**Miracle at St. Andrews** James Patterson,2019-04-08 In this inspiring novel, one ordinary man makes the pilgrimage to the mythical greens of St. Andrews—the birthplace of golf—on a search for greatness. If golf novels had a leaderboard, *Miracle at St. Andrews* would be at the top. Though nobody has ever identified a single secret—no universally accepted truth—to the sport, every real player searches for one. Travis McKinley is one such seeker. A former professional golfer who feels like he's an amateur at the rest of life, he makes a pilgrimage to the mythical greens at St. Andrews. On the course where golf was born, every link, hole, fairway—even the gorse—feels like sacred ground. Ground that can help an ordinary player, an ordinary man, achieve a higher plane.

**Miracle at St. Anna** James McBride,2008-09-02 From the New York Times bestselling author of *The Good Lord Bird*, winner of the 2013 National Book Award for Fiction, and Deacon King Kong James McBride's powerful memoir, *The Color of Water*, was a groundbreaking literary phenomenon that transcended racial and religious boundaries, garnering unprecedented acclaim and topping bestseller lists for more than two years. Now McBride turns his extraordinary gift for storytelling to fiction—in a universal tale of courage and redemption inspired by a little-known historic event. In *Miracle at St. Anna*, toward the end of World War II, four Buffalo Soldiers from the Army's Negro 92nd Division find themselves separated from their unit and behind enemy lines. Risking their lives for a country in which they are treated with less respect than the enemy they are fighting, they discover humanity in the small Tuscan village of St. Anna di Stazzema—in the peasants who shelter them, in the unspoken affection of an orphaned child, in a newfound faith in fellow man. And even in the face of unspeakable tragedy, they—and we—learn to see the small miracles of life. This acclaimed novel is now a major motion picture directed by Spike Lee.

*St. Moritz Chic* Dora Lardelli,2020-01-01 Nestled in Switzerland's alpine Engadin Valley, St. Moritz stands on its own amidst a sea of celebrated ski resorts in that it has long maintained an elusive allure. The winter home of personalities from Gunter Sachs and Gianni Agnelli to Sofia Loren, Elizabeth Taylor, Audrey Hepburn, John Lennon, and Claudia Schiffer, there are few places in the world that manage to unite so many of the top names in cinema, art, and fashion all in one place, year after year. Author Dora Lardelli takes the reader on a journey through Chanel and Hitchcock's favorite haunts and the hidden parties at Badrutt's Palace where royalty goes to play, without forgetting the natural beauty, village charm and architectural mastery that define it. St. Moritz also takes readers on a majestic tour of its special events, from Winter Olympics to the annual Snow Polo World Cup, as well as the summertime Jazz Festival and the British Classic Car Meeting. In St. Moritz creatives and royals share skiwassers slope-side on the sheepskin benches of El Paradiso, pause to sip champagne on long strolls around its frozen, crystalline lake and enjoy coffee and confections at the centuries old Hanselmann. St. Moritz has never lost its inimitable appeal, and will continue to reign as an elegant hideaway for all those who have come to call it a home away from home.

**St. Tropez Soleil** Simon Liberati,2020-03-01 The legend of St. Tropez starts with a dog, a rooster, and a martyr; and it leads to movie stars, world-renowned artists and distinguished writers. Located on the sparkling French Riviera, St. Tropez has enjoyed the spotlight for more than half a century, for better or worse, with celebrities flocking to this idyllic locale for its beaches and a dose of Mediterranean sun. A picturesque oasis, St. Tropez has served as inspiration for a who's who of notable writers from Françoise Sagan to Colette; as well as renowned artists Paul Signac and Henri Matisse; and even filmmakers. However, St. Tropez would not be the same without then belle du jour Brigitte Bardot, her films and lovers and many other famous couples including Annabel and Bernard Buffet and Bianca and Mick Jagger.

**The Miracles at St. Anthony's** Joyce Keveren,2023-02-17 Book synopsis: Father A has found God and wants to be relieved of his duties as a priest. He is working on the homeless problem in Phoenix, the city where he lives, and he has recruited help from among the homeless population itself. This is the story of that colorful group of people and their attempts to help him not only to be defrocked, but to house, clothe and feed the homeless like themselves. Autobiography: Joyce Keveren has written six novels, two volumes of poetry and one collection of short stories. This is her seventh novel. I loved writing this book and getting to know (making up) the homeless people who inhabit this story. I am concerned about this problem, and I am wondering if Father A's solution could be used effectively in the real world as it does in this work of fiction.

The Window at St. Catherine's John Dobberty Jr.,2005-08 If the fates had been just a shade different, we might all be flying to-and-from Cullerton International instead of O'Hare International. This is the incredible story of Bill Cullerton, a leading United States Army Air Force ace in World War Two. Few could have survived the harrowing ordeal he experienced. Here is a tale of salmon fishing, war, survival and friendship. This is the true story of The Window at St. Catherine's. \*\*\*\*\* The Waffen-SS officer takes Bill's gun, jams it against his right side just under his rib cage. For you the war is over, the Waffen-SS officer says. He pulls the trigger. \*\*\*\*\* The window at St. Catherine's is really a grabber 'hanging on every word' is a cliché so I won't use it, but it is a good read-solidly and well told. -William A. Rooney, co-author The Enola Gay and the Smithsonian Institution

**The Battles of St Albans** Peter Burley,Michael Elliott,Harvey Watson,2013-09-09 St Albans is unique in having been the site of two pivotal battles during the Wars of the Roses, yet this is the first book-length account to have been published. It offers a gripping

account of the fighting, and of the politics and intrigue that led to it, and it incorporates the results of the latest research. The authors also plot the events of over 500 years ago onto the twenty-first century landscape of St Albans so that the visitor can retrace the course of each battle on the present-day ground.

*St Clare's: 02: The O'Sullivan Twins* Enid Blyton, 2016-07-01 Schooldays at St Clare's are never dull for twins Pat and Isabel O'Sullivan in Enid Blyton's much-loved boarding school series. In book two, it's the start of the Easter Term and the twins are looking forward to meeting all their friends at St Clare's once more. They are determined to be obedient and studious, but the new girls prove to be so much fun. Poor Mam'zelle had better watch out. Expect mischief at St Clare's! Between 1941 and 1946, Enid Blyton wrote six novels set at St Clare's. This edition features the original text and is unillustrated.

St. Mark's and the Social Gospel Ellen Blue, 2011-12-15 The impact of St. Mark's Community Center and United Methodist Church on the city of New Orleans is immense. Their stories are dramatic reflections of the times. But these stories are more than mere reflections because St. Mark's changed the picture, leading the way into different understandings of what urban diversity could and should mean. This book looks at the contributions of St. Mark's, in particular the important role played by women (especially deaconesses) as the church confronted social issues through the rise of the social gospel movement and into the modern civil rights era. Ellen Blue uses St. Mark's as a microcosm to tell a larger, overlooked story about women in the Methodist Church and the sources of reform. One of the few volumes on women's history within the church, this book challenges the dominant narrative of the social gospel movement and its past. *St. Mark's and the Social Gospel* begins by examining the period between 1895 and World War I, chronicling the center's development from its early beginnings as a settlement house that served immigrants and documenting the early social gospel activities of Methodist women in New Orleans. Part II explores the efforts of subsequent generations of women to further gender and racial equality between the 1920s and 1960. Major topics addressed in this section include an examination of the deaconesses' training in Christian Socialist economic theory and the church's response to the Brown decision. The third part focuses on the church's direct involvement in the school desegregation crisis of 1960, including an account of the pastor who broke the white boycott of a desegregated elementary school by taking his daughter back to class there. Part IV offers a brief look at the history of St. Mark's since 1965. Shedding new light on an often neglected subject, *St. Mark's and the Social Gospel* will be welcomed by scholars of religious history, local history, social history, and women's studies.

*A Miracle for St. Cecilia's* Katherine Valentine, 2003-06-24 The citizens of Dorsetville are poor in worldly goods but rich in faith and compassion. For generations—long before the last wool mill closed five years ago—they have been bound together by St. Cecilia's Catholic Church, which is set to close after mass on Easter Sunday. Father James Flaherty despairs of ever turning the parish finances around. What will become of his flock and beloved, ancient Father Keene, who had planned to live out his days at St. Cecilia's? At the Country Kettle restaurant, waitress Lori Peterson needs her own miracle—a bone marrow match for her husband. Matthew Metcalf needs a miracle, too, now that his rash act of hacking into the high school computer has exposed embarrassing secrets. Delightful and moving, with a cast of endearing and quirky characters, *A Miracle for St. Cecilia's* will warm hearts and enchant readers everywhere. "Break forth into singing! Here is a story of faith and community and hope beyond hope." – Lynne Hinton, author of *Friendship Cake* and *Garden of Faith*
