**Book of the Little Axe** Lauren Francis-Sharma,2020-05-12 This “masterful epic” spans decades and oceans from Trinidad to the American frontier during the tumultuous days of westward expansion (Publishers Weekly). Trinidad, 1796. Young Rosa Rendón quietly rebels against the life others expect her to lead. Bright, competitive, and opinionated, she does not intend to cook and keep house, for it is obvious her talents lie in running the farm she views as her birthright. But when her homeland changes from Spanish to British rule, the fate of free black property owners—Rosa’s family among them—is suddenly jeopardized. By 1830, Rosa is living among the Crow Nation in Bighorn, Montana, with her children and her husband, Edward Rose, a Crow chief. Her son Victor is of the age where he must seek his vision and become a man. But his path forward is blocked by secrets Rosa has kept from him. So Rosa must take him to where his story began and, in turn, retrace her own roots. Along the way, she must acknowledge the painful events that forced her from the middle of an ocean to the rugged terrain of a far-away land. A Booklist Editor’s Choice Book of the Year

The Red Axe Samuel Rutherford Crockett,1900 Well do I, Hugo Gottfried, remember the night of snow and moonlight when first they brought the Little Playmate home. I had been sleeping -- a sturdy, well-grown fellow I, ten years or so as to my age -- in a stomacher of blanket and a bed-gown my mother had made me before she died at the beginning of the cold weather. Suddenly something awoke me out of my sleep. So, all in the sharp chill of the night, I got out of my bed, sitting on the edge with my legs dangling, and looked curiously at the bright streams of moonlight which crossed the wooden floor of my garret. I thought if only I could swim straight up one of them, as the motes did in the sunshine, I should be sure to come in time to the place where my mother was -- the place where all the pretty white things came from -- the sunshine, the moonshine, the starshine, and the snow. Come down and be killed, foul brood of the Red Axe! the children cried. And with that they ran as near as they dared, and spat on the wall of our house, or at least on the little wooden panel which opened inward in the great trebly spiked iron door of the Duke's courtyard.
