**GameAxis Unwired**, 2007-05 GameAxis Unwired is a magazine dedicated to bring you the latest news, previews, reviews and events around the world and close to you. Every month rain or shine, our team of dedicated editors (and hardcore gamers!) put themselves in the line of fire to bring you news, previews and other things you will want to know.

**The Armored Saint** Myke Cole, 2018-02-20 A tale of religious tyrants, arcane war-machines, and underground resistance that will enthrall epic fantasy readers of all ages. After witnessing a horrendous slaughter, young Heloise opposes the Order, and risks bringing their wrath down on herself, her family, and her village. She must confront the true risk that wizards pose to the world, and weigh the safety of her people against justice.

*ARMORED CORE VI FIRES OF RUBICON BRIEFING DOCUMENT*

**Game Wizards** Jon Peterson, 2021-10-12 The story of the arcane table-top game that became a pop culture phenomenon and the long-running legal battle waged by its cocreators. When Dungeons & Dragons was first released to a small hobby community, it hardly seemed destined for mainstream success--and yet this arcane tabletop role-playing game became an unlikely pop culture phenomenon. In *Game Wizards*, Jon Peterson chronicles the rise of Dungeons & Dragons from hobbyist pastime to mass market sensation, from the initial collaboration to the later feud of its creators, Gary Gygax and Dave Arneson. As the game's fiftieth anniversary approaches, Peterson--a noted authority on role-playing games--explains how D&D and its creators navigated their successes, setbacks, and controversies. Peterson describes Gygax and Arneson's first meeting and their work toward the 1974 release of the game; the founding of TSR and its growth as a company; and Arneson's acrimonious departure and subsequent challenges to TSR. He recounts the Satanic Panic accusations that D&D was sacrilegious and dangerous, and how they made the game famous. And he chronicles TSR's reckless expansion and near-fatal corporate infighting, which culminated with the company in debt and overextended and the end of Gygax's losing battle to retain control over TSR and D&D. With *Game Wizards*, Peterson restores historical particulars long obscured by competing narratives spun by the one-time partners. That record amply demonstrates how the turbulent experience of creating something as momentous as Dungeons & Dragons can make people remember things a bit differently from the way they actually happened.

Thought-Provoking Play: Political Philosophies in Science Fictional Videogame Spaces from Japan Martin Roth, 2018-01-05 This book considers videogames as spaces of political philosophy. Emerging from a negotiation between designers, player and computer, they prompt us to rethink life in common and imagine alternatives to the status quo. Several case studies on science fictional videogames from Japan serve to demonstrate this potential for thought-provoking play.

The armored units of the Royal Army and the Armistice - Vol. 2 Paolo Crippa, 2021-05-14 The Armistice of 8 September 1943 caught the Italian armored units, both Tank units and Cavalry, scattered not only on the national territory, but also abroad. Similar to what had happened to all the Armed Forces, not even they were immune to the storm that had been unleashed and even from these units the reactions to Badoglio's tragic announcement were the most disparate. Through an accurate analysis, in the pages of this book we will analyze how the armored units behaved in those tragic moments, in a synthesis that until now has never been proposed. The units that opposed the attacks brought by the Germans, although in need of armaments, fought for reasons of desperation, in a war that was now lost, and for a touch of military pride. For this reason it is necessary to retrace the events of those days, in order to pay homage to the fallen and to all those who did their duty to the end. The second volume recounts the events that took place in Rome, after the cessation of hostilities, the heroic episodes of Resistance which occurred in Piombino, Parma, Piacenza and Sardinia, without forgetting what happened to the armored units outside the national borders. The text concludes with the discussion of the (failed) attempts to reconstitute armored units with the co-belligerent Royal Army and the contribution made by the Tankers to the liberation struggle.

**Armored Cav** Tom Clancy,1994-11-01 A penetrating look inside an armored cavalry regiment -- the technology, the strategies, and the people . . . profiled by Tom Clancy. His first non-fiction book, Submarine, captured the reality of life aboard a nuclear warship. Now, the #1 bestselling author of Clear and Present Danger and Without Remorse portrays today's military as only army personnel can know it. With the same compelling, you-are-there immediacy of his acclaimed fiction, Tom Clancy provides detailed descriptions of tanks, helicopters, artillery, and more -- the brilliant technology behind the U. S. Army. He captures military life -- from the drama of combat to the daily routine -- with total accuracy, and reveals the roles and missions that have in recent years distinguished our fighting forces. Armored Cav includes: Descriptions of the M1A2 Main Battle Tank, the AH-64A Apache Attack Helicopter, and more An interview with General Frederick Franks Strategies behind the Desert Storm account Exclusive photograph, illustrations and diagrams PLUS: From West Point cadet to Desert Storm commander . . . an interview with a combat cavalry officer on the rise.

Table of Contents Armored Core

1. Understanding the eBook Armored Core <ul style="list-style-type: none"><li>◦ The Rise of Digital Reading Armored Core</li><li>◦ Advantages of eBooks Over Traditional Books</li></ul>	◦ Benefits of a Digital Library	of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Armored Core books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Armored Core books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Armored Core books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient
