sums on luxurious residence halls, ever-bigger football stadiums, and obscure research institutes. We have cosseted our most advantaged students even as we deny access to the working adults who urgently need higher education to advance their careers and our economy. In *Change.edu: Rebooting for the new talent economy* Andrew S. Rosen clearly and entertainingly details how far the American higher education system has strayed from the goals of access, quality, affordability, and accountability that should characterize our system, and offers a prescription to restore American educational pre-eminence. To change, our system will have to end its reflexive opposition to anything new and different. Rosen describes how each new wave of innovation and expansion of educational access—starting with the founding of Harvard in 1636, and continuing with the advent of land-grant colleges in the 19th century, community colleges in the 20th century and private sector colleges over the last two decades—has been met with misunderstanding and ridicule. When colleges like the University of California, Cornell and Purdue were founded, they were scorned as “pretenders to the title of university” — language that tracks later criticisms of community colleges and most recently for-profit colleges. Avoiding that condescension is just one of the reasons colleges have come under the sway of “Harvard Envy” — schools that were founded to expand access feel an inexorable tug to become more prestigious and exclusive. Even worse, the competition for the best students has led universities to turn themselves into full-fledged resorts; they've built climbing walls, French bistros and 20-person hot-tubs to entice students to their campuses. How can America address an incentive system in higher education that is mismatched to the challenges of the years ahead? In *Change.edu*, Rosen outlines “seven certainties” of education in the coming 25 years, and presents an imperative for how our system must prepare for the coming changes. He proposes a new “playbook” for dealing with the change ahead, one that will enable American higher education to regain its global primacy and be a catalyst for economic growth in the 21st century.

Dinner: A Love Story Jenny Rosenstrach, 2012-06-19 Inspired by her beloved blog, dinneralovestory.com, Jenny Rosenstrach's *Dinner: A Love Story* is many wonderful things: a memoir, a love story, a practical how-to guide for strengthening family bonds by making the most of dinnertime, and a compendium of magnificent, palate-pleasing recipes. Fans of “Pioneer Woman” Ree Drummond, Jessica Seinfeld, Amanda Hesser, Real Simple, and former readers of *Cookie* magazine will revel in these delectable dishes, and in the unforgettable story of Jenny's transformation from enthusiastic kitchen novice to family dinnertime doyenne.

Gain Richard Powers, 2010-03-15 From Pulitzer Prize-winning and New York Times bestselling author of *The Overstory*, Richard Powers's *Gain* braids together two stories on very different scales. In one, Laura Body, divorced mother of two and a real-estate agent in the small town of Lacewood, Illinois, plunges into a new existence when she learns that she has ovarian cancer. In the other, *Clare & Company*, a soap manufacturer begun by three brothers in nineteenth-century Boston, grows over the course of a century and a half into an international

consumer products conglomerate based in Laura's hometown. Clare's stunning growth reflects the kaleidoscopic history of America; Laura Body's life is changed forever by Clare. Gain's stunning conclusion reveals the countless invisible connections between the largest enterprises and the smallest lives.

Unleashed David Rosenfelt, 2013-07-23 Andy Carpenter's accountant, Sam Willis, is stunned to receive a phone call out of the blue from Barry Price, a high school friend he hasn't spoken to in years, pleading for help with something too frightening to discuss on the phone. Barry needs Sam's financial acumen and lawyer Andy Carpenter's legal expertise—and he needs them immediately. But when Sam almost runs over an injured dog lying in the road on the way to Barry's house, he can't drive off without waiting for help to arrive. By the time Sam makes it, Barry's already taken off on a private airplane headed who-knows-where. Assuming their help is no longer needed, Sam and Andy turn their full attention to helping the dog Sam found recover from his injuries. Then they learn that Barry's plane has crashed, and they come to the terrifying realization that Sam was also supposed to have been killed on that plane. Barry was in far more serious trouble than either of them knew, and for Sam and Andy, the trouble is only beginning. *Unleashed*, David Rosenfelt's next Andy Carpenter mystery, is a thrilling read, full of Rosenfelt's trademark clever plotting, humor, and engaging prose.

Investigation of Illegal Or Improper Activities in Connection with 1996 Federal Election Campaign United States. Congress. Senate. Committee on Governmental Affairs, 1998

The Berkshire News, 1953

Ghosts of Home Marianne Hirsch, Leo Spitzer, 2010-01-19 In modern-day Ukraine, east of the Carpathian Mountains, there is an invisible city. Known as Czernowitz, the Vienna of the East under the Habsburg empire, this vibrant Jewish-German Eastern European culture vanished after World War II—yet an idealized version lives on, suspended in the memories of its dispersed people and passed down to their children like a precious and haunted heirloom. In this original blend of history and communal memoir, Marianne Hirsch and Leo Spitzer chronicle the city's survival in personal, familial, and cultural memory. They find evidence of a cosmopolitan culture of nostalgic lore—but also of oppression, shattered promises, and shadows of the Holocaust in Romania. Hirsch and Spitzer present the first historical account of Jewish Czernowitz in the English language and offer a profound analysis of memory's echo across generations.

All Men of Genius Lev A. C. Rosen, 2011-09-27 Inspired by two of the most beloved works by literary masters, *All Men of Genius* takes place in an alternate Steampunk Victorian London, where science makes the impossible possible. Violet Adams wants to attend Illyria College, a widely renowned school for the most brilliant up-and-coming scientific minds, founded by the late Duke Illyria, the greatest scientist of the Victorian Age. The school is run by his son, Ernest, who has held to his father's policy that the small, exclusive college remain male-only. Violet

sees her opportunity when her father departs for America. She disguises herself as her twin brother, Ashton, and gains entry. But keeping the secret of her sex won't be easy, not with her friend Jack's constant habit of pulling pranks, and especially not when the duke's young ward, Cecily, starts to develop feelings for Violet's alter ego, Ashton. Not to mention blackmail, mysterious killer automata, and the way Violet's pulse quickens whenever the young duke, Ernest (who has a secret past of his own), speaks to her. She soon realizes that it's not just keeping her secret until the end of the year faire she has to worry about: it's surviving that long. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Waking the Dead Scott Spencer, 2010-11-23 A congressional candidate's campaign threatens to unravel when he becomes consumed by an obsession with his dead lover in this masterful novel from bestselling author Scott Spencer. Aspiring politician Fielding Pierce and social activist Sarah Williams are madly in love. But while both are passionate liberals, their very different approaches to their beliefs result in a rollercoaster relationship. Nevertheless, when Sarah is killed in a terrorist attack during a mission to help Chilean refugees, Fielding is devastated and engrosses himself in his political ambitions. Years later, on the verge of election to the U.S. Congress, Fielding becomes haunted by Sarah's memory, causing him to call into question not only his ideals but also his sanity. Told with heartbreaking intensity, *Waking the Dead* is a profound examination of love and loss. This ebook features an illustrated biography of Scott Spencer, including rare photos from the author's personal collection.

Turning Words, Spinning Worlds Michael Rosen, 2013-10-31 This collection represents Michael Rosen's encounter with an 'ethnography of the center'-the study of cultural orders in the heart of the metropolis. Considers occupational worlds from finance and advertising to the subworld of drug dealing.

Carlsbad Adventures Nancy Glen , 2020-11-26 A smart, sweet lamb named Evie Jo has earned her way into Math camp hosted in the city of Carlsbad. Follow her and her friends as they move through the city finding, first hand, how math is used in everyday life. Learn how math is used at the beach, the library and even with music. In the process of their quest the beauty and history of Carlsbad is revealed. The themes of acceptance and inclusion are also woven throughout this story. Come join the fun.

Dear Shareholder Lawrence A. Cunningham, 2020-04-14 The shareholder letters of corporate leaders are a rich source of business and investing wisdom. There is no more authoritative resource on subjects ranging from leadership and management to capital allocation and company culture. But with thousands of shareholder letters written every year, how can investors and students of the corporate world sift this vast swathe to unearth the best insights? *Dear Shareholder* is the solution! In this masterly new collection, Lawrence A. Cunningham, business expert and acclaimed editor of *The Essays of Warren Buffett*, presents the finest writers in the genre of the shareholder letter, and the most significant excerpts from their total output. Skillfully curated, edited and arranged, these letters showcase the ultimate in business and investment knowledge from an all-star team. *Dear Shareholder* holds letters by more than 20 different leaders from 16 companies. These leaders include Warren

Buffett (Berkshire Hathaway), Tom Gayner (Markel), Kay Graham and Don Graham (The Washington Post and Graham Holdings), Roberto Goizueta (Coca-Cola), Ginni Rometty (IBM), and Prem Watsa (Fairfax). Topics covered in these letters include the long-term focus, corporate culture and commitment to values, capital allocation, buybacks, dividends, acquisitions, management, business strategy, and executive compensation. As we survey the corporate landscape in search of outstanding companies run by first-rate managers, shareholder letters are a valuable resource. The letters also contain a wealth of knowledge on the core topics of effective business management. Let Dear Shareholder be your guide.

Jewish Men Pray Stuart M. Matlins, Rabbi Kerry M. Olitzky, 2013-04-30 A celebration of Jewish men's voices in prayer—to strengthen, to heal, to comfort, to inspire from the ancient world up to our own day. An extraordinary gathering of men—diverse in their ages, their lives, their convictions—have convened in this collection to offer contemporary, compelling and personal prayers. The words published here are not the recitation of established liturgies, but the direct address of today's Jewish men to ha-Shomea Tefilla, the Ancient One who has always heard, and who remains eager to receive, the prayers of our hearts. —from the Foreword by Rabbi Bradley Shavit Artson, DHL This collection of prayers celebrates the variety of ways Jewish men engage in personal dialogue with God—with words of praise, petition, joy, gratitude, wonder and even anger—from the ancient world up to our own day. Drawn from mystical, traditional, biblical, Talmudic, Hasidic and modern sources, these prayers will help you deepen your relationship with God and help guide your journey of self-discovery, healing and spiritual awareness. Together they provide a powerful and creative expression of Jewish men's inner lives, and the always revealing, sometimes painful, sometimes joyous—and often even practical—practice that prayer can be. Jewish Men Pray will challenge your preconceived ideas about prayer. It will inspire you to explore new ways of prayerful expression, new paths for finding the sacred in the ordinary and new possibilities for understanding the Jewish relationship with the Divine. This is a book to treasure and to share.

New York Magazine ,1994-04-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Princeton Alumni Weekly ,1990

Investing in Income Properties Kenneth D. Rosen, 2011-01-11 Praise for INVESTING IN INCOME PROPERTIES Investing in Income Properties is a cogent and well organized presentation of the principles of real estate analysis, financing, and investment. With his 'Big Six Formula,' Ken Rosen shares his knowledge and experiences on how to analyze and take advantage of commercial real estate investment opportunities. This book should be required reading in all real estate investment courses. --John S. Zdanowicz, PhD, Professor, Finance and Real Estate, and Director of the Jerome Bain Real Estate Institute, Florida International University Ken Rosen has a unique ability

to make the most complicated seem clear and easy to follow. In *Investing in Income Properties*, he gives practical steps so that the reader can take action and begin or continue to build wealth by investing in income properties. This book will become the buyer's bible. --Alex Zylberglait, Associate Director, National Office and Industrial Properties Group, Marcus & Millichap Real Estate Investment Services

Investing in Income Properties is a step-by-step approach to investing in commercial real estate. It is clear, easy reading with every base covered. This book is a great tool for both the new and seasoned investor. --Donna Abood, Chief Executive Officer, Colliers Abood Wood-Fay, Commercial Real Estate

Ken Rosen's style is straightforward and his formula for building wealth is well grounded in the fundamentals--nothing fancy or tricky about it! He even puts the would-be investor at ease by addressing the fear factors of real estate investing. Twenty-one years into my career as a real estate investment sales broker, I have met many successful investors, but Ken Rosen clearly stands out as a savvy, self-made entrepreneurial investor who is generously sharing his wealth of knowledge and insight in this very instructive and easy-to-read book. --David L. Meline, Executive Director, Capital Markets Group, Investment Sales Specialist, Cushman & Wakefield of Georgia Inc. One of the best, precise, and accurate real estate books on the market. A must-read for investors at any stage. --Scott K. Sime, Managing Director, CB Richard Ellis Brokerage, Miami-Dade County

Jewish Family and Life Yosef I. Abramowitz, Susan Silverman, 1998-09-15 A guide for Jewish families on how to incorporate Jewish traditions into their lives including bedtime and morning rituals, the meaning of the holidays, and advice on communicating codes of behavior to children.

Private Enterprise and Public Education Frederick M. Hess, Michael B. Horn, 2015-04-26 The growth of for-profit providers in the K16 education sector has generated more than its share of controversy. From the emergence of charter schools to post-secondary options like the University of Phoenix, for-profit providers have been lauded for their capacity to serve historically underserved populations but derided for their pursuit of profit which, critics argue, is at the expense of the public good. This important volume takes stock of the debate, neither demonizing nor celebrating the for-profit sector, to understand what it takes for for-profits to promote quality and cost effectiveness at scale. Contributors address how policymakers and other education stakeholders can create an environment where the power of for-profit innovation and investment is leveraged to better serve students. The role that private enterprise can and should play in American education needs to be brought to the forefront of reform discussions. Editors Hess and Horn move beyond heated rhetoric to offer a thoughtful and probing analysis that will enable stakeholders to craft a viable future for public education.

My Voyage in Art Michael Lawrence, 2014-07-10 My Voyage in Art includes 197 colour images of paintings, watercolours, sculptures and people over a 60 year period accompanied by a detailed essay. Encounters with Roy Lichtenstein, Jim Morrison, Andy Warhol and others illuminate.
