**Bad Moon** Todd Ritter,2011-10-11 On the same night that Neil Armstrong became the first man to walk on the moon, ten-year-old Charlie Olmstead jumped on his bike to see if there was some way he could get a better look. It was the last anyone ever saw of him. After Perry Hollow Police Chief Jim Campbell found Charlie's bike caught in the water above Sunset Falls, he assumed the worst. Everyone did—except Charlie's mother. Years later, Eric Olmstead—now a famous author and Charlie's younger brother—has come back to Perry Hollow to bury his mother and fulfill her last request: Find Charlie. To do so, he goes to the current police chief, his former sweetheart, Kat Campbell, who happens to be Jim Campbell's daughter. Together they soon discover that Eric's mother was convinced Charlie was kidnapped, and that finding him—whether he was dead or alive—was her secret obsession. While she never succeeded, she did uncover clues that suggested he wasn't the only boy across Pennsylvania to vanish into thin air during that time. The haunting story of a boy missing for forty years, and of a small town that found lies easier to believe than the truth, explodes into the present in *Bad Moon*, Todd Ritter's excellent follow-up to his acclaimed debut.

*Bad Moon Rising* Zoe Forward,2021-11-08 They are the ultimate weapon. The ultimate secret. They are the Crown's wolves. Lycan Roman Lanzo and his brothers are bound—by magic, no less—to serve the Crown of England. All he knows is honor, violence, blood, magic, and death. Which is exactly when he finds her. A rare female Lycan, gorgeous, fierce, powerful, and with no memory of who or what she is. Now everything in Roman's blood wants to help her, protect her, and—damn it all to hell—want her. Nova woke knowing only that her leather Goth get-up was riding up in the wrong places, and that she had to find Roman. Since then, every moment is a new and unsettling insight into her gifts, her dangerous skills, who she is, and what she wants...including this daunting, muscled Lycan whose name is tattooed on her skin. But the Crown knows all about Nova. What she is, what she can do, and just how brutally dangerous a female Lycan can become. Now they want her put down for good. And they have their perfect weapon of choice... Roman.

Bad Moon Rising R. H. Burkett,2023-10-04 The untamed swamps of Louisiana provide refuge for Bethany Ann. Within this world, she comes to terms with her supernatural abilities and discovers her true power--the power she will need to defeat the Evil that preys on the innocent and wears many

disguises. As she flees for her life, the ancient magic of the mysterious realm reveals a bad moon rising as a battle older than time itself simmers. Struggling with his own demons, Deputy Benjamin Sol is torn between a personal vendetta and his commitment to the law he has sworn to uphold. Wanting to use man-made law to bring the culprit to justice he finds that he must betray his friendship with Bethany Ann. The age-old way between Good and Evil, between right and wrong begins. Which one will win?

**Bad Moon** Nancy Brooks,2015-09-29 Cheyenne MacAteer was born under a bad moon. It didn't matter what she did; it was a given that her life would end on a bad note. So when she wins millions of dollars in the State Lottery, she's determined to do everything she can to have as much fun as possible. With the propensity to have the kind of fun that involves drunken bar brawls and shotguns, her financial advisor has no choice but to hire a bodyguard-to protect other people from her. The day Jack Hyland agreed to take on the job, he knew he was only going to last a week as Cheyenne's bodyguard. With her tousled hair and cut off shorts, she looked and sounded as much the hillbilly as he assumed she was. Never one to stay anywhere for long, always one to demand respect, Jack soon finds himself attracted to Cheyenne's rowdy behavior and lack of humility. With their friendship growing to more, and her bad moon looming ominously on her mind, Jack must find a way to convince Cheyenne that love can fix a curse, the same way it's fixed his jaded heart.

Ever since Edgar Rice Burroughs published *A Princess of Mars* in 1912, fans of all ages have marveled at the adventures of John Carter, an Earthman who suddenly finds himself in a strange new world. A century later, readers can enjoy this compilation of brand-new stories starring John Carter of Mars. Collected by veteran editor John Joseph Adams, this anthology features a foreword by Tamora Pierce and stories and original art from titans of literature and illustration such as Peter S. Beagle, Garth Nix, Charles Vess, and many more, plus a glossary of Mars by Richard A. Lupoff. **Call of the Great Spirit / The Fugitive** Gloria Van Rooyen,2013-07 This book is all about the fantasies that we have from childhood that go on for as long as we dare to dream. How often have we imagined being somewhere else or someone else? This story allows us to do just that, in our vivid imagination. Pretend that you are living during the time when hybrids inhabited the earth and you were a Mermaid, an Immortal, a God, Fairy or a hybrid of any being. Travel was as easy as being beamed up by a violet flame and you flew through the Cosmos at leisure. But remember the darker side. There are also ogre demons with evil wisdom, and daily life is dangerous for all beings. Gods will come down to Earth whenever you called them for assistance. Then there is also a time of abuse and suffering because of the shape-shifters and werewolves and long lonely journeys through storms and drought. Experience a journey through the desert into Egypt, and witness the Great Sphinx sink into an abyss caused by an earthquake! Hear the roar of the God of the East as he is liberated from his tomb! So dream on dear one and delight in your adventures!

**Come Sunday** Isla Morley,2009-05-26 A wonderful new storyteller unleashes a soaring debut that sweeps from the hills of Hawaii to the veldt of South Africa. Come Sunday is a novel about searching for a true homeland, family bonds torn asunder, and the unearthing of decades-old secrets.

John Fogerty Thomas M. Kitts,2015-08-27 This is the first critical biography to explore John Fogerty's life and his music. When inducting Creedence Clearwater Revival into the Rock and Roll Hall of Fame in 1993, Bruce Springsteen referred to the music's power and its simplicity... [its] beauty and poetry and a sense of the darkness of events and of history, of an American tradition shot through with pride, fear, and paranoia. This book investigates those aspects and more of Fogerty's songs and life: his Americanism, his determined individualism, and unyielding musical vision which led to conflicts with his band, isolation from his family, constant legal battles, and some of the greatest songs of the 20th century.

**Bad Moon** Anita Dawes,2015-06-27 The story of a family with terrible secrets, secrets that should never have been uncovered. Can Annie persuade her family to change their ways? Or will she have to give in and embrace the family tradition? But her mission will reveal even more horror.
