## **What Bae Won't Do: The Finale** Genesis Woods,2022-02-22

The whole gang is back in this final installment of the What Bae Won't Do series for one last ride. Will everyone get their happily-ever-afters, or will their love lives stay in shambles? What happens when the relationship you thought was right ends up being so wrong? JaNair never imagined her world would come crashing down the way it did at the grand opening of her boyfriend's nightclub. The secrets that were revealed about Jerome in front of her family and friends embarrassed her so much that she hopped on the first flight out of Los Angeles. Her destination: Houston, Texas. The decision to head to the Lone Star state wasn't a hard one for JaNair, especially with the open invitation one up-and-coming music producer gave her before he left. When Semaj decided to move to Houston to further his career in the music industry, he also thought he'd be able to use the distance to get over JaNair. She chose who she wanted to be with, so it was time for him to move on, right? After producing a few tracks for some of H-Town's finest rappers, Semaj's popularity skyrockets, which means more money, more exposure, and more women. He appreciates all the love that his newfound celebrity brings, but

there's still something missing from his life. When Semaj receives a phone call from JaNair needing a place to crash for a while, he doesn't know if he'll be able to suppress the feelings he's been trying to move past.

**What Bae Won't Do Saga** Genesis Woods, 2017-04-25 What happens when the boy next door doesn't want to be your homeboy anymore? That's the question twenty-five-year-old JaNair Livingston has to ask herself when the sexy and charming Semaj Edwards wants to become more than just her neighbor. Any woman in her right mind would be attracted to the tall, dark, talented, and sexy Mr. Edwards. So what was JaNair's problem? Jerome Hayes, JaNair's newest love and current boyfriend, has been sweeping her off of her feet since the day they met. Already feeling that JaNair is the one for him, Jerome plans to do any and everything to keep her in his life, even if it means keeping secrets and lying to the woman he loves. When truths are exposed and lies are revealed, will the shoulder Semaj lends for tears turn into the shoulder JaNair bites into when he shows her pleasures she's never known? JaNair tries to maintain a relationship with Jerome while her feelings for Semaj seem to keep growing stronger. At the

same time, her trifling and crazy cousin Mya is up to her old tricks, trying to make Jerome her man. A Greater Music □□□, 2016 Near the beginning of *A Greater Music*, the narrator, a young Korean writer, falls into an icy river in the Berlin suburbs, where she's been house-sitting for her on-off boyfriend Joachim. This sets into motion a series of memories that move between the hazily defined present and the period three years ago when she first lived in Berlin. Throughout, the narrator's relationship with Joachim, a rough-and-ready metalworker, is contrasted with her friendship with M, an ultra-refined music-loving German teacher, whom, it is suggested, later became her lesbian lover.
