Rosa Manus (1881-1942) Myriam Everard, Francisca de Haan, 2016-11-01 Rosa Manus (1881–1942) uncovers the contributions of Jewish Dutch feminist and peace activist Manus, co-founder of the WILPF (1915), vice-president of the International Alliance of Women (1926-1940), and founding president of the International Archives for the Women's Movement in Amsterdam (1935).

Historical social research Cornelia Baddack, 2003

Wissen schaffen Claudia Opitz-Belakhal, Sophie Ruppel, 2018-04-16 Die Beiträge im vorliegenden Heft knüpfen einerseits an die lange Tradition feministischer Wissenschaftsgeschichte und -kritik an und versuchen andererseits, neue wissens- und wissenschaftsgeschichtliche Impulse zu berücksichtigen. Die Themen reichen vom Generieren, Sammeln und Verbreiten von Wissen über Natur (vor allem Pflanzen), Körper und Medizin in der Frühen Neuzeit bis zur Zeitgeschichte der Genetik und zur Frühphase der Frauenforschung in den Sozialwissenschaften. Dabei werden verschiedene Personen und Personengruppen und deren Praktiken der Wissensproduktion und -nutzung fokussiert, wobei insbesondere das Konzept der scientific persona in Hinblick auf weibliche Forschende genauer ausgeleuchtet wird. Aus dem Inhalt: Marianne van Herwerden's travel letters from the US, 1920 / Anfänge empirischer Frauen- und Geschlechterforschung in der sozialen Arbeit zur Zeit der Weimarer Republik / Frauenzimmerbotaniken und botanisches Wissen um 1800 / Die Sammlung und Systematisierung des frühneuzeitlichen Klitoriswissens im Werk des

Basler Anatomen Caspar Bauhin / British Scientific Women in Europe during World War One / Im Gespräch mit Londa Schiebinger. The essays in this present issue are concerned with a long tradition of feminist scientific history and scientific critique and try to consider new educational and scientific historical points. The subjects vary from generating, collecting and spreading knowledge concerning nature, most of all plants, body and medicine in the early modern age and contemporary genetics and the early stages of women's studies in social sciences. Here, different people and groups and their practices of knowledge production and usage are being focused, especially focusing on the concept of the scientific persona in regard to female scientists. Content: Marianne van Herwerden's travel letters from the US, 1920 / Anfänge empirischer Frauen- und Geschlechterforschung in der sozialen Arbeit zur Zeit der Weimarer Republik (The beginnings of empirical women and gender studies in social sciences during the Weimar Republic) / Frauenzimmerbotaniken und botanisches Wissen um 1800 (Female botanics and botanic knowledge around 1800) / Die Sammlung und Systematisierung des frühneuzeitlichen Klitoriswissens im Werk des Basler Anatomen Caspar Bauhin (The collection and systematisation of early modern knowledge of clitoris in the work of the Basel anatomist Caspar Bauhin) / British Scientific Women in Europe during World War One / An interview with Londa Schiebinger.

Carpe Diem! Seize the day! Monika von
Borthwick,2022-06-16 Carpe Diem If you want to
explore Newfoundland and the maritime provinces of
Canada, please bear in mind that you have to slip
into a warming anorak even in summer. Every rain
free day is a gift at the edge of the Labrador
Current. Rubber boots and good rain wear are also
essential. You can admire icebergs from Greenland
on the island in the north as late as June to
July, and the small harbours are often decorated
with ice floes until well into the summer. But
when the sun breaks through, this region of Canada
opens up in all its diversity and drama. In the
north, a former Viking settlement bears witness to
the earliest community, even before the Europeans
discovered America and later established
themselves there. Small, picturesque fishing
villages tell of a hard struggle for existence. In
the past as well as today. Lonely stretches of
land give flora and fauna the opportunity to face
the harsh weather. The capital, St. Johns,
impresses with colourful wooden houses and a
lively pub culture. The oddball humour of the
population is unique, and they all love their
musical heritage. Carpe diem! Seize the day!

Eigenmächtig, frauenbewegt, ausgebremst Grit Bühler,2022-08-17 Anhand von neu erschlossenen Quellen und Binnenperspektiven rekonstruiert Grit Bühler die ebenso energiegeladene wie konfliktreiche Gründerinnenzeit des Demokratischen Frauenbundes Deutschlands (DFD) in Berlin und der SBZ. Meist schon vor 1933 frauenpolitisch engagiert, erhoben die Protagonistinnen nach 1945 den Anspruch, als überparteiliche »neue demokratische Frauenbewegung« in allen Bereichen der Gesellschaft Fraueninteressen zu vertreten. Einige selbstbewusste, international erfahrene Vertreterinnen des DFD gerieten schon bald zwischen die Fronten von Parteiegoismen, SED-Dominanz, eigenen Ambivalenzen und Kaltem Krieg. Sie bereiteten den Weg für die Gleichberechtigung in der DDR, die keineswegs, entsprechend gängigem Narrativ, rein utilitaristisch begründet oder ein Selbstläufer war, und die bis heute nachwirkt.

Katharina von Kardorff-Oheimb (1879–1962) in der Weimarer Republik Cornelia Baddack,2016-09-12
Katharina von Kardorff-Oheimb, 1920–1924 Mitglied des Reichstags für die DVP, gehörte zu den prominenten Köpfen der Weimarer Republik. Ein weit

verzweigtes Beziehungsnetz verband sie mit dem Berliner Politikbetrieb, in ihrem Salon verkehrte u. a. Reichspräsident Ebert. Die vorliegende wissenschaftliche Biografie untersucht das Agieren der heute kaum bekannten Politikerin zwischen Partei und Parlament, Frauenbewegung und Publizistik. Der Band nimmt ihre Paarbeziehung zum Abgeordneten Siegfried von Kardorff ebenso in den Blick wie das Wechselspiel aus großbürgerlicher Lebensführung und politischem Engagement. Der multiperspektivische Ansatz liefert einen originellen Beitrag zur Kulturgeschichte des Politischen und eröffnet neue Einblicke in die Frauen- und Geschlechtergeschichte sowie die Kommunikationskultur der Weimarer Republik.

Allgemeine Grundsätze im internationalen Einheitstransportrecht Frank Baddack, 2008 Das internationale Einheitstransportrecht gehört zu den aktuell dynamischsten Bereichen der internationalen Rechtsvereinheitlichung. Die Arbeit untersucht die Frage, ob allgemeine Grundsätze existieren, die in allen transportrechtlichen Übereinkommen enthalten sind und ob man insoweit von einer Vereinheitlichung des internationalen Transportrechts sprechen kann. Dazu werden die existierenden Regelwerke miteinander verglichen. Es werden die allgemeinen Grundsätze des internationalen Einheitstransportrechts herausgearbeitet und diese für die allgemeine Diskussion um die Konkretisierung der lex mercatoria und die Schließung von Lücken in den transportrechtlichen Übereinkommen genutzt.

Moreover, the cost-effective nature of downloading Baddack has

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered

authors to share their work with the world. However, it is essential to be cautious while downloading Baddack. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Baddack, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are

downloading from. In conclusion, the ability to download Baddack has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online

platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
