*The Undine's Tear* Talena Winters, 2019-05-14 Mermaids. Magic. And the mistake that could destroy the world... or cost her

everything to save it. Calandra would do anything to save her people. The powerful princess has been raised to restore the Heartstone that protects their island from humans, then be exiled to the Abyss before she goes Mad and unleashes unfathomable destruction like the healer who sank Atlantis... and her mother. But tradition demands she first enslave a human man with the siren mind-bond, and her queen aunt has selected her childhood friend—the one man she'd risk a death sentence to free. When Calandra learns her mother wasn't exiled but fled to protect the first undine boy in three millennia, she's certain her brother is the solution to her problems. Until she uncovers the horrifying truth about the undines' past and realizes if she finds him, she could start a revolution—but if she can't, she'll unleash an ancient evil that will tear the world apart. And if her jealous cousin and the sinister golden-eyed creature haunting her dreams have their way, she'll never get the chance to fulfill her destiny. Unless she surrenders everything... even the man she loves. And she's running out of time. The Undine's Tear is the first book in the mind-blowing young adult epic historical fantasy series Rise of the Grigori. Packed with complex characters, lush world-building, gritty action, and impossible odds, this intricately woven tale presents mermaids like you've never seen them before. magic, family, love and loss.” - Suzy Vadori, Award Winning Author, The Fountain Series “My favorite book of the past year!” - Kathy Brown, reader Excerpt: “You are wondering how to gain control of your powers. Calandra thought about ignoring Damon or denying it, but what was the point? This was nothing more than a dream, and the slippery logic of dreams fuzzed her will to keep her more rebellious thoughts to herself. “You know, I shouldn’t even be talking to you. An Unredeemed male. I could get in big trouble.” The corners of his mouth curved under his trim goatee. “And who will report you?” He indicated the black water around them. “Certainly not I. I exist only in your mind.” She crossed her arms and cocked her head, studying him. “Have you ever been Redeemed?” His expression became stony. “Redemption is for humans.” “Redemption is for men. To make them safe. It just happens that the only men are human.” Thinking of Osaze’s dread, she wondered again at the morality of it. Uncrossing her arms, she shifted her gaze from Damon’s face to his bronze chest. “And one of them is my friend.” “All humans should be controlled,” he replied nonchalantly, drawing nearer. “They have not the patience nor discipline to control themselves. And I am not human, yet I am male.” She looked up at him, eyes narrowed. “I can see that. What are you? I’ve never seen an undine with golden eyes.” He smiled knowingly. “Not human. But I could be your friend.” That same feeling of security and warmth from their first encounter enveloped her, as though he were projecting it from himself intentionally. She frowned, wanting to accept it and shake off her heavy heart, but not daring to trust him yet. “What do you want from me?” “I want to help you.” Damon came near enough to touch her but didn’t, pausing before her with his arms to the sides in a placating gesture. She wrapped her arms around herself and glared into the blackness beyond him. “Yeah, well, you can’t. Not unless you can tell me how to control powers that could sink an island and heal the Heartstone without going Mad.” “Little lark,” he said, amusement dripping from his voice like honey from a

spoon, “that is exactly what I intend to do.” About the Author: Talena Winters is addicted to stories, tea, chocolate, yarn, and silver linings. *Tears of Joy* Joseph Tristan, 2021-05-28 *Tears of Joy: An Untold Story of Two Angels* By: Joseph Tristan We are born on this earth with an unknown mission. As we mature and develop, our main objective is to identify what our purpose in life is. Once we identify our purpose, we can begin to achieve our life's goal so we may live a life filled with happiness and love. Unbeknown to us, angels live among us. Some angels are here to guide, teach, and comfort us throughout our lives, while others are here to help educate and develop our gift of knowledge and healing that will allow us to make life better for others. *Tears of Joy* is a story of two angels, one who helps another angel in a time of need, while the second angel educates medical science by making the ultimate sacrifice so others may get a second chance in life.

The Tears of Angels Bridget Walker,2013-11-10 The Tears of

AngelsBook DescriptionThe Tears of Angels is both a nonfiction and fiction book, highly spiritual, extremely romantic with sexual

themes, as well as very humorous. It is based on real-life experiences that come from my own knowledge of being a spiritual healer, worker, and adviser. I wrote the book to create a compelling read, one that will make readers understand that spiritual evil is real and affects thousands of individuals. Evil comes from demons, restless souls, devil worshippers, and men who serve them. All these sources of evil are everywhere, mostly on the streets, always seeking victims. The good thing to know is that everyone can guard themselves against any form of spiritual evil that comes from demons or man. It's all written in the book. The book follows the life of the main character and narrator, Xenia. A newborn baby girl came into a world where hopes and dreams blossom for everyone. Before she was able to feel the warm embrace and see the gentle smile of joy of her mother, she was abandoned at birth in Brooklyn, New York. Her life of love and warmth immediately started when she was found by one of the loving workers, Mrs. Bailey. From the day she found her, Mrs. Bailey shielded and protected her as if she were her own child. She became of age and had to leave the home, attending college and pursuing a career in special education. Mrs. Bailey became ill. Xenia was at her bedside when she passed away. Her life was shattered. For the first time she felt alone with no family or friends. While attending college, Xenia was sharing an apartment with Tessa. Xenia's graduation was at hand, and they were getting ready to leave. Tessa did not let her know until the last minute that a few of her boyfriend's military buddies came from out of town to spend the weekend with him, and Bob invited them to go with him to her graduation. Once the girls entered the car, Bob introduced his friends to Xenia. She did not notice that Paul, Bob's best friend, could not take his eyes off her. It was love at first sight for Paul, but he was not aware that Xenia lived a sheltered life as an orphan in a foster home, leaving her extremely shy person and naïve. After a year of Paul trying as hard as he could to get her attention, expressing his love and care for her in every way

possible, through continued persistence and humbleness he finally succeeded in gaining the love of the woman he so much loved and adored. Considering that he waited so long for her to respond to his love, once she did they got engaged. He begged her to come up with a date as soon as possible. Finally, they were married and settled into married life enjoying every moment of it. Two years passed when Paul brought up the subject about having a child. Soon after he did, something very strange and unusual happened to Xenia, forcing her to go to the emergency room. It was then she found out she was with child. She had to remain in the hospital to make sure she was doing well, since she had no idea she was pregnant. The couple was not aware that Xenia's pregnancy unlocked a door of unnatural and supernatural powers of dark and unknown forces from the world of spiritual evil, endangering her pregnancy and making her situation a bit difficult, until she gave birth to her beloved son, Alex. After the baby's birth, peace and love embraced the couple as they were overwhelmed with the joy of parenthood-not knowing that the demons were not focusing on the mother, but on the infant, who was no longer shielded and protected inside his mother's womb. Will the couple get the help they need to save baby Alex? Or will the dark forces of evil finally get their victim? Unfolding the spiritual mystery of SIDS, read and learn who has the final words-when angels and demons come into in battle.

An Angel Cried a Tear Last Night Amy Marschak, 1997-04 A play about secrets so well hidden, so intense, the best way to keep them is ... to forget--Cover

Tears of Angels, Blood of Demons Enrico Goodman, 2009-10 Even after eight years, for Jack O'Connell the past would never stay buried. Going back to the city would be the perfect place for him to pick up the pieces. It could all finally come to an end . or his life could. Someone found him, and they will stop at nothing to get even. He remembers it all - the way he held the gun in his trembling hand right after he'd done it, his father's face and the

look that was on it. An emotion surged through him like he never felt before. He didn't know whether it was joy or relief. His father is dead. It's been so long since, and still he cannot forget.

**Arabella the Angel** Susan Barnes,2018-05-16 Arabella is a very hardworking little angel who lives in heaven and loves helping all the other angels. One day, she realizes that all the other angels wear beautiful dresses and that her dress is all tattered and torn. She decides to ask God why. I bet God knows, she says. **Tears of Heaven** R. A. McCandless,2017 According to legends, the children of angels and humans, the Nephilim, were stronger, faster, and nearly immortal compared to their human cousins. In ancient times, they became heroes, warlords, conquerors and emperors--they were the stuff of legends. But they proved too strong, too ambitious and too cunning for their own good. The wars and strife they caused decimated populations, tore

apart cities and nations, and they threatened to overrun the world. The Throne stepped in and issued the Interdiction, which forced all the Nephilim to submit to Its will or be sentenced to death. Unlike most Nephilim, Omedelia bar-Azazel--call her Del--had no interest in carving out a kingdom and dominating a population of subjects. She preferred a solitary life, making her own way through the world. In ancient times, she met and fell in love with Dami, a Mediterranean trader and captain of the Wavedancer. Together, they faced down pirates and storms, trying to create a future for themselves. Unfortunately for Del, the Throne had other plans. Centuries later, in the present, under the strict threat of the Interdiction, Del works for the Throne. She obeys the angel Ahadiel, who gives her assignments. Her primary job is to keep the world safe from rogue demons who have escaped Hell. With her partner Marrin, she banishes the monsters who threaten the lives of humans, who are ignorant of their dangers. But Del's latest assignment, which includes taking on three demons at once, may prove to be too much. Without a choice, she and Marrin set off on their task, uncertain if they will survive.

Poems of the Heart Isaac Gathings, 2012-04 These poems came about due to being incarcerated. These poems have helped me escape the reality of life. Many poems express how one person feeling about someone or something. Some of my poems have a feeling of a dark side. Others express a kind, caring and loving side. Facing daily challenges has giving me the inspiration to express my feelings and thoughts. Others, also have inspired me to write these poems, which is my way of expressing myself. Many write poems to the special someone or express the anger or sadness. These poems express struggle, solitude, and emotional strings being pulled in many directions. These poems have also helped me escape the reality of prison. What I have felt soon enough helped me bring them to paper as a poem. As you, the reader, I hope you feel what I felt as I wrote them.
