**Fate, Providence and Moral Responsibility in Ancient, Medieval and Early Modern Thought** Pieter d'Hoine,Gerd Van Riel,2014-03-05 Essays on key moments in the intellectual history of the West This book forms a major contribution to the discussion on fate, providence and moral responsibility in Antiquity, the Middle Ages and Early Modern times. Through 37 original papers, renowned scholars from many different countries, as well as a number of young and promising researchers, write the history of the philosophical problems of freedom and determinism since its origins in pre-socratic philosophy up to the seventeenth century. The main focus points are classic Antiquity (Plato and Aristotle), the Neoplatonic synthesis of late Antiquity (Plotinus, Proclus, Simplicius), and thirteenth-century scholasticism (Thomas Aquinas, Henry of Ghent). They do not only represent key moments in the intellectual history of the West, but are also the central figures and periods to which Carlos Steel, the dedicatory of this volume, has devoted his philosophical career.

**Papers of Henry Laurens** Henry Laurens,David R. Chesnutt,C. James Taylor,2003-03 The concluding volume of a prestigious documentary edition; This, the sixteenth and final volume of The Papers of Henry Laurens, covers the last ten years of the statesman's life. During this period, Henry Laurens spent a hectic twenty-two months as a peace commissioner traveling between Paris and London, conferring with British ministers and his colleagues on the peace commission. At the same time, Laurens was coping with the grief of losing his eldest son, John Laurens, in battle, family conflicts over a proposed marriage between his elder daughter and a French fortune hunter, and his own poor health. This mixture of public and private concerns continued throughout his stay in Europe, as the commissioners attempted to negotiate a final peace treaty and a trade agreement with former allies and foes. In January 1785, Laurens returned to South Carolina, where he devoted the remainder of his life to personal affairs. Despite encouragement to return to public service, Laurens remained a private citizen with an active interest in the progress of his state, In his later years he recommended an end to the importation of slaves and diversification of the economy. Laurens died on December
