The artist of the possibilities Jesús Lara Sotelo, 2018-05-15 Jesus Lara Sotelo's literary work, unique and heterogeneous at the same time, shows a tireless fervor and rich inspiration. Without setting limits between amenity and greatness, his lyrical power stands out in the middle of dense forest. Concentrated and austere at times, excessive in others, he takes over himself and others in body and soul and he projects himself as he truly is, while he meditates thoroughly and thinks over and over about the earthly and cosmogonic things, perceiving in them their most active principles, so his compositions are, at the same time, and an act of creation and an act of revelation in the knowledge of new lives, where all spiritual and earthly things are revealed and released. So, it seems that in this way, every moment and every place of nature are willing to welcome the invasion of his opinion, which brings about a confiscation of total condition of the man and his surrounding, which recognizes him with great jubilation.

The Lucky Dog Matchmaking Service Beth Kendrick, 2012-05-01 From Beth Kendrick comes a hilarious and heartwarming story about bad dogs and the women who love them... Lara Madigan has a gift. She can help you find your soulmate--your canine soul mate, that is. As a dog trainer with a soft spot for strays, she's found the perfect home for sulky Shih Tzus, broken-down Border Collies, and diabolical Dalmatians. But while she'll always make room for one more rescue mutt, she's not sure she's ready to commit to another human being--especially after her long-term boyfriend drops the bomb: He's not a dog person. Horrified and temporarily homeless, Lara and her furry pack move in with her mother, a wealthy fashionista who forbids even a single drop of drool. As word gets around the exclusive gated community, Lara is overwhelmed with demands for her services. A model wants personal training for her overweight “flabrador”; an aging socialite preps her pedigreed puppy for dog show domination.... If Lara can survive the breakup, the outrageous requests of her high-maintenance clientele, and her dogs' systematic destruction of her mother's McMansion, she might finally find the rescue dog who rescues her in return--by leading her straight to the guy who could be her perfect match.

Lara Nickel: 12 Horses-Homage to Jannis Kounellis , 2022-02-22 The Horse has been represented in the History of Art by almost every culture in every time period. In 1969, Jannis Kounellis (member of the Italian art movement Arte Povera) brought twelve living

horses inside a gallery space in Rome, creating an awkward, dreamlike experience and a very re-interpreted image of the Horse in an art context. Lara Nickel's homage consists of twelve life-size horse paintings, all presented realistically with white backgrounds which mimic the neutral gallery wall. They are displayed in a similar manner to Kounellis' live horses: positioned on the ground and installed perpendicularly to the wall so they appear to be standing in the room, making the architectural space itself the setting of the painting.

Russia After Communism Rick Fawn, Stephen White, 2020-04-28 Russia's transition from communism holds great significance not only for itself but also for the wider world. This collection of essays examines the spectrum of Russia's transition since 1991 - considering not only the pattern of events but also what the changes have meant for Russians themselves.

Insurgent Communities Sharon M. Quinsaat, 2024 The term diaspora is used so commonly that its definition, a community of people living away from their ancestral homeland, seems self-evident. But how do migrants come to form a group, and how do they understand that homeland? In this book, sociologist Sharon Quinsaat sheds new light on the meaning of diaspora through the stories of Filipino migrants who, on first arrival to their new homes in the Netherlands and the US, don't necessarily connect to their Filipino identity or other Filipinos. They maintain ties to the homeland through family, often in the form of remittance payments, but they don't see themselves as part of a Filipino community abroad. After all, how much common ground could there be between a masters student at a private US university and an undocumented domestic worker earning less than minimum wage? Quinsaat shows that these gaps are bridged when Filipinos become engaged in political activism. Quinsaat analyzes three distinct protest movements--against the regime of former dictator Ferdinand Marcos, for migrants' rights abroad, and around cultural memory of the Marcos regime--that strengthened Filipino identity among migrants as they gathered collectively to make shared demands in public. These movements bring together very different migrants with a newfound shared goal, requiring them to openly address their different experiences and relationships to their homeland and its history. Social movements thus provide an essential space not just for coming together as diasporic subjects, but for openly negotiating and working through the diversity of migrants' experiences. She also shows that this local engagement with other migrants in a new country of residence quickly ties into a global network of activism. Activist groups forge connections with others living abroad, creating new diasporic identities that crisscross the globe by way of shared political commitments. Spanning five decades, Quinsaat's project helps us understand not just a major migrant group, but how people come to see themselves as part of a collective--

Adrian & Jade in Queen Lara Vega's Secret Roses Adrian Jevon Murphy, 2012-02-16 “Sheila has vanished, whereas the three head overseers are officially gone from the world called Vero. Their lives were taken away by the Gold Overseer, whose only sole purpose is to control life, death, time, space, and eternity all for him. He and four other overseers hired a man named King Oleg to help spread their evil presents throughout the entire universe. To do this, she marries a man named King Tilting by warfare means. The only problem was that he was married to three women for political reasons, which Queen Lara Vega didn’t know about or they assumed.” “The three wives that King Tilting has been wedded too, is named Alicia, Rosaria, and Lady Clair are the only ones that pose a threat to her. However, there is another problem that lies within the marriage. She and three ladies have given birth to King Tilting’s children. In a force agreement Alicia, Jade, Rosaria, Nina, Nyre, Tengo, Lady Clair, and JLee must help and protect their queen and former sisters.” “Like all household, trouble comes in different varieties of form such as secrets, betrayal, seduction, warfare, life and death, and finally survival of the fittest. Will Jade ever figure out her family’s secrets and meet Adrian in the future? The question is, who will lead and who will die in the hands of their beholders. The Quiet Room Sian E. Jones, 2022-03-31 The story begins in 1921 with the birth of twins to the Demengels, a notable family who inhabit Celyn Lodge in Cornwall. Right from infancy, Lara becomes something of a thorn in the side of the Demengels, threatening to tear at the fabric of the family and bring shame upon their good name. From the age of eight, Lara is exiled to an annexe of the main house as her behaviour becomes increasingly oppositional and beyond the scope of her parents' control. The only tangible relationship she has is with Nancy, the family's cook and long term employee. It is under the auspice of Nancy's care within the grounds of Celyn

that Lara spends the next few years, growing increasingly feral and wholly estranged from the rest of her family. Her twin Milla is simultaneously living a genteel life and being groomed for an advantageous marriage like her older sister, Emmeline. Lara's very presence threatens the reputation and social standing the family enjoy. In 1937, Lara's fortunes are set on a tragic trajectory in 24 hours that will forever change her life and have a ripple effect that will touch the lives of many. She is taken to Wellswood, an asylum for the mentally defective, a cruel and hostile environment where she will encounter gratuitous and conscious cruelty but will also find friendship and love she has not known before. 1975. Shelley Merrigan comes to Cornwall to start her nurse training. Nursing a broken heart, she leaves the warmth of her family and homeland in Wicklow, Ireland to start what she hopes will be a career where she can help and enhance lives. She begins her first placement on Cypress ward. Lara is the first patient she meets and she leaves an indelible impression. She is intrigued by the silent Lara Demengel, an enigma that piques her curiosity. As she digs deeper into her history she is unprepared for the collision course they are both on to an event that will bind them both forever. Shelley finds herself in an alien environment where callousness rather than care is the order of the day. Stymied by fear, she finds herself immobilised and unable to stand against the regime of tyranny on Cypress ward. Until she aligns herself with Doctor Vix Winstanley, she neither condones nor condemns the actions of senior staff. The Quiet Room was ubiquitous in all of the old asylums. A sanctuary within a sanctuary; a place of low stimulation to escape the melee of the larger dayroom. They were underutilised except for study and meetings. It is in the pursuit of studying Lara's case notes that her story unfolds and the dehumanised Lara's history shapes all of their lives.
