

Aston Martin

Richard Meaden

Aston Martin Richard Loveys, 2015-04-10 Aston Martin is now more than a century old – and what a century it has been. Since its birth in London on the eve of the First World War, the company has experienced the highs of racing triumph – most famously in the 1959 Le Mans 24-hour race – and the lows of bankruptcy, yet throughout it all has been in the first rank of British marques. Published in association with the Aston Martin Heritage Trust and written by enthusiast Richard Loveys, Aston Martin is a fully illustrated history of the company that has created some of the world's best loved and most widely respected cars, including James Bond's iconic DB5. It covers the cars themselves, the personalities and talents who have shaped Aston Martin from owners to engineers, the drivers who have shared with the company in racing glory, and the centenary celebrations of 2013.

Aston Martin David Dowsey, The Images Publishing Group, 2010 Comprehensive 352-page history with beautiful color photography and detailed illustrations. Includes thorough specification information for each model.

Aston Martin DB9 and Vanquish James Taylor, 2024-03-15 Aston Martin broke new ground with the Vanquish at the start of the 21st century, having previewed the model with a fully driveable prototype called Project Vantage at the Detroit Show in 1998. The Vanquish became the company's new flagship model, with a sleek and readily recognisable shape penned by Ian Callum that would later be further developed for the slightly less expensive (but no less exotic) DB9. The importance of these two models to Aston Martin went far beyond publicity and the company image. For the Vanquish, a completely new and highly advanced body structure had been created, and this was further developed for the DB9 as the VH platform. Deliberately designed to provide flexibility and underpin further new models, this went on to become the basis of every new Aston Martin in the early years of the century. This book tells the complete story of the DB9 and Vanquish, the models that established a new and successful era for the company that made them.

evo: Aston Martin evo Magazine, 2017-09-07 For more than 100 years, Aston Martin has created some of the most beautiful - and powerful - cars ever seen on road and track. Here, the experts at evo magazine look back at its glorious history, with first-hand, behind-the-wheel reports, technical information and performance stats. From the earliest surviving models to the latest machines, the greatest Astons of all time are tried and tested, accompanied by jaw-dropping photography from the world-renowned evo photographers. Special features explore the stories behind the famous James Bond cars, from Goldfinger DB5 to Spectre DB10, as well as the story of Aston on track, from early racing prototypes to Le Mans glory. An in-depth study of a motoring icon, evo: Aston Martin is a roll call of motoring excellence and a must-have for all petrolheads.

Aston Martin DB Andrew Noakes, 2019-09-03 Read the full story of Great Britain's best-loved sports car manufacturer with Aston Martin DB, an exquisitely produced, photo-loaded, history by Aston Martin expert, Andrew Noakes. The name David Brown is synonymous with the glory days of Aston Martin, when a tiny British sports car company was rescued from near-extinction and turned into a marque that could compete with Ferrari--and win. Stylish design, lavish illustration from the Aston Martin Heritage Trust and meticulously researched text come together in this large-format, 224-page book to create a superb celebration of the 70th anniversary of DB Aston

Martins in 2017. There's a wealth of detail on the Aston Martin DB road and race cars, both from the David Brown era of 1947-1972 and the modern DB era from 1993 onwards, together high quality images and specification tables for all the key models. Aston Martin DB 70 Years is a fitting celebration of one of the world's most enduring sports cars. The fast, beautiful sports cars that Aston Martin built under Brown's ownership won the Le Mans 24-hour race and the World Sports Car Championship, and provided James Bond with his most famous transport: the ejector-seat equipped DB5 that won acclaim in Goldfinger. Though the DB era ended when Brown sold the company in 1972, its influence continued to be felt. James Bond's most recent car, the specially-made DB10, and Aston Martin has just launched its most complete car ever, the DB11. 'DB' means as much to Aston Martin now as ever.

Aston Martin V8 William Presland, 2009-08-01 Development of Aston Martin's V8 engine began in 1963 as a replacement for the six cylinder engines which had powered every model of Aston Martin since the 1950 DB2. In 1966 design work began on a new GT model and both car and engine were to be unleashed on the public in October 1967. With barely twelve months to complete the car, Aston Martin pulled it off, and the DBS was born. Unfortunately, the new V8 engine wouldn't be ready for another two years and the DBS had to make do with the old-fashioned Lagonda engine. Being heavier than the car it replaced, it was slower but in many ways more refined. When the V8 engine was finally ready for the DBS chassis, the resulting car was one of the fastest, safest and greatest cars of its generation. It would set the benchmark, not just for the next thirty years of Aston Martins, but also its competitors in the GT class. The last of the 5,016 V8-powered cars, a Volante Special Edition, left the factory on 20 October 2000, ending an era for Aston Martin.

Aston Martin Ben Collins, 2021-04-13 From bestselling author, racer and stunt driver Ben Collins - the man who was The Stig - comes a story of spies, speed and hard-driving genius: a driver's love letter to one of the world's best-loved machines. Aston Martin's first, wickedly fast models were forged at a time when Ferrari's premises at Maranello was nothing but a ploughed field. This book celebrates a century of innovators who kept the fire burning brightly for over a century, from the visionary pioneers Martin and Bamford to modern-day design guru Adrian Newey; from a glamorous web of pre- and post-war spies and racing drivers, to David Brown and the achingly beautiful DB models beloved of Bonds past and present. Ben Collins explores the car with the double-o prefix from a unique perspective behind the wheel, carving through country lanes in his father's V8 Vantage, driving Aston Martins in four James Bond movies and competing against them in the legendary Le Mans 24-hour race. Ultimately, this is a very British success story: of a triumph of engineering that has burned brightly from the Roaring 20s to the 2020s, and an iconic car that never says die.

Aston Martin Julia J. Quinlan, 2013-07-15 The DB 5 was immortalized by James Bond, and Aston Martin's sports cars have been treasured by high-performance fans ever since. Readers will learn about this company's storied history, sports cars, and what aspects make a sports car a super car. The automaker's best-loved models, as well as the growing development of more compact city cars are covered in accessible text. Young gear-heads will love the stat boxes provided for each model.

Cutting Edge Conversations EJ 'Ted' Cutting, Stuart Bailey, 2019-06-13 EJ 'Ted' Cutting was not only Aston Martin's most successful Chief Race Car

Design Engineer, but was also an innovator with influential force on the worldwide automotive industry. Originating from a limited edition hardback version, this eBook was produced in celebration of the 60th anniversary of Aston Martin winning the World Sports Car Championship for Britain with the all-conquering DBR1 designed, engineered and created by Ted himself. Rather than a traditional biography of his life, Ted wanted his book to be rather less scripted and informal; it was therefore initially adapted from a number of recorded conversations between himself and Aston Martin Heritage Trust members Stuart Bailey and Brian Joscelyne - the title being an obvious choice considering this! In addition to the in-depth telling of a legendary period in British motorsport by a man at the centre of it all, the book also sees Ted clarify a number of details which have in the past been incorrectly reported. Unusually it also contains all his published documents and access to a 90 minute video of his unique lecture on 'Racing Astons' to further endorse his story. Although the original hardback edition of this book was produced only in a limited run, Ted's wish was to make the complete book available to a much wider audience, now possible through the internet; as an engineer always working at the cutting edge of technology, he would appreciate the benefits of information sharing in the digital age. As well as being of interest to fans of Aston Martin and of motorsports in general, the book is a compelling read for any student of automotive design and engineering; after all, progress is about standing on the shoulders of giants - and in the field of race car design, few individuals ever reach the colossal heights achieved by Ted Cutting.

Aston Martin Randal C. Hill, 2009 Simple text and colorful photographs describe the history and models of the Aston Martin--in both English and Spanish--Provided by publisher.

Aston Martin Ben Collins, 2020-10-13 From bestselling author, racer and stunt driver Ben Collins - the man who was The Stig - comes a story of spies, speed and hard-driving genius: a driver's love letter to one of the world's best-loved machines. Aston Martin's first, wickedly fast models were forged at a time when Ferrari's premises at Maranello was nothing but a ploughed field. This book celebrates a century of innovators who kept the fire burning brightly for over a century, from the visionary pioneers Martin and Bamford to modern-day design guru Adrian Newey; from a glamorous web of pre- and post-war spies and racing drivers, to David Brown and the achingly beautiful DB models beloved of Bonds past and present. Ben Collins explores the car with the double-o prefix from a unique perspective behind the wheel, carving through country lanes in his father's V8 Vantage, driving Aston Martins in four James Bond movies and competing against them in the legendary Le Mans 24-hour race. Ultimately, this is a very British success story: of a triumph of engineering that has burned brightly from the Roaring 20s to the 2020s, and an iconic car that never says die.

Aston Martin Dudley Coram, 2004-04-01

James Bond's Aston Martin DB5 Simon Hugo, Will Lawrence, 2021-09-28 Daniel Craig contributed the foreword to this deluxe book that - in words and stunning photos - tells the history of 007's Aston Martin DB5. James Bond first took the wheel of the DB5 in Goldfinger (1963), redefining the action movie forever, and setting a standard for everything that followed. Over the ensuing decades, the Bond-Aston Martin association has only grown stronger. They're the perfect match: understated, stylish, powerful, and not to be

underestimated. This book spans that... bond, starting in 1963, when the DB5 was brand-new, to the upcoming 25th Bond film, No Time to Die, with the DB5 again taking center stage. EON and Aston Martin provided author Simon Hugo unprecedented access to their official archives, enabling Hugo to present the DB5's inside story and complement it with original production artwork, film storyboards, and exclusive photography. This deluxe coffee-table book measures 11"x12 ½" and is packed with full-page, high-quality photographs, including multiple shots illustrating the DB5's appearance in No Time to Die, making it the ideal gift for James Bond fans.

Aston Martin DB4, DB5 & DB6 Jonathan Wood, 2000-08-03 The legendary Aston Martins, including the James Bond DB5 and the Zagato-bodied DB4 GT, are chronicled here with complete specs, road tests, driving impressions, photos and illustrations. Get the lowdown on the creation and evolution of the models that made the name, and the personalities behind the cars. Contains specially commissioned color photos and tips on buying and restoration.

Aston Martin V-8 Michael Bowler, 1985

The Story of Aston Martin Peter Tomalin, 2024-09-12 The Story of Aston Martin is a compact and beautifully designed celebration of the iconic car manufacturer. With their stunning looks and powerful engineering, Aston Martin's cars have been synonymous with speed and luxury for more than 110 years. In The Story of Aston Martin, every aspect of the legendary brand's success is celebrated, from its pre-WWI beginnings to its current position at the summit of design and construction. Mixing heritage and creativity, Aston Martin has produced some of the most sought-after cars ever made. From the DB4 GT Zagato and James Bond's DB5 to the DBR1 Le Mans winner and the extraordinary Valkyrie hypercar, this famous marque is a by-word for sophistication and performance. And with its sports car and F1 racing teams, Aston Martin has also proved itself on the racetrack. Filled with stunning imagery and insightful commentary, The Story of Aston Martin charts the history of this legendary marque in a package that will sit perfectly on any car fan's bookshelf.

Aston Martin: 100 Years of Power, Beauty, and Soul Richard Meaden, 2019-03 With over 200 stunning color images, this volume explains the forces behind Aston Martin as a world-leading carmaker and celebrates the cars' speed, durability, reliability, sophistication, leading technology, and sporting nature. The story behind the iconic prowess, spirit, and mobility of this great enterprise is introduced in the preface by Sir Stirling Moss. By recounting his career as a race driver for Aston Martin, he sheds light on the swift development in style, technology, force, and sophistication that led the make to acquire its legendary status. The chapter Heritage provides an engaging and broad-sweeping historical account of the car maker; Technology reveals Aston Martin's aim to push technological boundaries while committing to traditional craftsmanship; Design closely examines Aston Martin's interior and exterior stylistic innovations and their influence on the public perception of the car maker; People focuses on key figures David King, Marek Reichman, Ulrich Bez, and Ian Minards. We learn how they rose into their current positions and about the significant influence of their work philosophies, achievements, and contributions on the development of the brand; Legend explores the public's perception of Aston Martin through the influence of James Bond, cinema, curiosities, communications, and marketing.

Aston Martin DB7 Andrew Noakes, 2007-01-15 The car that would become the DB7

began its gestation in 1991. Developed entirely under the ownership of Ford, this new smaller Aston Martin was intended to add a new higher-volume strand to Aston Martin's range, and when the good-looking car was launched in 1993 it soon became obvious that this was sound policy. The straight-six-powered coupe was an instant hit and sold well. A cabriolet version followed soon afterwards, and in 1998 Project Vantage - a V12 version of the car was unveiled. In 2002 the range was joined by two special editions - the Vantage Zagato and the GT. When production of the DB7 family ended in 2003, giving way to the DB9, just over 7000 cars had been produced, making the DB7 the most numerous of all Astons. Written with the full cooperation of the factory, this is a book for every lover of this superb car.

ESSENTIAL ASTON MARTIN VANQUISH COLIN. PITT, 2019

Aston Martin Robert Edwards, 2004 Fully updated to feature the Vanquish, 007's steed in *Die Another Day*, here is the story of this elegant survivor of Britain's high-quality, low-volume prestige car market. Robert Edwards, who has owned and restored eight Aston Martins, describes every post-war model. The book includes technical information, buying advice, driving impressions and sidebars on topics as varied as John Wyer (one of the finest managers to grace a pit lane), the R.S. Williams Lightweight DB4s and the AMR racers.

The Captivating Realm of E-book Books: A Detailed Guide Unveiling the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent portability and ease of access, have liberated readers from the limitations of physical books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in bookstores. E-book devices, sleek and portable, effortlessly store an extensive library of books, allowing readers to indulge in their favorite reads whenever, everywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience. A Reading Universe Unfolded: Discovering the Vast Array of E-book Aston Martin Aston Martin The E-book Store, a digital treasure trove of bookish gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and preference. From gripping fiction and thought-provoking non-fiction to timeless classics and modern bestsellers, the E-book Shop offers an unparalleled variety of titles to explore. Whether looking for escape through immersive tales of fantasy and adventure, diving into the depths of historical narratives, or expanding ones knowledge with insightful works of science and philosophy, the Kindle Shop provides a doorway to a literary universe brimming with endless possibilities. A Game-changing Factor in the Literary Landscape: The Lasting Influence of Kindle Books Aston Martin The advent of E-book books has certainly reshaped the literary landscape, introducing a model shift in the way books are released, disseminated, and consumed. Traditional publication houses have embraced the online revolution, adapting their approaches to accommodate the growing need for e-books. This has led to a surge in the availability of E-book titles, ensuring that readers have entry to a vast array of bookish works at their fingers. Moreover, E-book books have equalized access to literature, breaking down geographical limits and providing readers worldwide with similar opportunities to engage with the written word. Regardless of their location or socioeconomic background,

individuals can now immerse themselves in the intriguing world of literature, fostering a global community of readers. Conclusion: Embracing the E-book Experience Aston Martin E-book books Aston Martin, with their inherent convenience, versatility, and wide array of titles, have undoubtedly transformed the way we encounter literature. They offer readers the freedom to discover the limitless realm of written expression, whenever, everywhere. As we continue to navigate the ever-evolving online landscape, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains reachable to all.
