Akiwali Journey Ansell Akiwali Walters,2019-05-31 Akiwali Journey, is my (Akiwali Walters) autobiography and is a record of my life's reality. My journey has been made embracing the values I hold dear, as well as the lessons of wisdom gained from the people and experiences that have impacted greatly on my life. Values, such as a strong family ethos, embedded by my parents, in me and my siblings, as well as the connections of our family relationship have been central throughout my journey. This autobiography is laced with the memories of events from the tender age of two, going through my infant school years through to primary. It records some interested events during the school years right up to attending my all-age-school where my school life was ended prematurely through unfortunate events outside of my control. It records my early years venture into the world of entrepreneurship, my apprenticeship into the world of horse racing, my sporting endeavours, my career as a fine artist and business owner. These last two activities that being central to my life's endeavours over the years. As a full fledge professional Fine Artist, I was afforded the opportunity to travel the globe and to get to share my skill

alongside other Fine Artists from the famous Trafalgar Artist Group in Jamaica. This book relates many events from my reality. I have been involved in many event enterprises from the West to the African Continent. I am fortunate to be able to feature some amazing and solid Jamaican Fine Artists who have been such a bright light on my journey and who have given me abundant support along the way. Amazing human beings like my apprentice master, 'Sir' Robert Bryan. This book also shines the spotlight on my sporting exploits in the realm of basketball and swimming and my connection with Aqua Youths Sports Club. Of course, I cannot overstate the importance of my wife and children to my journey. They have been a source of strong support and encouragement, not to mention a tremendous motivation for me to do the things I do. This book allowed me to revisit some inspiring moments in my existence. I have been blessed to have met some interesting human beings over my journey. I celebrate the fact that I have been able to display my merchandise and art work at five Summer Olympics, one Winter Olympics game, one Football World Cup Final involving Jamaica's 'Reggae Boys'. Also, I have exhibited my works of art in many parts of the world, alongside the Trafalgar members. Above all, this book honours the importance of family values, self-determination, inspiration, self-belief and collaboration with one another. It is essential to work alongside each other for should you fall, others are there to pick you up. But when you rise, you rise together.

New York Magazine, 1974-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Sport in the USSR Mike O'Mahony, 2006-06-15 Sports played a vital role in the social and cultural life of the former Soviet Union. The Soviet state sponsored countless programs to promote sporting activities, even constructing a new term, fizkultura, to describe sports culture. With *Sport in the USSR*, Mike O'Mahony asserts that the popular image of fizkultura was as dependent on its presentation as it was on its actual practice. Images of vigorous Soviet sportsmen and women were constantly evoked in literature, film, and folk songs; they frequently appeared on the badges and medals of various work associations and even on plates and teapots. Several major artists, in fact, made their careers out of vivid representations of sports. O'Mahony further examines the role that fizkultura played in the formulation of the novyi chelovek, or Soviet New Person, arguing that these images of the sporting life not only promoted the existence of this national being but also articulated the process of transformation that could bring him or her into existence. Fizkultura, O'Mahony claims, became a civic duty alongside state labor drives and military service. *Sport in the USSR* is a fascinating addition to current debates in the fields of sociology, popular culture, and Russian history.

XXVI Olympiad Carl Posey, 2015-11-18 XXVI Olympiad, the twenty-fourth volume in The Olympic Century series, begins with the celebration of the centenary of the modern Olympic movement at the 1996 Atlanta Summer Games. Atlanta played host to a then-record 197 nations, many of which did not exist when the modern Olympics began in

1896. The Atlanta Games were an Olympics of firsts: they were the first Summer Games since 1920 that were not celebrated in the same year as the Winter Games, and 14 nations would win their first-ever Olympic medal in Atlanta. The book profiles heroes of the Games like sprinter Deon Hemming, who won the first ever gold medal for Jamaica, and the US women's soccer team, which claimed gold in the first Olympic tournament for women in that sport. Other athletes profiled include Canadian sprinter Donovan Bailey, who won the dramatic 100-metre final in a world record time of 9.84 seconds, then went on to add another gold in the 4x100 relay. The book also recounts the tragic bombing of Centennial Olympic Park in downtown Atlanta during the Games that killed two people and injured 111 others. Following Atlanta, the book explores the 1998 Winter Games of Nagano, Japan. It profiles stars like 15-year-old American figure skater Tara Lipinski, who became the youngest ever Winter Olympic champion in an individual event, and Norwegian cross-country skier Bjorn Daehlie, who won three golds to take his personal total to eight from three Games. Juan Antonio Samaranch, former President of the International Olympic Committee, called *The Olympic Century*, e;The most comprehensive history of the Olympic games ever publishede;.

Football Entrepreneurship Vanessa Ratten, 2022-12-08 Football is the world's most popular sport and is entrepreneurial by nature. There is a constant need for entities and individuals involved with football to act or behave in an entrepreneurial way. Competition is part of the football industry and emphasises the need to compete but also collaborate through entrepreneurial endeavours. This book is amongst the first to focus specifically on football entrepreneurship and the entrepreneurial nature of football. The book looks at entrepreneurship and how it can occur through direct and indirect engagement with football in a variety of contexts. It examines different types of football including gridiron, rugby and soccer and offers insights on the international aspects of football and how cultural aspects influence entrepreneurship. This book provides a holistic understanding of how football can include innovation, risk-taking and proactive activity and will be useful for those interested to learn more of the football industry and entrepreneurship in the global context.
