Ema Hinata's lonely life takes a new and exciting turn when her single father Rintarou Hinata, a famous adventurer, falls in love and marries Miwa Asahina, an apparel maker. In order to give the newly-wed couple space, Ema starts living with her new step-brothers in a mansion called Sunrise Residence and for the first time, experiences being part of a lively and big family. She finally feels safe and content. This book contains step by step instructions of how to draw your favorite Anime Characters from Brothers Conflict in a picture book format. Art grids are used to help improve your work by breaking down intimidating imagery into more manageable portions. The grid basically divides the original image into smaller blocks so that you can more easily see what belongs where. This can help you create more natural, effortless artwork, and increase your understanding of shapes, composition and color. The grid method has been used by artists for centuries as a tool to creating correct proportions. In this book you will learn to draw following characters: Learn To Draw Asahina Azusa, Asahina Hikaru, Asahina Kaname, Asahina Masaomi, Asahina Natsume, Asahina Tsubaki, Asahina Wataru, Hinata Ema and Juli. All the steps in this book are visually depicted in a very detailed manner and are self explanatory. Hence there are no written instructions required. I hope

that you enjoy this book.

It should be a happy event, but just because they've reverted back to normal doesn't mean their brother-sister relationship can so easily return to the way it once was. Hikaru is adamant not to lose the momentum she's gained over the past few weeks, but Youta is torn about seeing Hikaru as anything other than his little sister. Now that she's back in her own body and not his, though, it's impossible for him not to notice how attractive the whole Hikaru really is...
