The Last of an Age Sooyong Kim, 2017-12-01 In *The Last of an Age*, Sooyong Kim explores the relationship between social change and the development of an Ottoman literary canon in the course of the sixteenth century by examining the work and reception of a popular poet, Zati (1471-1546). Kim argues that a newly emergent group of bureaucratic literati, through the production of authoritative biographical dictionaries, ultimately relegated Zati to a lesser literary age, driven by a self-fashioning that privileged broad linguistic ability, above all else, with poetry serving as the main vehicle for demonstrating that. This study is interdisciplinary in approach, taking insights from literary studies, cultural history, and social theory. It adds to the scholarship on the rise of early modern Ottoman canons in the fields of visual arts and music and complements recent work on court patronage. Framed by ongoing critiques of canon formation among specialists of early modern Europe and late imperial China, the study offers a comparative perspective on those issues.

The Second Ottoman Empire Baki Tezcan, 2010-09-13 This book is a post-revisionist history of the late Ottoman Empire that makes a major contribution to Ottoman scholarship.

Healing Lives Devika Kshitij Rai, The first thing you need to understand is that it is possible to beat depression. Your decisions matter and can have an effect on how your sickness develops. When expressing common sentiments of melancholy or the blues, people frequently use expressions like I am feeling depressed or I think I am going through depression, etc. One must be careful when using such words because there is a distinction between sadness and depression. It is critical that we comprehend the true nature of depression in light of this. Depression is a mental illness that interferes with a person's ability to go about their daily lives by making them sad all the time, weary all the time, and lacking in energy for enjoyable activities. "Healing Lives" is a book of 31 writers who have penned down their thoughts and experiences on depression and how to overcome it.

Instead, their trip leads to an erotic interlude between Joy and a handsome stranger—and Richard, filled with disappointment at his disintegrating marriage, embarks on an affair with vivacious Belinda, their tryst unfolding in a series of cheap hotel rooms. After learning of Richard's affair, Joy divorces him and moves to Virginia. Despite her lingering bitterness over his infidelity, Joy is inspired by the centuries-old love story between Sultan Suleyman and his Russian concubine, Roxelana, and in traveling to Istanbul with Richard finds herself attracted to him anew. However, Richard has a confession: Belinda, although out of his life for several years, has had his daughter—a now-three-year-old named Karma—and, critically ill, has asked that Richard and Joy take Karma. Joy agrees to travel to Tunisia with Richard—and when they arrive, Belinda divulges the shocking truth about her daughter to Joy.

Dancing into the Light Kathryn Abdul-Baki, 2023-09-05 Set against the backdrop of the early American presence in Iran under the Shah, and the burgeoning years of Kuwait's early oil boom, *Dancing into the Light* is Kathryn Abdul-Baki's memoir of growing up within both the expatriate Western communities and the larger Middle Eastern society of Kuwait and Jerusalem. Hers is a story of belonging to two vastly different cultures and finding her place within both, and the search to find the inherent harmony in worlds at odds with each other. She is already caught in both the joys of and the struggle to be both Arab and American, yet not fully either, when her young life of promise is disrupted by tragedy. But instead of derailing her life, her mother's death opens the door to deeper love and support from other places within Kathryn's family. *Dancing into the Light* is a story of love, loss, and renewal, and of overcoming devastating early trauma through music, dancing, and the love and devotion of strong American and Arab women.
