James Buffin

The Archangel Elicia Hyder,2020-03-19 The Archangel of Death is the master of taking human life. But keeping mortals alive? Not exactly Azrael's forte. For thousands of years, Azrael's greatest enemy has been silent. Leaving him in relative peace for the first time since the great angel war. Now that silence has been broken, and the Morning Star has returned with a dangerous ultimatum: Azrael can join, or watch everything he loves be destroyed. Two lives hang in the balance—Azrael's beloved human wife, Nadine, and their unborn, part-angel son...Warren. The Archangel is a standalone story that happens three decades before *The Soul Summoner* begins. It can be read in any order, but it is recommended for this novella to be read later in the series. THE SOUL SUMMONER SERIES ORDER: Book 1 – The Soul Summoner Book 2 – The Siren Book 3 – The Angel of Death Book 4 – The Taken Book 5 - The Sacrifice Book 6 - The Regular Guy Book 7 - The Soul Destroyer Book 8 - The Guardian Book 9 - The Daughter of Zion THE SOUL SUMMONER COMPANION STORIES: The Detective: A Nathan McNamara Story The Mercenary: A Warren Parish Story The Archangel: An Azrael Story

The Book of Azrael Amber Nicole,2022-03-29 World Ender meets Ender of Worlds... For thousands of years after The Gods War the Etherworld has known peace but soon that too will change. An old enemy driven by revenge slowly builds an army behind the scenes. Temples are ransacked in search of an item long lost and enemies since the dawn of time must put aside their differences if they have any hope for survival.

The Book of Azrael James Buffin,2021-06-29 Lucifer is opening hellgates and letting the seven deadly

sins out of hell and upon the Earth. God has sent Azrael and Abaddon to send them back and save the world from hell on Earth. Their journey will take them across the world and even other dimensions. They will face the darkest and wickedest demons, gods, and demigods. They will gain new companions along their way, as well as gaining new powers and God weapons, along with ancient artifacts of great power. Their angel brothers help when they can, but it's up to Azrael and Abaddon to persevere and lock the seven deadly sins and Lucifer back into hell. Will they win the war or will they fall in battle? From heaven to hell and everything in between. With an array of characters, traveling all around the world and even to other dimensions, good and evil come head to head. There's something for everyone. Packed with action and suspense—a thrill ride for sure.

The Sacred Texts Kharlo,2013-02-15 The Sacred Texts, a set of books created by the archangels of Heaven, have been kept locked away by the Creator since the early times of human history: the Book of Water crafted by Gabriel/Gabrielle, the Book of Fire forged by Michael, the Book of Earth made by Uriel, and the Book of Language created by Azrael. It is said that the last of those books, the one created by the very hands of Death Himself, is one of two keys to deciphering the language of the angels and with it the ability to control God and all in known existence. For the past two hundred years, the Fallen Angel Lucifer has waited for the proper moment to strike, the proper moment to invade Avalon and take control of the Book of Azrael in hopes of defeating the Creator once and for all. Aware of the imminent danger, Azrael tasks a single magic wielding mortal with entering Hell itself and destroying his Sacred Text. After becoming weakened in his determination to complete the task given to him by the Archangel of Death,

Raven the Archmage finds that he must pass on the responsibilities of destroying The Book of Azrael to his insecure and often difficult apprentice, Jaguar. Follow Jaguar's arduous journey alongside his best friend Lion, and a mysterious earth wielding mage and his werewolf sister, as they travel through the halls of Perdition in hopes of keeping evil from gaining victory and throwing off the balance of all of Creation. The Sacred Text Series is a coming of age story that seamlessly weaves many ancient archetypes into a cohesive whole. Enter a world where vampires, angels, demons, werewolves, magic, and human myths from a myriad of cultures collide.

The Wing of Azrael Mona Caird, 1889

Azrael William L. DeAndrea,2012-12-18 Allan Trotter goes head to head with the Angel of Death
Allan Trotter's counter-espionage service began at birth: His father, the head of an ultra-secret intelligence wing of the US government, deliberately conceived him with a gorgeous Russian spy. Raised to navigate a crooked world, Trotter was immersed in deception, danger, and narrow escapes. He's a perfectly honed agent, but he desperately wants a normal life. Trotter is pulled out of his life of seclusion, though, when the Russian spy outfit Cronus sends their Angel of Death, Azrael, to a sleepy town in Upstate New York to knock off innocent people. The aim? To scare back a stray agent: Petra Hudson, now the happy CEO of a media conglomerate worth billions, who has put her spying past behind her—or so she thinks. Ignorant of her mother's double life, Hudson's daughter, Regina, a newspaper editor, has unknowingly alerted the Agency. And since fighting Cronus is the one thing that can give Trotter's life meaning, when he learns that Regina—a kindred victim of the organization—is at risk, the stakes feel even more crucial.

Azrael C. B. Wiland, 2007-11 Sixteen, innocent, and beautiful, April Perry is gang raped by five hoodlums. To shield her from publicity, her wealthy father sends her to Boston to complete her education. She returns to Tampa eight years later with a law degree and joins the District Attorney's staff. During her absence, the five rapists have been paroled and are back on the streets. The savage theft of April's innocence has left her psychologically damaged, ashamed of her body and maintaining a paranoid distrust of all men. Shortly after April's return, a killer using the name of Azrael, the Angel of Death, undertakes the systematic elimination of the rapists. During her absence, April's high school sweetheart Brad Rock Paxton has become a Detective Intern and is partnered with Lt. Luis Agosto, the acting head of Homicide. They are faced with the prospect that the girl that Rock loved as a youth still loves may be the killer, Azrael. When all of the rapists are dead except Josh Sampson--the leader of the gang--Azrael invites a select group to participate in his Josh's execution. Among those invited are Rock and his partner. They are helpless to deter the gruesome outcome as Azrael is unmasked.
