**2 Timothy and Titus** Aida Besancon Spencer,2014-05-16 A thorough and insightful commentary on Paul's letter to his coworker Timothy, which the apostle wrote before and during Nero's persecution. Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical, historical, social, and cultural contexts. How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus, and Rome. In addition, Paul's rhetorical and ministry strategies, especially as they relate to women and their role in the church, are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.

**Personal Memoirs of U. S. Grant Volume 1 of 2** Ulysses S. Grant,1998-05 Born in 1822, Grant was the son of an Ohio tanner. He went to West Point reluctantly and graduated in the middle of his class. At the outbreak of the Civil War, Grant was appointed by the governor to command an unruly volunteer regiment, quickly rising to the rank of brigadier general of volunteers. In February 1862, he took Fort Henry and attacked Fort Donelson. When the Confederate commander asked for terms, Grant replied, 'No terms except an unconditional and immediate surrender can be accepted.' The Confederates surrendered, and President Lincoln promoted Grant to major general of volunteers. At Shiloh in April, Grant fought one of the bloodiest battles in the West and came out less well. Lincoln fended off demands for his removal by saying, 'I can't spare this man'he fights.' For his next major objective, Grant then maneuvered and fought skillfully to win Vicksburg, the key city on the Mississippi, cutting the Confederacy in two. Then he broke the Confederate hold on Chattanooga. Lincoln appointed him General-in-Chief in March 1864. Grant directed Sherman to drive through the South while he himself, with the Army of the Potomac, pinned down General Robert E. Lee's Army of Northern Virginia. Finally, on April 9, 1865, at Appomattox Court House, Lee surrendered. Grant wrote out magnanimous terms of surrender that would prevent treason trials. As President, Grant presided over the Government much as he had run the Army. Indeed he brought part of his Army staff to the White House. After retiring from the Presidency, Grant became a partner in a financial firm, which went bankrupt. About that time he learned that he had cancer of the throat. He started writing his recollections to pay off his debts and provide for his family, racing against death to produce these Memoirs. Soon after completing the last page, in 1885, he died.

**Literature 1976, Part 2** S. Böhme,Ute Esser,Professor Dr. Walter Fricke,U. Güntzel-Lingner,I. Heinrich,D. Krahn,Dr. Lutz D. Schmadel,G. Zech,2013-04-18 Astronomy and Astrophysics Abstracts, which has appeared in semi-annual volumes since 1969, is devoted to the recording, summarizing and indexing of astronomical publications throughout the world. It is prepared under the auspices of the International Astronomical Union (according to a resolution adopted at the 14th General Assembly in 1970). Astronomy and Astrophysics Abstracts aims to present a comprehensive documentation of literature in all fields of astronomy and astrophysics. Every effort will be made to ensure that the average time interval between the date of receipt of the original literature and publication of the abstracts will not exceed eight months. This time interval is near to that

achieved by monthly abstracting journals, compared to which our system of accumulating abstracts for about six months offers the advantage of greater convenience for the user. Volume 18 contains literature published in 1976 and received before March 1, 1977; some older literature which was received late and which is not recorded in earlier volumes is also included.

*House Arrest* K. A. Holt,2015-10-06 “Moving . . . Readers will nod their heads in sympathy with this guy who breaks the rules for all of the right reasons.” —The Bulletin of the Center for Children’s Books A Bank Street College of Education Best Book of the Year Indiana Too Good to Miss State Reading List 2018 Timothy is on probation. It’s a strange word—something that happens to other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middle grade novel in verse about one boy’s path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer. “This gripping novel in verse evokes a wide variety of emotional responses, as it is serious and funny, thrilling and touching, sweet and snarky.” —School Library Journal “Touches of humor lighten the mood, and Holt’s firsthand knowledge of the subject adds depth to this poignant drama without overwhelming it.” —Publishers Weekly “Readers . . . will appreciate Holt’s lessons of compassion and family above all.” —Booklist “House Arrest will hit home with young boys and girls, especially if they have ever dealt with an ill relative. The story is touching, warm, and impressive.” —Kid Lit Reviews
