**Donna Teresa** Frances Mary Peard,2021-05-18 Donna Teresa is a historical novel set in Rome written by Frances Mary Peard. Peard was an English author and traveler who penned numerous works of fiction for children and adults. Excerpt: Donna Teresa walked thoughtfully along the Quattro Fontane. Had she been asked for her thoughts, she would have said they were wondering how Wilbraham, left to himself, would thread the difficulties of the questura, but, in truth, her mind was filled with problematic questionings as to Cesare and his character. Her eye, trained to observation, held his features pretty faithfully.
