The Homecoming Kay Bagon,2017-11-14 An intriguing, semi-autobiographical insight into a 1960's middle class Jewish family. A story that highlights how events can build up in a child's mind. Evocative of the time it is set- values are explored which differ from those of the present day. The Homecoming follows the life Katy- an only child in a middle class Jewish family. It takes place during just one day in the life of a 16-year-old schoolgirl. After a disastrous day at school, Katy returns home with a letter from the headmaster, saying she has been expelled. Finding no one at home she recollects events that have played a key part in her life, especially the arguments between her parents who live in a permanent state of feud. Although she is an only child, her parents are so wrapped up in themselves that they do not have time for her. She is dreading their reaction when they find out that she has been expelled. Katy has a vivid imagination and is always daydreaming. She relives many of the events that have shaped her life so far, and wonders why her parents do not realise how absurd their own behaviour is. Even Katy herself cannot understand why she is so wayward and extrovert at school, but withdrawn and uncommunicative at home. As the evening progresses, Katy's anxieties increase until she takes an irrational step, which has potentially devastating consequences for everybody. The Homecoming is suitable for young adult readers and beyond, and will appeal to fans of Jewish fiction, history and family sagas.

Uncommon Providence Harold J. Dueck,2008-10 Rich in the social upheaval of the communist revolution in Eastern Europe, *Uncommon Providence* is a first hand, journaled account of a young minister and his wife who dare to continue serving their community. Removed from their home in Southern Ukraine, the young minister is exiled to work in forced labor. His wife follows to live nearer him. After a year in hard labor, a harrowing escape from Stalin's grip initiates an odyssey of survival under extreme circumstances. Taken from the handwritten and just recently translated journal of Jacob Dück, *Uncommon Providence* chronicles the incredible journey of a young couple's escape in 1931 from Soviet Russia. With little more than an unwavering faith in God's providence, Jacob, his wife Anna, and daughter make a dangerous border crossing into China. Walking hundreds of miles through the harshest and remotest of terrain, their trek across desert and mountain ranges, including the formidable Himalaya Mountains, finally ushers freedom for them in India. *Uncommon Providence* is a story of unquestioning love and devotion to faith and family. Despite all the odds...despite all the obstacles before them, social, political, and geographical, wondrously Jacob and Anna find a purposeful life of ministry in India. *Uncommon Providence* is a vivid narration from Jacob's handwritten journals, letters, and audiotapes of an epic journey. The bold escape is a powerful, true account matched with unusual courage and providential care. Born of missionary parents, Harold Dueck spent his childhood years in India. After graduating from Kodaikanal High School, he attended Tabor College in Kansas. Following graduation he and his new bride taught at an international school in Cali, Colombia. After completing graduate studies at Oregon State University, his young family settled in Los Gatos, California. Harold Dueck taught mathematics and computer science over a period of forty years. He and his wife presently reside in Auburn, California.

The Visayans Larry Carlson,2009-01-24 Editor's note ... There is certainly no dearth of literature on Philippine History. Quite a lot has been written on the different eras of Philippine History by some Filipinos and Americans writers like Otley Beyer, Zaide, Agoncillo, de Morga, Constantino, Casal, Jocano, Ito - just to cite a few names who have written colorful contribution to Philippine History dating from pre-historic times, the pre-Spanish Era, the Spanish-era, the Commonwealth era under the United States, and the different republican regimes since the Independence Day of July 4, 1946. Not many historical contributions, fiction or non-fiction, may have been written, however that delineates on the central Philippine Islands - Bohol, Cebu, Leyte, Masbate, Negros, Panay, Samar, and hundreds of small islands that comprise the Visayan Islands - in such intriguing detail as what Larry Carlson did in his latest book called *The Visayans*. The imagery that he depicts gives the reader the early culture during pre-history times which survives on the flora and fauna of both land and seas. Larry was born in Cebu. He is a free-lance writer who calls Cebu City his home after he grew up in the City and got married to a town mate Cebuana. He is the second son born to former American Missionaries Ray and Imogene Carlson who, when World War II broke out in 1942, were imprisoned at the Japanese Concentration Camp in Manila when Larry was just a baby. He is a US Navy Medical Corps Vietnam War Veteran who decided to retire in Cebu City to devote his life helping at the Cebu Christian Mission, the mission field started by his parents, and to his love of reading and writing fictional history.
