The Ashtray Joan Jones, Nicole Diver, Elizabeth Luna, Ashtray Publishing LLC, 2013-06-01 Set in present day Austin, Texas, The Ashtray follows the unique perspectives of young women in their twenties through three vignettes. In these self-destructive and trivial dramas, the authors ultimately illustrate pervading issues of modern society with raw wit and humor. The Ashtray features stories by Nicole Diver, Joan W. Jones, and Elizabeth Luna, with illustrations by Andrew Craft.

The Ashtray Errol Morris, 2018-05-16 Filmmaker Errol Morris offers his perspective on the world and his powerful belief in the necessity of truth. In 1972, philosopher of science Thomas Kuhn threw an ashtray at Errol Morris. This book is the result. At the time, Morris was a graduate student. Now we know him as one of the most celebrated and restlessly probing filmmakers of our time, the creator of such classics of documentary investigation as *The Thin Blue Line* and *The Fog of War*. Kuhn, meanwhile, was—and, posthumously, remains—a star in his field, the author of *The Structure of Scientific Revolutions*, a landmark book that has sold well over a million copies and introduced the concept of “paradigm shifts” to the larger culture. And Morris thought the idea was bunk. The Ashtray tells why—and in doing so, it makes a powerful case for Morris’s way of viewing the world, and the centrality to that view of a fundamental conception of the necessity of truth. “For me,” Morris writes, “truth is about the relationship between language and the world: a correspondence idea of truth.” He has no patience for philosophical systems that aim for internal coherence and disdain the world itself. Morris is after bigger game: he wants to establish as clearly as possible what we know and can say about the world, reality, history, our actions and interactions. It’s the fundamental desire that animates his filmmaking, whether he’s probing Robert McNamara about Vietnam or the oddball owner of a pet cemetery. Truth may be slippery, but that doesn’t mean we have to grease its path of escape through philosophical evasions. Rather, Morris argues powerfully, it is our duty to do everything we can to establish and support it. In a time when truth feels ever more embattled, under siege from political lies and virtual lives alike, *The Ashtray* is a bracing reminder of its value, delivered by a figure who has, over decades, uniquely earned our trust through his commitment to truth. No Morris fan should miss it.

Ashtray Heaven Jared Levine, 2018-09-13 Welcome to Ashtray Heaven, a place at once strange and familiar. Though spacious enough to encompass the full spectrum of human experience, Ashtray Heaven attempts to bridge the gap between dreams and reality, triumph and tragedy, laughter and heartache. It even has its own radio station. In his sophomore collection of poetry and prose, Jared Levine serves as both guide and fellow traveler, seeking to wring meaning from the mundane and shorten the path to enlightenment. Open up and take the first step.

Flavour Science Felix Frauendorfer, Monika Christlbauer, Irene Chetschik, Jean-Pierre Schaller, 2013-07-29 The aroma characteristics of aged smoke and its residue have not been characterized. In this study, "ashtray aroma" was analyzed using gas chromatography olfactometry (GC-O) combined with aroma extract dilution analysis (AEDA) of ashtray solvent extracts and static headspace analysis of ashtrays. A total of 33 odor-active regions were detected in the headspace and a total of 56 odor-active regions with flavor dilution (FD) factors ≥ 32 were detected in the solvent extract. In addition, the ashtray aroma was assessed descriptively by a trained volunteer panel.

Perl and the Sacred Ashtray: Perl's Script - Poltu, 2012-09-09 The Old Goat hits back...Two leading city gurus fight it out for the spiritual TV ratings in the Indian city of Bangalore. Things have reached such a bitter pass that Sri Sri (or is it Sri Sri Sri?) Bobby Shankar – the Art of Kidding chap – habitually refers to his rival as That Old Goat. That Old Goat, meanwhile – or Shy Baba to use his official name, he of the permanent bad hair day, calls his spiritual adversary Stupid ol' Bobby, boorishly eschewing all the Sris in the prefix. Bobby seems to

have the upper hand with his corny jokes and his Sacred Ash gimmick, until his deadly rival of the holy cloth comes up with the Sacred Ashtray. This naturally makes Bobby bite the lemon and take a jaundiced view. Enter Perl and Hari – the intrepid technologist-entrepreneur duo. Can they invent a sacred ashtray machine for Bobby to outdo that of Shy Baba? But they get more than they bargained for in this particular project. Their technological research soon lands them into a bubbling, frothing spiritual gumbo of food critic murderers, overweight German spies, kidnapping, extortion, sex scandals... can Perl and Hari extricate themselves from the holy soup with their sanity – and bank balance – intact? What leading book critics say about Sacred Ashtray: Telangana Herald: As far as we can make out, it's a book of some sort... Farm & Ag Review: A remarkably clear, concise exposition of the scientific rearing of goats. Belongs in the library of every diligent goat farmer. Daily BJ: The word Sex appears just once in over 300 pages, that too in conjunction with Babies. What kind of a novel is this? Good Grief, what do you care what book critics say, anyhow? It's pleasant, it's funny, and while it won't change your life forever, it's worth the price as mentioned on the sticker. Buy it, you won't regret it. Extract: Perl was already back, looking like a spray of dew-drenched sweet pea when Hari crawled into Ruby Storm. She was seated at a speakerphone, ready to open negotiations with Bobby. She waved him to a couch and pressed Dial. "Art of Kidding," said a soft feminine voice. "Which leg would you like pulled today? Press one for –" "I'm going to do the leg-pulling, kid," said Perl like ice cubes made audible. "Put me through to that rat Bobby." The receptionist had been trained well. She did not miss a beat. "Sri Sri – or on certain days Sri Sri Sri – Bobby Shankar does not take calls." "He'll take this one all right. Tell him it's about the ring." There was a suppressed gasp – the news had obviously gotten around the ashram. There were confused rattles, clicks and whispered conversations. Then Bobby came on the line. "Yes? Who is this?" "We have your ring." "What?" "You heard. – If you want to see your darling finger-joy alive again, leave a million rupees in unmarked bills behind the third garbage can under the R.K. Puram Bridge." "What?" "Unmarked bills. One million. R.K. Puram Bridge." "What?" "Oh Good Grief!" said Perl impatiently. "Didn't your English teacher tell you about the other interrogative pronouns? There's also Who, Why, When and Where. Anyhow, putting the whole thing in a concise nutshell, we've ringnapped your ring – your ashtray machine is in our custody. And you, rat, are in a fix." There was a choking, gurgling sound. "Perl? Is that you, Perl?" "It's your nemesis, kid. And in case your English teacher didn't teach you words like that, a nemesis is not a nice thing to have." A furious cry – like that of a TV Baba who had nicked himself shaving – engulfed the speakerphone. "It was you! You broke into my ashram last night and stole my ring!" "The one you didn't pay for," said Perl frostily. "This is called repossession, kid. Not stealing. Banks and credit card companies do it all the time."

How God Moved My Ashtray John Paladino, 2019-08-17 Up until his mid-40's, John, Little John Paladino's life was spent stealing, robbing, cheating and pursuing illegal activity. A notorious and feared enforcer for the mafia, John prided himself on inflicting others with terror and ensuring devastation. Having been in and out of prison and other correctional facilities most of his life, his peace was void and pain plagued and pierced everything and

everyone around him. In between prison bids, John was also involved in several near-fatal accidents, including one which killed his own friend. There was no explanation to John's continued survival other than the beginning of his recognition, that God just wasn't done with him yet. It was on Memorial Day 2011, that his life changed radically after a foolish challenge to God, just the night before. This is the story of how God moved John Paladino's ashtray, a feat no man could do for himself, and the subsequent steps John took to walk out a new life, redeemed, as a new man.

At every twist and turn, the scheming and devious Ellen continues to make Sandra's life miserable until she wonders if she'll ever be out of her life - and then the unthinkable happens which nearly destroys Ellen's beauty and Sandra's physical being. Through Sandra's new style of painting, the fourth Golden Ashtray is unexpectedly located and brings Sandra an unforeseen glimpse into a future that comes as a complete surprise.

Ace Mitchell Michael Berman,2011-02-15 The whole adventure started with a Firestone Tire replica ashtray, created for the New York World's Fair in 1939. Pat Mitchell (who really exists) bought the ashtray at a yard sale. According to Mitchell, engraved into the ashtray's lip was a code pertaining to a fortune in gold bullion. Intrigued, he began to collect these ashtrays and found more codes. He became obsessed. Was Pat crazy, seeing things? He enlists his reluctant grandson, an investigative reporter, to help. Ace Mitchell, Pat's grandson, begins a grand quest for the truth, which takes him from Philadelphia to Clarksburg, West Virginia to Regensburg, Bavaria, Germany. During his investigation, he encounters members of U.S. Intelligence, Der Spinne, a Nazi organization based in South America, and one of Germany's richest men. What will he find: a fortune in gold bullion, hidden by the Jews of Bavaria before the war, or a verification of the delusional obsession of an old man? Ace Mitchell is a story that jumps between pre- and post-war Bavaria and current times. It is a story of greed, murder and hypocrisy. Pat Mitchell's notes are very thorough and reproduced in the book. Could it all be true?

Twenty Poems of Alcohol and a Cigar in the Ashtray Karlo Toreles,2021-10-14 Karlo Toreles considers that poems are like reflections in water, living impressions and stirring of feelings for their author. He declared himself an omnivorous man of feelings, of beings, of travels, of heel over and of battles, and he claimed that he would eat all the earth and drink all the sea. In much of his work, Toreles verifies that the poet can write about what is indicated, whatever is necessary for a human community.
