**Art as Adornment** Charles L. Russell,2015-12-28 Art as Adornment: The Life and Work of Arthur Smith is a splendid documentary writing about a prominent player in the Modernist Jewelry Movement. The trade name, "ArtSmith" came to resonate with fashion and theater types in New York and all over the country during the three decades following World War II. As a Black navigating the racial tensions of the period, Arthur Smith managed to rise above the fray and achieve extraordinary success in the development of designs for jewelry that were eminently wearable and for the wearer a decorative pizazz triumph. With over 150 illustrations, this book will take you on an awe inspiring journey starting with his parents' migratory trek from Jamaica through Cuba and ultimately to New York City, Arthur's education in the arts, and concluding with a detailed description of his jewelry styling and creativity.

**Reach** Arthur Smith,2023-06-06 One of the most daring, creative, and influential minds in nonfiction television, Arthur Smith draws on the most exciting moments of his pioneering career as a producer to show how far you can go when you reach for your dreams. Arthur Smith is famous for his innovation and audacity, and as the man behind some of the longest-running unscripted series in television history. His groundbreaking hit Hell's Kitchen forged the modern food competition reality genre, while his Emmy-nominated American Ninja Warrior has spawned a cultural movement, with Ninja-inspired gyms in every major American city. In Reach, Smith shares adventures, triumphs, and hard-won lessons from his astonishing career, beginning with his unprecedented ascension from the ranks of sports production to become the youngest-ever head of CBC Sports. Never one to rest on his laurels, Smith moved from Canada to the United States to produce a wide variety of entertainment programming with his mentor, television icon Dick Clark. Years later, he spearheaded an entirely new approach to sports television at FOX Sports Net, helping to grow the fledgling business into a true industry powerhouse. In 2000, Smith made the biggest reach of his career with the launch of A. Smith & Co. Productions, which has produced over two hundred television shows on more than fifty networks. Across genres, formats, and platforms, Smith and his A. Smith & Co. team have earned a reputation for original, emotional, buzz-worthy, and deeply personal storytelling. In these pages, Smith takes us behind-the-scenes of dozens of pivotal moments in sports and television history, ranging from the high-intensity control room at the Olympics to the development of The Titan Games with Dwyane ("The Rock") Johnson. We learn about a show that never was with Donald Trump, as well as a super-far-fetched idea that became the bizarre-classic genre-buster I Survived a Japanese Game Show. Through winning anecdotes involving a disparate cast of famous characters, including Marlon Brando, Gordon Ramsay, Magic Johnson, Little Richard, Wayne Gretzky, Simon Cowell, and Microsoft cofounder Paul Allen, Smith illustrates just how far you can go when you work hard, take risks, and reach for your dreams.

**Akbar the Great Mogul, 1542-1605** Vincent Arthur Smith,1917 Akbar the Great Mogul, 1542-1605 is a biography of Akbar I (reigned, 1556-1605), the third and greatest of the Mughal emperors of India. The author, Vincent Arthur Smith, was an Irish-born historian and antiquary who served in the Indian Civil Service before turning to full-time research and scholarship. After assuming the throne while still a youth, Akbar succeeded in consolidating and enlarging the Mughal Empire. He instituted reforms of the tax structure, the organization and control of the military, and the religious establishment and its relationship to the state. He was also a patron of culture and the arts, and he had a keen interest in religion and the possible sources of religious knowledge. The book traces Akbar's ancestry and early years; his accession to the throne and his regency under Bayram Khan; his many conquests, including Bihar, the Afghan kingdom of Bengal, Malwa, Gujarat, Kashmir, Sind, parts of Orissa, and parts of the Deccan Plateau; and his annexation of other territories through diplomacy, including Baluchistan and Kandahar. The book devotes considerable attention to Akbar's religious beliefs and interests. On several occasions Akbar requested that the Portuguese authorities in Goa send priests to his court to teach him about Christianity, and the book recounts the stories of the three Jesuit missions organized in response to these requests. By origin a Sunni Muslim, Akbar also sought to learn from Shi'ite scholars, Sufi mystics, and Hindus, Jains, and Parsis. The last four chapters of the book are not chronological but deal with the Akbar's personal characteristics, civil and military institutions in the empire, the social and economic conditions of the people, and literature and art. The book contains a detailed chronology of the life and reign of Akbar and an annotated bibliography. Also included are maps and illustrations. Maps of India in 1561 and India in 1605 show the extent of Akbar's conquests, and sketch maps illustrate his main military campaigns.

The sensational details of the alleged massacre in the British Legation on the 7th of July [1900] ... when followed by a knowledge of the principal facts, riveted the attention of all nations. The absolute novelty, the intense dramatic interest, the world-wide scope, and the far-reaching consequences of the events which have taken place in China combine to differentiate the Convulsion in that Empire from anything in history ... It is the design of the present work, while giving in considerable detail the events connected with the siege in Peking, to sketch the important outlines of the events to which that formed the climax ...--Preface, p. ix-x

**Objects: USA 2020** Glenn Adamson,2020-10-27 Objects: USA 2020 hails a new generation of artist-craftspeople by revisiting a groundbreaking event that redefined American art. In 1969, an exhibition opened at the Smithsonian Institution that redefined American art. Objects: USA united a cohort of artists inventing new approaches to art-making by way of craft media. Subsequently touring to twenty-two museums across the country, where it was viewed by over half a million Americans, and then to eleven cities in Europe, the exhibition canonized such artists as Anni Albers, Sheila Hicks, Wharton Esherick, Wendell Castle, and George Nakashima, and introduced others who would go on to achieve widespread art-world acclaim, including Dale Chihuly, Michele Oka Doner, J. B. Blunk, and Ron Nagle. Objects: USA 2020 revisits this revolutionary exhibition and its accompanying catalog--which has become a bible of sorts to curators, gallerists, dealers, craftspeople, and artists--by pairing fifty participants from the original exhibition with fifty contemporary artists representing the next generation of practitioners to use--and upend--the traditional methods and materials of craft to create new forms of art. Published to coincide with an exhibition of the same title at the renowned gallery R & Company, and featuring essays

by some of the foremost authorities on craft at the intersection of art, including Glenn Adamson, curator and former director of the Museum of Arts & Design; James Zemaitis, curator and former head of twentieth-century design at Sotheby's; and Lena Vigna, curator of exhibitions at the Racine Art Musuem; an interview with Paul J. Smith, the cocurator of Objects: USA; archival photographs of the original exhibition and important historical works; and lush full-color images of contemporary works, Objects: USA 2020 is an essential art historical reference that traces how craft was elevated to the status of museum-quality art, and sets its trajectory forward.
