The Search John M. Jefferson, 2020-12-08 For over 900 years after The Disaster, the poorly understood event that almost destroyed civilization, the island of Gista has had no outside contact. Many believe Gista and the Great Ocean are the whole of the world of Neptu. But fueled by the visions of Kaiah, a prophetess, and spurred on by Cat, a mysterious creature, who appears only as a hologram, a great sailing ship, the Simdar, sets off in search of other lands and peoples. With each landfall the group learns more about their remote past as they are drawn into violent conflicts and face unimaginable dangers. Gista, however, is split between two nations, with an uneasy peace that can't last forever. While Simdar and her crew are making astonishing discoveries on their quest,

they come to learn that war has erupted at home and they are pawns in a complex contest that will determine the fate of the entire human race. With meticulous world building, fascinating mythologies, compelling characters, and imaginative, high-stakes action, *The Search* weaves fantasy and science-fiction together in a gripping, forward-moving plot that will captivate fans of both genres.

Strange Adventures Among the Post-Dead Charles Shulman,Carl James Anderson,2022-06-15 *Strange Adventures Among the Post-Dead* By: Charles Shulman and Carl James Anderson Life after death is not what you think. It's not what Tom thought it would be, either. As a ghost, Tom soon realizes the post-dead world is far less organized than religion and literature would have us think. Witty and gripping, this is a story about life after death and a climactic clash between gods who have different outlooks on the multiverse. In today's polarized society, the book takes a much broader view of what is acceptable behavior, encouraging tolerance where it might have been lacking before.
