William Cullen Bryant

The Sword of Armageddon Temple Mathews, 2012-11-06 Things have never been darker for 16-year-old Will Hunter. The girl he loves has been taken from him, he's been betrayed by his newfound half-sister, and he has only hours to find a cure to the poison coursing through his veins. He's in no shape to stop the Dark Lord from finding and using the Sword of Armageddon—but if he can't, he's not the only one who will die. The third book in the New Kid series takes Will and friends from a demon-infested island in the Puget Sound to the top of the Seattle Space Needle, where Will's struggle against the Dark Lord ends in a confrontation that will determine the fate of all mankind.

*The Armageddon* Tage N. Wright, 2000-05 Introduction Our story takes place in the present day, yet it really began a thousand years before the birth of Christ. It was then that the sword was forged and its blade tempered in blood. It was then that The Brotherhood of the Sword found its birth. Buried in a dead city, surrounded by a fortune in treasure the sword awaited its next owner. In 1868, nearly three thousand years after its birth, the wait was over. Another took up the sword and again evil began to grow. For one hundred and twenty-five years the Brotherhood of the Sword grew secretly in power and strength. Using the fortunes massed by the people of the dead city they built a secret society of power and wealth. A society so entwined with the world around it as to be almost invisible. Only the coming of the proper

time stood between the Brotherhood and their plans for world domination. As the crucial moment approaches and the Festival of Eternal Power begin, the world unknowingly lies on the brink of an evil never before known. The ceremony of blood will open a new and terrifying dispensation of evil. The Brotherhood led by its prophet and High Priest Sam Clayton moves on an international scale. With weapons of mass destruction at their call Clayton and his followers stand ready to cut out the very heart of the world they want to control. Only a chosen few led by Craig Mason a tough ex-marine chosen by a dead man to carry on his fight stand against the evil of the Brotherhood. Join the life and death struggle in the battle against the Brotherhood and the evil that surrounds the Brotherhood of the Sword. Join in the battle to stop The Armageddon.

**ARMAGEDDON'S ONLY WEAPON IS THE SWORD OF TRUTH** Sandy Miller, 2021-06-28 When I decided to teach Revelation, I had to understand Armageddon. I realized Christ's weapon was the sword of truth carried in his mouth and that his white robe was stained with blood from his own self-sacrifice. Seeing Christ's army dressed in spotless, fine white linen, I understood Christ's army doesn't have bloody victims. Their uniforms are spotless white. My Conclusion is that the Battle of Armageddon is a different kind of war, a war fought daily by Christ and his army of truth bearers sharing the goodness of God with people everywhere. How long is it going to take for the sword of truth to change collective thought? We don't know, but fortunately the book of

Revelation will be around to point the way to New Jerusalem

**The Sword of Forbearance** Paul O. Williams, 2006-04-10 After more than a millennium of conflict, the warring tribes that survived the apocalyptic destruction of the United States have united to form the Heart River Federation, but three rogue cities, led by Innanigani forces, threaten to unleash another war in their quest for land, power, and wealth, in the epic conclusion of the classic Pelbar series. Reprint.

**Spirit Sword** J. Nicholus Hill, 2009-01 Luos was once a peaceful world. That is until a being, known as the Prince, attacked it. The people prayed to the Creator and he sent them a weapon. This weapon was the Spirit Sword. A young man wielded this weapon as the Creatoras Champion. He defeated the Prince, and peace returned to Luos. Now, a hundred years later, the Prince is back, and another must take the Championas place. The Sword will be wielded once more, and, once more, hope will come. This is the beginning of the second battle for Luos.

*The Swords of Armageddon* Chuck Hansen, 2007 Includes technical glossary, descriptions of weapons physics; postwar technological innovations in fission weapons design; a history of American thermonuclear weaponry; individual warhead histories; a history and description of warhead arming and fuzing techniques and equipment, plus three detailed appendices summarizing the objectives and results of U.S. nuclear tests between 1945 and 1962; warhead specifications, and typical nuclear weapons accidents between 1950 and 1986.

Also includes issues 1-6 of the newsletter: The cutting edge.

*Operation Armageddon* Tage N. Wright, Sr., 2013-11-29 *Operation Armageddon* is the first installment in the "Brotherhood of the Sword" trilogy. It begins the story of "The Brotherhood". The evil swells from before the birth of Christ to present day in this first installment. Throughout the ages there have been men and women possessing hearts of pure evil. Adolf Hitler, Charles Manson, Jim Jones, Joseph Stalin, Belle Gunness, Irma Grese and Elizabeth Bathory are just a few that hold that place in history. Although the characters in this novel are fictitious the evil that they represent is real. When I first started to write what has now grown into "The Brotherhood of the Sword Trilogy" my goal was to write a simple mystery. During that process the characters began to take control of the story and out came this soon to be complete trilogy about true evil. I hope that you will enjoy the story laid out before you. It is the timeless struggle of good verses evil. I truly believe that in the end good will always triumph over the will of the adversary. If you don't know who the adversary is or you choose to deny his existence you will be hard pressed to defend yourself against his assault. Between the pages of these three books you will learn who he is and what he wants. This story is fiction, but his goal is fact. In Franklin Roosevelt's first inaugural address he said "the only thing we have to fear is fear itself". In the case of The Brotherhood he was wrong, dead wrong. I would put the emphasis on "dead".

**Facing Armageddon** Hugh Cecil, Peter Liddle, 2003-04-01 Facing Armageddon is the first scholarly work on the 1914-18 War to explore, on a world-wide basis, the real nature of the participants experience. Sixty-four scholars from all over the globe deliver the fruits of recent research in what civilians and servicemen passed through, in the air, on the sea and on land.

**The Swords of Armageddon** , 1995

**Armageddon's Children** Terry Brooks, 2006 Fifty years from now, the world is a very different place. Thousands live in highly fortified strongholds, and demons have taken over. The Knights of the Word are on a quest to rescue a group of young people who hold the hope of the world.

Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library. The author is quick to admit that Revelation has many strange images and perplexing elements. However, he is just as quick to stress that these images and elements are not the focus. The Apostle John, in writing this apocalyptic volume, centers the attention on Jesus Christ, the only hope for those who have accepted Him as Lord and Savior, as well as those who still need to. Many people know Revelation for its striking, confusing symbolism. Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible. Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the

Old Testament, especially the book of Daniel, as the foundation for decoding Revelation's "mysteries." As Bible prophecy continues to unfold, and this world continues to unravel like a cheap sweater, the frustration and turmoil that ensues will dissipate by the encouraging tone of this book. Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb/King around whom its messages revolve.

Sword of Shamballa Barbara Domalske, 2006-02 Susie Jackson Batty found herself keeping a daily diary when she had to deal with breast cancer and reconstruction. Once she had started she found it very therapeutic to offload her thoughts and feelings, and hopes and fears into The Diary. As time went on and she recorded all the changes that were taking place in her life, she wondered if The Diary could be of help and a comfort to others touched by the illness, and so she continued to keep it until the right time came for her to stop. It is a very uplifting story told with great honesty, many tears and lots of humour, and will fascinate anyone who reads it.

**A New Library of Poetry and Song** William Cullen Bryant, 1925

The Library of Poetry and Song William Cullen Bryant, 1925 A comprehensive exhibit of poetic literature -- Preface. A collection of English and American poetry on topics such as nature and childhood.

**Armageddon Bound** Tim Marquitz, 2009-09 Half-devil and miles from anything resembling heroic, perpetual underdog Frank Trigg altheron Trigg is the last man standing against Armageddon. As the favorite nephew of the Devil, Frank

has led a troubled life, but he'd always had his uncle's influence to fall back on. Now, with God and Lucifer coming to terms and leaving existence to fend for itself, his once exalted status of Anti-Christ-to-be does little to endear him to the hordes of angels and demons running amok in the Godless world. With help from the members of DRAC, an organization of wizards, psychics, telepaths, and low-end supernatural beings, Frank must thwart the pro-Armedgeddon forces and rescue an angel in whose life rests the fate of humanity. Better luck next time, humanity.

**The Rainbow Covenant** Richard Hoffman, 2020-06-18 All of God's physical Creation reflects a higher spiritual Reality. In that Creation, light is synonymous with Truth or God; who is the source of Truth. It should surprise no one that when you unwrap light to find the Rainbow, the Rainbow gives a detailed account of what God is all about. He is about loving and saving mankind by wooing them into the Rainbow Covenant of Marriage. From the red blood sacrifice of the Gospel Truth of Jesus, to the purple royalty of the Holy Spirit; God's constant and repeated message is that there is only one way to attain the purple royalty that is God's. That way is through faith in the red blood sacrifice of Jesus as the propitiation for our sins. He is the only gate or door into the Rainbow Covenant. We are all spiritual Cinderella's, enslaved to the 3 evil stepsisters of the world, the flesh and the Devil. But the Prince can raise us up out of the ashes and into the beauty of a royal mansion. There is another option, however. We can reject

God's suit and pursue a life of self-will. We know that marriage means the death of self-will. This book describes the Dark Path of Separation from God that is the shadow opposite of the Rainbow Covenant of Marriage. Cain was the first to tread this path to its bitter end; which for mankind in this Age of Engagement, is incontrovertible sentencing or engagement to separation from God in the Lake of Fire. But it is God's will that all be saved. There's more than enough room in the lifeboat that I choose to call, The Rainbow Covenant.
