**My Life with Bob** Pamela Paul,2017-05-02 For twenty-eight years, Pamela Paul has been

keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--

**Bob** Wendy Mass, Rebecca Stead, 2018-05-01 It's been five years since Livy and her family have visited Livy's grandmother in Australia. Now that she's back, Livy has the feeling she's forgotten something really, really important about Gran's house. It turns out she's right. Bob, a short, greenish creature dressed in a chicken suit, didn't forget Livy, or her promise. He's been waiting five years for her to come back, hiding in a closet like she told him to. He can't remember who—or what—he is, where he came from, or if he even has a family. But five years ago Livy promised she would help him find his way back home. Now it's time to keep that promise. Clue by clue, Livy and Bob will unravel the mystery of where Bob comes from, and discover the kind of magic that lasts forever. Wendy Mass and Rebecca Stead, two masterminds of classic, middle-grade fiction come together to craft this magical story about the enduring power of friendship. This title has Common Core connections.
