Military Modernisation in Southeast Asia after the Cold War Shang-Su Wu,2024-04-01 Southeast Asian countries represent a wide range of approaches to military modernisation due to their great diversity in politics, economies, geography and other factors. Bounded by the Pacific and Indian Oceans and located between China and India is the setting for the geostrategic impacts of military modernisation in Southeast Asian countries. Differing from previous research focused on military acquisition, this book additionally covers retention of assets and carefully examines the ageing issues that affect readiness and capabilities. In doing so, it provides a comprehensive view of military modernisation. This book also compares each country's situation in the region in terms of military strength and security challenges to elaborate on the geostrategic impacts of military modernisation. The ten cases of military modernisation in the post-Cold War context provide rich content for readers to explore the evolution of military modernisation in developing countries after 1991. This book sheds light on security studies of Southeast Asia and is a useful resource for academic researchers, policy-makers and defence practitioners.

Pentagon's South Asia Defence and Strategic Year Book 2010 Col. Harjeet Singh (Retd),2010 Pentagon's South Asia Defence and Strategic Yearbook is now in its fourth year of publication. It covers relevant issues of defence and security, military affairs and military technology written by experts and academicians themselves. These issues are important for defence services, foreign ministers and security experts spread among defence units, strategic think-tanks, government organisations / public sector units, national and international technology manufacturers and diplomats and bureaucrats. The book has been extremely well received and its circulation has grown tremendously in the last three years. It has been regularly reviewed in the USI Journal and other reputed journals and magazines. As The Book Review has commented: In comparison to the other yearbooks, this book stands out due to the well documented opinion peices by the experienced people from the armed forces, think tanks and academics. It creates a space for dialogue on important topics...

The Military Balance 1975-1976 Institute For Strategic Studies International,2019-09-10 The Military Balance is an annual, quantitative assessment of the military power and defence expenditure of countries throughout the world. It examines the facts of military power as they existed in July 1975, and no projections of force levels or weapons beyond this date have been included, except where explicitly stated. The study should not be regarded as a comprehensive guide to the balance of military power; in particular, it does not reflect the facts of geography, vulnerability or efficiency, except where these are touched upon in the section on the balance in Europe.

Voyez de vos yeux Pierre Auffret,2014-09-03 Le présent ouvrage tente la mise en oeuvre de l'analyse structurelle pour vingt psaumes, soit les Pss. 52, 54-60, 108, 62, 64-66, 78-80, 91-92, et le grand Ps. 119. Son ambition est de montrer à quel point l'architecture de ces textes en conditionne et en ouvre l'interprétation. Les considérer comme des ensembles structurés, faisant jouer entre les diverses unités des rapports multiples et ordonnés, est nécessaire à leur compréhension. A l'occasion on montre comment l'analyse structurelle permet de mieux saisir l'enchaînement des psaumes consécutifs dans le Psautier, ou encore les rapports entre psaumes opérant entre eux d'importants emprunts (57, 60, 108). Ici sera donc pris en compte en priorité le texte lui-même tel qu'il se présente à nous, afin de saisir ces clefs d'interprétation qui y sont inscrites. L'ouvrage devrait retenir l'attention non seulement des spécialistes des Psaumes, mais encore de quiconque entend les connaître de près. Les études qu'il contient ont été à cette fin basées sur une traduction littérale de chaque psaume, sans renoncer pour autant à recourir, chaque fois que cela s'est avéré nécessaire, au texte hébreu.
