The Smartphone Paradox Alan J. Reid, 2018-08-21 The Smartphone Paradox is a critical examination of our everyday mobile technologies and the effects that they have on our thoughts and behaviors. Alan J. Reid presents a comprehensive view of smartphones: the research behind the uses and gratifications of smartphones, the obstacles they present, the opportunities they afford, and how everyone can achieve a healthy, technological balance. It includes interviews with smartphone users from a variety of backgrounds, and translates scholarly research into a conversational tone, making it easy to understand a synthesis of key findings and conclusions from a heavily-researched domain. All in all, through the lens of smartphone dependency, the book makes the argument for digital mindfulness in a device age that threatens our privacy, sociability, attention, and cognitive abilities.

Overstated Colin Quinn, 2020-09-22 In Colin Quinn's new book, the popular comedian, social commentator, and star of the shows Red State Blue State and Unconstitutional tackles the condition of our union today. Utah: The Church of States Vermont: The Old Hippie State Florida: The Hot Mess State Arizona: The Instagram Model State Wisconsin: The Diet Starts Tomorrow State The United States is in a fifty-states-wide couples' counseling session, thinking about filing for divorce. But is that really what we want? Can a nation composed of states that are so different possibly hang together? Colin Quinn,

comedian, social commentator, and writer and star of *Red State Blue State* and *Unconstitutional*, calls us out state-by-state, from Connecticut to Hawaii. He identifies the hypocrisies inherent in what we claim to believe and what we actually do. Within a framework of big-picture thinking about systems of government—after all, how would you put this country together if you started from scratch today?—to dead-on observations about the quirks and vibes of the citizens in each region, *Overstated* skewers us all: red, blue, and purple. It's ultimately infused with the same blend of optimism and practicality that sparked the U.S. into being.

Running the Light Sam Tallent, 2020-02-26 Debauched, divorced and courting death, Billy Ray Schafer is a comedian who has forgotten how to laugh. Over the course of seven spun-out days across the American Southwest, he travels from from hell gig to hell gig in search of a reason to keep living in this bleak and violent glimpse into the psyche of a thoroughly ruined man. Ex-inmate, ex-husband, ex-father - comedian is the only title Schafer has left. Trapped in the wreckage of his wasted career, Billy Ray knows the answer to the question: what happens when the opportunity doesn't come - or worse - it comes and goes?

Thank You for Coming to Hattiesburg Todd Barry, 2017-03-14 “With this charming, sardonic debut, stand up comedian and actor Todd Barry makes readers laugh as hard as the audiences at his shows” (Publishers Weekly) in

this hilarious book of travel essays from his time on tour in the US, Canada, and Israel. Hello. It's Todd Barry. Yes, the massively famous comedian. I have billions of fans all over the world, so I do my fair share of touring. While I love doing shows in the big cities (New York, Philadelphia), I also enjoy a good secondary market (Ithaca, Bethlehem). Performing in these smaller places can be great because not all entertainers stop there on tour; they don't expect to see you. They're appreciative. They say things like "Thank you for coming to Hattiesburg" as much as they say "Nice show." And almost every town has their version of a hipster coffee shop, so I can get in my comfort zone. My original plan was to book one secondary market show in all fifty states, in about a year, but that idea was funnier than anything in my act. So, instead of all fifty states in a year, my agent booked multiple shows in a lot of states, plus Israel and Canada. Thank You for Coming to Hattiesburg is part tour diary, part travel guide, and part memoir (Yes, memoir. Just like the thing presidents and former child stars get to write). Follow me on my journey of small clubs, and the occasional big amphitheater. Watch me make a promoter clean the dressing room toilet in Connecticut, see me stare at beached turtles in Maui, and see how I react when Lars from Metallica shows up to see me at a rec center in Northern California. I'd love to tell you more, but I need to go book a flight to Evansville, Indiana.

The Stench of Honolulu Jack Handey, 2013-07-16 The legendary Deep Thoughts and New Yorker humorist Jack Handey is back with his very first novel-a

hilarious, absurd, far-flung adventure tale. THE STENCH OF HONOLULU Are you a fan of books in which famous tourist destinations are repurposed as unlivable hellholes for no particular reason? Read on! Jack Handey's exotic tale is full of laugh-out-loud twists and unforgettable characters whose names escape me right now. A reliably unreliable narrator and his friend, who is some other guy, need to get out of town. They have a taste for adventure, so they pay a visit to a relic of bygone days-a travel agent-and discover an old treasure map. She might have been a witch, by the way. Our heroes soon embark on a quest for the Golden Monkey, which takes them into the mysterious and stinky foreign land of Honolulu. There, they meet untold dangers, confront strange natives, kill and eat Turtle People, kill some other things and people, eat another thing, and discover the ruins of ancient civilizations. As our narrator says, The ruins were impressive. But like so many civilizations, they forgot the rule that might have saved them: Don't let vines grow all over you.

Television Specials Vincent Terrace, 2013-06-06 This is a complete revision of the author's 1993 McFarland book Television Specials that not only updates entries contained within that edition, but adds numerous programs not previously covered, including beauty pageants, parades, awards programs, Broadway and opera adaptations, musicals produced especially for television, holiday specials (e.g., Christmas and New Year's Eve), the early 1936-1947 experimental specials, honors specials. 5,336 programs—the most complete source for television specials ever published.

Shtick to Business Peter McGraw, 2020-04 What do comedians know about killing it in business? Just ask a behavioral economist who teaches MBAs by day and decodes comedy by night. Dr. Peter McGraw--a business school professor, professional speaker, and founder of the Humor Research Lab (aka HuRL)--translates the genius and madness of the world's funniest people into powerful prescriptions for professional success. Drawing on cutting-edge research, case studies, and his own comedy successes (and failures), Peter reveals surprising business lessons from the masters of comedy: What Bill Murray and Groucho Marx know about career management. Why Dave Chappelle and Joan Rivers are a blueprint for brand building. What Tina Fey and Amy Poehler can teach you about leadership and teamwork. How Jerry Seinfeld's daily rituals made him the wealthiest comic alive. The insights in *Shtick to Business* will help you improve innovation and outsmart the competition. You'll build new skills--enhanced creativity, better decision-making, and a marketing mindset--to launch a business, tackle tough management problems, and build a serious career. And you'll never have to tell a joke.

How to Die Alone Mo Welch, 2019-04-16 There's an entire industry built on the idea of helping people to push hard and succeed in love, work, fitness, and finances. But what about those people who would so much rather stay home and eat pizza with the cat while binge-watching Netflix? Who's telling them

that it's OK to be a couch potato? Blair, that's who. The creation of cartoonist and stand-up comic Mo Welch, Blair is the awkward, self-deprecating, totally relatable anti-heroine who already has 65,000 followers on Instagram and an animated show on TBS Digital. Now Blair is the face, the voice, and the attitude of *How to Die Alone*, the perfect self-help book for not helping yourself—and a funny, irreverent gift for millennials struggling to “adult.” Forget winning friends and influencing people—here's advice on how to win the Worst Friend Award instead, including: Always be late, never offer to drive (anywhere), and treat your friend's kitchen like an open bar. Plus the ins and outs of terrible dates, permission to eat cookies instead of going to the gym, and how to treat your job like the inconvenience that it is. It's the genuinely funny, tongue-in-cheek guide to just saying no.

Comedy is king. From multimillion-dollar TV specials to sold-out stand-up shows and TikTok stardom, comedy has never been more popular, democratized, or influential. Comedians have become organizing forces across culture—as trusted as politicians and as fawned-over as celebrities—yet comedy as an art form has gone under-considered throughout its history, even as it has ascended as a cultural force. In Comedy Book, Jesse David Fox—the country's

most definitive voice in comedy criticism and someone who, in his own words, “enjoys comedy maybe more than anyone on this planet—tackles everything you need to know about comedy.
