Charley Weaver's Letters from Mamma Cliff Arquette, 2018-02-27 From coast to coast more people are keeping their television sets on much later, more nights because of Cliff Arquette. A regular on NBC's "Jack Paar Show" Cliff's meteoric rise to fame among late evening watchers is the result of his portrayal of a likable old codger Charley Weaver, who hails from Mount Idy, and who reads side-splitting letters from his "Mamma." These letters are a complete report on the doin's in the old home town. Through the magic of television, and now the pages of this book, Charley's "Mamma" has made real people out of Birdie Rodd, Grandpa Ogg, Elsie Krack, Dr. Beemish and all the others. Real people and normal people. Normal except that the darndest things happen to them! As Jack Paar says, "Charley Weaver is a witch. He knows more about comedy than anyone alive, which he isn't....Old Charley not only gets laughs on a Monday night but he gets them all during Lent...even when we are playing to a convention of Martian undertakers who have just heard bad news. That's witchcraft!" This book proves Jack Paar's point.

Simply Amazing K.C. Armstrong, 2019-05-15 Simply Amazing Special Authors

Edition, first in author K. C. Armstrong's Simply Amazing series, is a collection of uplifting stories of overcoming life's greatest challenges. K. C. Armstrong begins the book with the heart-wrenching story of his own tormented years after leaving the Howard Stern Show and his transformation to a life of hope and service to others. With this explanation of his own personal redemption, he then shares twelve favorite interviews from his WMAP radio station of people who have also overcome tremendous challenges to find their true life callings. (www.wmapradio.com) Armstrong's first interview is with a 92 year old Holocaust survivor who recounts his days in Auschwitz with details of daily struggles to stay alive, including running as a test of strength for Dr. Mengele and watching the smoke arise from the deadly chimneys. We hear from the mother of a special-needs child who must navigate a complicated system to help her son. A young man from the ghetto watches a man shot in the street and die on a neighbor's porch. A stage four breast cancer survivor who had been given a death sentence by her doctors travels to another country for alternative treatment. All of the people interviewed in this book tell amazing stories of courage, dignity and perseverance, and all inspire us with the resiliency and forgiveness of the human spirit. Life, for all of us, brings hardships. What separates us is how we use them to collapse- or to grow. The final message is upbeat and inspiring. We cheer for each of these everyday heroes and turn the last page with a renewed outlook of gratitude, love and self-assurance.

Phyllis Katherine Arquette was a petite woman who wrote and placed the following saying on her refrigerator, Keep moving Phyllis, always keep moving. This is the story of a woman who symbolizes all the unsung mothers of the world and a portrayal of an American family living in Detroit, Michigan, during a tumultuous time in history-all based on the real-life experiences of Phyllis Katherine Arquette. In the summer of 1928 on a beach on Belle Isle outside of Detroit, football player Bill O'Slattery and a little girl with blonde curls meet and change their destinies forever after she yells at him while standing in the line for the last ferry back to Detroit, Hey, buster, no cutting in line! Phyllis reveals an innocence that permeated American society during the 1930s despite bad economic times, the glory days of Detroit, and a remarkable woman whose legacy still lives on today.

WrestleCrap Randy Baer, R. D. Reynolds, 2010-12-16 WrestleCrap: The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George Ringo, the Wrestling Beatle, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D. Reynolds go beyond what wrestling fans

saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midget and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a gimmick which AWA fans might recall), WrestleCrap is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

Boyhood ,2014-11-01 In 2002, director Richard Linklater and a crew began filming the "Untitled 12-Year Project." He cast four actors (Patricia Arquette, Ethan Hawke, Ellar Coltrane, and Lorelei Linklater) in the role of a family and filmed them each year over the next dozen years. Supported by IFC Productions, Linklater, cast, and crew began the commitment of a lifetime that became the film, *Boyhood*. Seen through the eyes of a young boy in Texas, *Boyhood* unfolds as the characters—and actors—age and evolve, the boy growing from a soft-faced child into a young man on the brink of his adult life, finding himself as an artist. Photographer Matt Lankes captured the progression of the film and the actors through the lens of a 4x5 camera, creating a series of arresting portraits and behind-the-scenes photographs. His work documents Linklater's unprecedented narrative that used the real-life passage of years as a key element to the storytelling. Just as *Boyhood* the film calls forth memories of childhood and lures one into a place of self-reflection, *Boyhood: Twelve Years on Film* presents an honest collection of faces, placed side-by-side, that chronicles the passage of time as the camera connects with the cast and crew on an intimate level. Revealing, personal recollections by the actors and filmmakers accompany the

photographs.

Just Like Us Caitlin E. Lawson,2022-12-09 In Just Like Us: Digital Debates

on Feminism and Fame, Caitlin E. Lawson examines the rise of celebrity feminism, its intersections with digital culture, and its complicated relationships with race, sexuality, capitalism, and misogyny. Through in-depth analyses of debates across social media and news platforms, Lawson maps the processes by which celebrity culture, digital platforms, and feminism transform one another. As she analyzes celebrity-centered stories ranging from “The Fappening” and the digital attack on actress Leslie Jones to stars’ activism in response to #MeToo, Lawson demonstrates how celebrity culture functions as a hypervisible space in which networked publics confront white feminism, assert the value of productive anger in feminist politics, and seek remedies for women’s vulnerabilities in digital spaces and beyond. Just Like Us asserts that, together, celebrity culture and digital platforms form a crucial discursive arena where postfeminist logics are unsettled, opening up more public, collective modes of holding individuals and groups accountable for their actions.
