Aries and Libra Kayt Miller,2021-10-24 Lou My life is great. Perfect really. I mean, I'm thirty-two and I live with my dad... All right, let me say this a different way. I have the best job in the world. I get to painstakingly renovate old houses-diamonds in the rough-until they're polished gems. What woman can say that? I work alone most of the time and I like it that way. Okay, maybe I wish I could find someone nice to work alongside me, a partner in life, or better yet, someone tall, dark, and sexy, like the guy who waltzes into my latest project uninvited. Sadly for him, he ends up with wood stain all over his face and shirt. What? He startled me. Chase I can't resist stopping into the huge old Queen Ann house in the town off the highway. I heard someone inside singing badly at the top of their lungs so I knocked. What? I did. The door was jar so I went inside. That's when I saw her, from behind, her hands in the air singing like her life depends on it. I couldn't help myself. I had to meet her. She turns out to be a surprise. A beauty wrapped in flannel and a tool belt. She's nothing like the women I've met or even dated before with her affinity to early-bird dining and meatloaf covered in mashed potatoes. No, she's nothing like the women I've known. And I'm okay with that. It's too bad I'm only in town for a few days. I could get used to Lou Hamlin.

First Zodiac Triangle Aditya Kumar Daga,2019-09-10 This Book is based on The First Golden Triangle in Astrology: It has been proved and accepted in what ever manner that the First Triangle of the Horoscope is the most vibrant, most deciding, most workable and most analyzing triangle in the community of Astrologers around the world. The First House, The Fifth House and the Ninth House- These three houses not only dominate the horoscope but dominate the whole life of the subject. Even it has been evaluated that the Past Birth and the Next birth could be clearly judged and predicted by the 9th and 5th Houses or alternatively by the 5th House and 9th House. It has been researched for long periods in the past consistently that the First triangle only shape and structure the person's life whether present or past or Future. Similarly the First Triangle shape and structure the present, past and Future in the present life also . So the three house has been accepted as the benefic houses in all respect almost by the all astrologers in all religions and the countries. Because it even has power if strong and their lords placed in proper and good houses to suppress and eliminate the bad effects and impacts of the other houses and their lords. I have tried my best to present some new and some popular concepts of these houses in a compact manner. Since the First Zodiac triangle has three Fiery signs - Aries, Leo and Sagittarius so people belong to these three signs has almost similar habits, attitudes, diseases, life path and many other traits. So in last section I have elaborated the ARIES only to avoid many repetitions . I hope beginners, professional and consultants continue to work on other two zodiac signs of this Triangle -Leo & Sagittarius to develop their practice on the basis of my readings. My intention is to provide the readers a very comprehensive guide . Even after putting my sincere efforts in this regard if readers feel unsatisfied they are hereby requested to note & mention me lapses which might be there inadvertently. This is exactly not a Book but a research paper compiled in the form of of a Book based upon my many years of practical experience in this field preparing and reading Horoscopes as per true natal charts as well as charts based on Sun Signs as per Vedic and other beliefs. I have tried to mention here the most common and popular view of the great Astrologers. Though I myself find lot of anomalies and contradictions in this theory. But sometimes I find consistency and exactness of the vedic texts. A person can enlighten himself just by going through it once. A must Read Book For all Novice, Beginners & Professionals. Certain Complex Questions start revolving around you when you get shock from destiny without any of your fault and then you start realizing that there is some super power, some environmental string or something which you are unable to recognize which is controlling your day today life or life on occasions or intermittently and that something may be your Destiny or may be your negative energy or may be so called Lord or God or some super natural power but till you start realizing it there get much delay and you loss many a thing. First Wave Justin Herzog, 2017-07-13 When it comes to the world of the supernatural, the citizens of Hawaii are luckier than most. The year-round sunshine keeps the vampires at bay and the lack of wild game ensures no werewolves overstay their welcome. But every culture has its demons, and on the island of Oahu, it falls to Marcus Aries, a martial arts instructor with the ability to harness his inner spirit, to keep them in check. When a five-year old child with ties to the Hawaiian drug cartel goes missing, Marcus sets out to bring him home. Unfortunately, not everyone wants the child to be found, and the line between ally and enemy grows blurry as warring factions collide. Caught in the middle, Marcus finds himself fighting against insurmountable odds, with an innocent life, as well as the future of the entire island, hanging in the balance.

The Zodiac Queen Gemma James, 2021 Twelve men, a virgin queen, one arranged marriage...
