**The Story of Ashura** Mohammad Saeed Bahmanpour,2018-03-25 The story of Ashura, though a sad story, has always been the inspiration for the world's great freedom seekers and great thinkers throughout the history. Imam Hussein's (a.s) mission was as the Prophet (p.b.u.h) said, to be, The light of guidance and the vessel of salvation by accepting the of wounds by the spears, swords and sharp daggers, and the death of friends and children, orphanage of children. Thus the women in his family became captives. And it is such that Ashura is no longer a day, but a history. It is not an event but a source of inspiration for all truth-seekers and worshipers of righteousness in all times and places. The book is an illustrated narrative of the story of Karbal, although expressed in a simplified language; it is based on authentic historical sources. This book tries to draw the immortal Karbala epic in the minds of children and adolescents. This work is addressing children and adolescents who are interested in the fight against injustice at all times and places. The book is presented in an amusing way (Comic Strip) and has more than 150 beautiful historic illustrations, along with short, simplified texts. One of the proud times of the struggle against oppression and injustice in the history is narrated in this work in the form of a true story. This interesting book is one of the best works ever published in Iran in the form of a Comic Strip.

*The Iranian Origin of Ashura* Amir Tabatabaie,2021-08-19 Amazon bestseller in the category 'Shi'ism Islam'! This is an academic study into the origins of the Ashura commemoration which millions of Shias participate in around the world. This book answers the questions around its historical origins by studying the archaeological and literary remains of the ancient pre-Islamic Iranian culture and their mourning rituals. The author also exposes how Shia scholarship has hidden the sunnah of fasting during Ashura from the Shia masses by hiding the true scholarly fatwas on the topic. For example, Seyyid Ali Khoei the teacher of Sistani believes that fasting on Ashura is sunnah, yet in the books that are attributed to him and spread to the Shia masses, it says it's haram! Amir Tabatabaie is an independent Muslim researcher coming from an Iranian Shia background. He used to be a follower of the 12er brand of Shiism until he studied the Quran and the authentic biography of Prophet Muhammad. Reviews: A fascinating read on the origins of Shia Ashura rituals by Amir - Bu Ali, member and host on the youtube channel Sunni Discourse

'Āshūrā' Jalal Toufic,2005-01-01 Cultural Writing. Middle Eastern Studies. Religious Studies. ASHURA is largely made up of photographs or video stills of Ashura, the ceremony of self-flagellation and bloodletting performed by some Twelver Shi'ites to mark their wait for the coming of a twelfth imam. Blood literally soaks these men, the floor, the street, their sneakers, and Toufic's lens does not blink. Meanwhile his thoughts on the cultural and philosophic implications of the ritual, strangely cool and confident against a background of such ecstatic religious fervor, reframes everything from film to Islam to Toufic himself. Toufic writes: Al-Husayn, the grandson of the prophet Muhammad and the son of the first Shi'ite imam, 'Ali, was slaughtered alongside many members of his family in the desert in 680. This memory is torture to me. But, basically, one can say this memory is torture to me of every memory, since each reminiscence envelops at some level the memory of the origin of memory...
