The World Ends in April Stacy McAnulty,2021-03-02 Is middle school drama scarier than an asteroid heading for Earth? Find out in this smart and funny novel by the author of *The Miscalculations of Lightning Girl*. Every day in middle school can feel like the end of the world. Eleanor Dross knows a thing or two about the end of the world, thanks to a survivalist grandfather who stockpiles freeze-dried food and supplies--just in case. So when she reads about a Harvard scientist's prediction that an asteroid will strike Earth in April, Eleanor knows her family will be prepared. Her classmates? They're on their own! Eleanor has just one friend she wants to keep safe: Mack. They've been best friends since kindergarten, even though he's more of a smiley emoji and she's more of an eye-roll emoji. They'll survive the end of the world together . . . if Mack doesn't go away to a special school for the blind. But it's hard to keep quiet about a life-destroying asteroid--especially at a crowded lunch table--and soon Eleanor is the president of the (secret) End of the World Club. It turns out that prepping for TEOTWAWKI (the End of the World as We Know It) is actually kind of fun. But you can't really prepare for everything life drops on you. And one way or another, Eleanor's world is about to change.

The Enchanted April Elizabeth von Arnim,2015-06-02 The charming, slyly comic novel of romantic longing and transformation that inspired the Oscar-nominated film *Four very different women, looking to escape dreary London for the sunshine of Italy, take up an offer advertised in the Times for a "small medieval Italian Castle on the shores of the Mediterranean to be let furnished for the month of April."* As each blossoms in the warmth of the Italian spring, quite unexpected changes occur. An immediate bestseller upon its first publication, in 1922, *The Enchanted April* set off a craze for tourism to the Italian Riviera that continues today. Published here to coincide with a contemporary retelling, *Enchanted August* by Brenda Bowen, it's a witty ensemble piece and the perfect romantic rediscovery for fans of Jess Walter's *Beautiful Ruins* and Elizabeth Gilbert's *Eat, Pray, Love* as well as of *Downton Abbey* and the hit movie *The Best Exotic Marigold Hotel*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

April and May Mark Nicholls,2018-12-07 Every weekday April has the 4WD waiting at the school gate well before 3.30pm and a raft of after-school activities in hand to keep them all occupied. But seven years' worth of long lunches with her single friend Louis and two half days a week at the gallery have left this doctor's wife wondering if there is anything else. When Jeremy the private tutor comes into her life, and her foster daughter May comes of age, April begins to feel like a hothouse orchid, although she really longs to be a wild flower.

The Extraordinary Secrets of April, May, & June Robin Benway,2010-08-03 I hugged my sisters and they fit against my sides like two jigsaw pieces that would never fit anywhere else. I couldn't imagine ever letting them go again, like releasing them would be to surrender the best parts of myself. Three sisters share a magical, unshakeable bond in this witty high-concept novel from the critically acclaimed author of *Audrey, Wait!* Around the time of their parents' divorce, sisters April, May, and June recover special powers from childhood?powers that come in handy navigating the hell that is high school. Powers that help them cope with the hardest year of their lives. But could they have a greater purpose? April, the oldest and a bit of a worrier, can see the future. Middle-child May can literally disappear. And baby June reads minds?everyone's but her own. When April gets a vision of disaster, the girls come together to save the day and reconcile their strained family. They realize that no matter what happens, powers or no powers, they'll always have each other. Because there's one thing stronger than magic: sisterhood.

Thiet Gap! The Battle Of An Loc, April 1972. [Illustrated Edition] Lt-Colonel James H. Willbanks,2014-08-15 [Illustrated with 1 table, 7 maps, 1 figure and 13 Illustrations] The Battle of An Loc was one of the most important battles of the Vietnam War. It took place during the 1972 North Vietnamese Spring Offensive, after most U.S. combat troops had departed South Vietnam. The battle, which lasted over two months, resulted in the virtual destruction of three North Vietnamese divisions and blocked a Communist attack on Saigon. The sustained intensity of combat during this battle had not been previously seen in the Vietnam War. Although this battle occurred after the high point of American involvement in Vietnam, when U.S. forces were in the process of withdrawing from that country, Americans played a key role in the action. South Vietnamese ground forces and their U.S. Army advisers, working in close cooperation with U.S. Army and Air Force air support, proved a combination capable of resisting defeat and seizing victory. Because the Battle of An Loc did not involve large numbers of American troops, little has been written

about the battle or American participation in it. Jim Willbanks' study focuses on the conduct of the battle and the role American combat advisers and U.S. air power played in defeating the North Vietnamese forces during the spring of 1972.
