**Kelley Armstrong**

*Wolf's Bane* Tara K. Harper,2010-01-27 TO TOUCH THE STARS She was Dion the Wolfwalker, and through her telepathic bond with the Gray Ones, she could hear the packsong and run with the wolves. And now, as fate ripped from her almost everything she held dear, her wolfbond became her only reason to live, for she could not deny the Call of the wolves to help them. Driven by the need of the Gray Ones, she would seek out and confront the mysterious beings of the sky--the ones who had once brought death to the world. In eight hundred years, no human had survived that contact. But Dion could not avoid it. Only by facing the aliens could she save herself . . . and the future of the wolves!

**Wolf's Bane** Kelley Armstrong,2019-10-15 Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones – you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner – Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.

Enter an enticing werewolf who offers enough cash to upgrade our diets from ramen noodles to salami if I join him on a magical hunt. **Wolf's Bane** Joe Dever,1995-10-01 Encountering an ultimate enemy in your own evil twin, you learn of the Dark God Naar's plot to defeat you with a being in your own likeness who has effectively turned all of your misunderstanding allies against you. Original.

*Banewolf* Eden Ashley,2013-11-19 New enemies are made. New allies must be forged. Kali is beginning to regain her memories. In doing so, she discovers old secrets and betrayals that threaten to unravel her present and shake the foundation for Rhane's belief in her innocence. While her maturing abilities present unique challenges, a bigger problem arises when Kali learns her ex-boyfriend has made a misguided deal with the enemy in order to win her back—a decision that may ultimately cost him his humanity. Keeping Kali safe has become a full time job for Rhane. And struggling to gain control of the immortal Banewolf isn't making that task any easier. The power to eliminate the growing threat against Kali lies at Rhane's fingertips, but using it means risking his friends to the insatiable blood lust of a monster. So Rhane is forced to forge a shaky alliance with creatures he has sworn to destroy. Despite these new allies, the danger pressing on their borders intensifies, culminating in a heartbreaking and shocking finale. The strength of the bond between young and ancient lovers will be tested...and if Kali and Rhane are to survive, they must find a way to be unbreakable.

**Wolf's Bane** Dyane Forde, 2015-06-21 The Purple Morrow is destroyed. However, its promise endures in the form of a champion, mankind's only hope against the destruction spawned by an ancient, sinister evil. The Rovers have invaded the Southernlands, forcing the inhabitants deeper south for respite. Ex-Rover commander Kelen arrives in Swill, a defunct desert town, with revenge in mind. There he encounters the Shadow Man who reveals the truth of his past, including the disturbing origin of a mysterious mark on his forearm. Kelen tries to fight destiny, but soon learns the Shadow will not relent until a terrible prophecy is fulfilled. As Marathana quails under the threat of burgeoning darkness, Jeru's clan looks to him to lead. Jeru, however, knows his path lies elsewhere. Leaving everything behind, he braves the Badlands, a hellish desert only the hardiest dare go, to find the Storyteller who can awaken the latent spirit of the Papilion within him. Jeru learns much in that place of desolation, including one truth which could turn destiny on its head. Now more than ever, Kelen, the Wolf of the North, threatens everything he holds dear. Jeru must choose: save those he loves, or sacrifice them to save Marathana.

**Wolf's Bane** Auryn Hadley, 2020-08-04 The things that go bump in the night are supposed to be headboards, not monsters. Leaving my husband was hard. Trying to face the world alone with my teenage daughter is the sort of thing nightmares are made of, but I caught a break. My best friend just hired me for a great job. It's not anything special, simply managing the leasing office of this very fancy and highly exclusive neighborhood, yet the perks mean I get my second chance. Speaking of perks, my rent-free house is right beside not just one handsome man, but five! Each one is hotter than the last, and all of them seem interested in me. Maybe I can't remember the last date I was on, but if I want to master being a strong woman, then this is a good place to start. It's just dating, right? Normal life stuff. Not so much. Everyone around us has these strange golden eyes. Then there are the questions no one will answer. And who cares if there's a lot of wildlife running around at night? I do, especially when a wolf keeps sneaking into my backyard. I have a kid to worry about. Things have got to change before someone gets bitten! Normal is going out the window, and fast. My neighbors say I don't belong here, and they don't mean because I'm Hispanic. Never mind that I just heard a man growl. Now they're talking about fated somethings, and I'm pretty sure they mean me. I feel like I'm going crazy! Because when I said I wanted to learn how to be strong, this wasn't what I meant at all. Still, when it comes to taking care of my little girl, I will definitely learn how to be the biggest bitch on the block. I just hope that doesn't become literal. *Wolf's Bane* is a 135,000 word, full-length novel with multiple love interests. Note: *Wolves Next Door* series contains profanity, consensual sex, and one adult woman who falls for multiple younger men. This is the first book in a trilogy.

Suddenly, she can outrun every critter in the forest, making her wonder if she's even human. When the new guy at school, Zack de Luca, witnesses a questionable scene, he unfairly pins her as stuck-up. He acts like he hates her, yet he keeps bailing her out of trouble. Not only is Zack both insufferable and irresistible, he seems to sniff her anytime he gets close. As passion flares between them, Autumn isn't sure which is more dangerous: her psycho ex-boyfriend, or falling for Zack -- who's risking his life just by being near her. --P. [4] of cover.
