The Coptic version of the New Testament in the Southern dialect: The Catholic Epistles and the Apocalypse George William Horner,George Horner,1924

Conqueror's Kiss Hannah Howell,2015-11-01 There is little hope for sanctuary in the midst of the tumultuous Scottish border wars, yet one woman may find safe refuge... in the arms of her sworn enemy... Jennet Graeme has witnessed terrible tragedy during the many years of strife between the Scots and the English. As Scottish invaders plunder her convent sanctuary, she defiantly resists the blond warrior who claims her as his prize. But his brute strength is overpowering and Jennet is forced to ride with him through the lawless lands, tending to the wounded, protected and desired by a man she wants to hate... but cannot... Sir Hacon Gillard is moved by Jennet's compassion and mercy. As a loyal knight, he's pledged fealty to his king's command, even as he loses his heart to this remarkable woman. Merciless in combat... yet there burns within him a spark for something far beyond the heat of battle...

The Conqueror's Wife Stephanie Thornton,2015-12-01 A novel from the acclaimed author of *The Tiger Queens*, for readers looking for “strong and determined female protagonists” (Historical Novel Society) and “a sprawling historical saga” (Renee Rosen)... We are the women who loved Alexander the Great. We were lovers and murderers, innocents and soldiers. And without us, Alexander would have been only a man. Instead he was a god. 330s, B.C.E., Greece: Alexander, a handsome young warrior of Macedon, begins his quest to conquer the ancient world. But he cannot ascend to power, and keep it, without the women who help to shape his destiny. His spirited younger half-sister, Thessalonike, yearns to join her brother and see the world. Instead, it is Alexander's boyhood companion who rides with him into war while Thessalonike remains behind. Far away, crafty princess Drypetis will not stand idly by as Alexander topples her father from Persia's throne. And after Alexander conquers her tiny kingdom, Roxana, the beautiful and cunning daughter of a minor noble, wins Alexander’s heart...and will commit any crime to secure her place at his side. Within a few short years, Alexander controls an empire more vast than the civilized world has ever known. But his victories are tarnished by losses on the battlefield and treachery among his inner circle. And long after Alexander is gone, the women who are his champions, wives, and enemies will fight to claim his legacy... CONVERSATION GUIDE INCLUDED

Conqueror Georgette Heyer,2008-09-01 The true story of the bastard son who made himself a king and the woman who melted his heart. The stirring history of William the Conqueror, Duke of Normandy, who invaded England and became the King. His victory, concluded at the Battle of Hastings in 1066, is known as the Norman Conquest. Known for her exhaustive research and ability to bring past eras to life, bestselling author Georgette Heyer tells the story of William the Conqueror, who became King of England in 1066, and his queen Matilda, the high-born noblewoman who at first scornfully spurned him. William was an illegitimate child of a nobleman, who won his dukedom through force of will, and went on to bring European feudalism to England, along with a program of building and fortification that included the building of the Tower of London. The historical novel includes Heyer's brilliant period language and her perfect grasp of the details of the day - clothing, armor, weapons, and food - making for a fascinating and blood-stirring read. Bonus reading group guide available inside. From the moment when the infant grasped his father's sword with a strength unusual in one so young, William showed himself a leader among men. The Conqueror grew out of an incredible amount of historical research into the way of life, the way of speech, the way of thought, and feeling, and praying in the Eleventh Century. Without sacrificing the flow of her plot, Miss Heyer conveys an understanding of this period, more authentic as well as more colorful than many historical tomes. It is obvious in reading this novel that Georgette Heyer is indeed a mistress of her craft. - Best Sellers Perfect craftsmanship. - The New York Times Book Review Georgette Heyer achieves what the rest of us only aspire to. - Katie Fforde My favourite historical novelist. - Margaret Drabble

The Conqueror's Shadow Ari Marmell,2017-01-16 It is a curse to be haunted by the past. It is worse to be hunted by it... In the realm of Imphallion, there once was a nightmare—a living nightmare known only as the Terror of the East. Nigh invulnerable in his magical black armor and aided by unholy minions, he laid waste to all in his path on his all-consuming quest to bring order to the land. His order. Then, at what should have been his moment of triumph, his will failed. And his army fell. Taking a young noblewoman as hostage, he escaped, vanishing into darkest memory. Years later, Corvis Rebaine is a simple man, content with his loving wife and children. The terrible deeds and glories of his past life are dead and buried along with his former name and its monstrous legacy—until his daughter is taken by fiends under a maniacal young warlord looking to complete the Terror’s conquest. Now, spurred to action by a newborn fury and thirst for vengeance, Rebaine must do the unthinkable—don the dark armor once again, gather his once-loyal cadre of killers, and fight to save both the family he loves and the country he once almost destroyed. And all who stand in his way will have one final thought before death... The Terror has returned. “Action-packed...an intriguingly twisty plot, full of magic and political intrigue.”—Booklist “Superior storytelling and deft dialog make this a top-notch choice . . . filled with dark humor as well as scenes of brutal battle and high magic.”—Library Journal “A powerful fantasy, with well drawn heroes and delightfully wicked, yet complicated, villains. Ari Marmell has made his mark in the genre.”—Paul S. Kemp, author of the Erevis Cale trilogy “A tale that begins where most stories end and features a most unlikely protagonist. Twists of humor leaven this story of desperate people in dangerous times, as a conqueror discovers that perhaps those who live by the sword are sometimes doomed to face the business end of one. A great mix of character and action.”—Robin Hobb, author of Dragon Keeper The text of this edition is unchanged from that of the Del Rey edition.

Marah Chase and the Conqueror's Tomb Jay Stringer,2019-07-02 Once a rising star in the field of archaeology, Marah Chase is now a black-market treasure hunter. But when she’s caught “rescuing” relics in Syria, an MI6 officer named Joanna Mason approaches her with an offer she can’t refuse: help save the world or rot in prison. All Chase has to do is find Alexander the Great’s lost tomb to recover an ancient weapon of mass destruction and destroy it before any number of adversaries can get it.Chase can’t resist a challenge—or the British spy recruiting her. There’s just one problem. If Chase has any hope of unearthing Alexander’s tomb before the forces hot on her heels do, she’ll need the help of the one person she’s been afraid to see since her fall from grace: Zoe Forrester, the heir to a hidden journal that holds the key—and Chase’s ex-girlfriend.A contemporary homage to the best adventure stories of literature, television, and film, *Marah Chase and the Conqueror’s Tomb* is an action-packed, globe-trotting quest, perfect for anyone who’s ever thought Indy really ought to be Jewish, female, and gay.

The Conqueror (Constantine’s Empire Book #1) Bryan Litfin,2020-10-13 It is AD 312. Rome teeters on the brink of war. Constantine's army is on the move. On the Rhine frontier, Brandulf Rex, a pagan Germanic barbarian, joins the Roman army as a spy and special forces operative. Down in Rome, Junia Flavia, the lovely and pious

daughter of a nominally Christian senator, finds herself embroiled in anti-Christian politics as she works on behalf of the church. As armies converge and forces beyond Rex's and Flavia's controls threaten to destroy everything they have worked for, these two people from different worlds will have to work together to bring down the evil Emperor Maxentius. But his villainous plans and devious henchmen are not easily overcome. Will the barbarian warrior and the senator's daughter live to see the Empire bow the knee to Christ? Or will their part in the story of Constantine's rise meet an untimely and brutal end? Travel back to one of the most pivotal eras in history--a time when devotion to the pagan gods was fading and the Roman Empire was being conquered by the sign of the cross.
