U. S. Army Armored Division 1943-1945 Yves J. Bellanger,2010-06-01 The author presents an extremely detailed record of the organization, doctrine, and equipment of the Armored Division of September 1943. He examines each unit of the division. A chapter is dedicated to the Tank Battalion, Armored Infantry Battalion, but also Maintenance and Medical Battalions. The author examines the organization and tactical doctrine of each unit and studies the doctrine of employment of the unit, as well as the duties of key personnel. Each sub-unit is presented by lists of personnel, weapons, vehicles, and equipment. The book includes 146 charts depicting the organization of all units. In each chapter, a special paragraph examines the modifications made in the field by armored division's units, as found in unit reports, and histories, and veterans recollections. This is an essential reference for re-enactors, modellers, wargamers, researchers, and all those who require a detailed guide to the U.S. Armored Division during WWII.

The U. S. Military's Force Structure: A Primer Congress, Congressional Budget Office (U.S.),2016-08-16 A Detailed Military Spending Cost Analysis by the CBO to Better Inform Policymakers and the Public In this report, the Congressional Budget Office (CBO) analyzes the structure and cost of the military from the perspective of major combat units, such as Army brigades, Navy aircraft carrier strike groups, Marine Corps task forces, and Air Force squadrons. CBO allocates most of the O&S budget and DoD's total number of military personnel among major combat units-- and their associated support units and overhead activities--to provide a clearer picture of the size and cost of the major elements of the military's force structure. Such information can help policymakers evaluate proposals to change the structure or budget of the armed forces and better inform the general public. Tables and Figures, including illustrations of equipment, personnel and other data are included to provide an easy method to understand this topic. Related products: .Other reports produced by the U.S. Congressional Budget Office (CBO) can be found here: <https://bookstore.gpo.gov/agency/237> Paid to Perform: Aligning Total Military Compensation With Talent Management can be found here: <https://bookstore.gpo.gov/products/sku/008-000-01160-5> A Hard Look at Hard Power: Assessing the Defense Capabilities of Key U.S. Allies and Security Partners can be purchased here: <https://bookstore.gpo.gov/products/sku/008-000-01158-3> Gold, Blood, and Power: Finance and War Through the Ages is available for purchase here: <https://bookstore.gpo.gov/products/sku/008-000-01157-5> Do Fewer Resources Mean Less Influence?: A Comparative Historical Case Study of Military Influence in a Time of Austerity can be found here: <https://bookstore.gpo.gov/products/sku/008-000-01101-0>
