**Goddess of Bast, Book I** D L Arthur,2021-07-18 Egypt. 1540 B.C. The 18th Dynasty. Third year of the reign of Pharaoh Thuthmosis I. Lord User, loyal citizen of the Two Lands, governs Bubastis in the Egyptian Delta, ancient birthplace of Bast, benevolent cat-headed Goddess of the province. User is nervously expecting his first child, while Pharaoh Thuthmosis in far away Thebes shares the same anxiety as his Governor. To universal rejoicing in Thebes, the Great Wife Aahmes delivers a daughter, the Princess Hatshepsut; while in Bubastis, the long and agonizing birth of User's daughter Temert precipitates his beloved wife's death. Hatshepsut soon becomes her father's favorite; Thutmose denies her nothing, In Bubastis, all the love User felt for his beautiful Hrera is transferred to Temert. User's uncritical devotion to Temert creates a willful, single-minded child. She revels in her influence over her father, and the power she wields over others. The household servants are easy early victims of petty cruelties; they fear her temper and her uncanny ability to know their thoughts. Her proud Nubian bodyguard, Pinehas, is a constant target because he refuses to fear her. She becomes an acolyte in the Temple of Bast, destined to one day become High Priestess. But it is not enough. She seeks other, more immediate fulfillment in secret liaisons, while her innocent father believes her to be chaste and devout. When Temert is 18, Princess Hatshepsut is crowned Queen and Co-Regent by her father. They journey throughout the length of Egypt, visiting every province and introducing the new queen to the population. In Bubastis Temert breathlessly awaits their coming. Hatshepsut fascinates her, and the new queen is equally intrigued by the provincial beauty. Ambition ignites in Temert; to become a part of the fabled Court of Thebes. Somehow. Temert returns to daily service in the Temple and her nightly anonymous adventures. Hatshepsut becomes Pharaoh. Temert is elevated to High Priestess. Again, it is not enough. She remains ambitious, thwarted, hungry. One evening as she is leaving the Temple she meets Menes, younger brother of Maatnofret, kneeling at an altar. Temert pursues the young man. Their affair changes everything for both of them. .

*Bast* Lucas de Waard,2022-05-31 Mads en de jonge Gwen wonen in een diep, ondoordringbaar bos. Mads vertelt Gwen over de wereld en hoe die op gruwelijke wijze ten onder is gegaan. Zij zijn de enige overlevenden. Beschut door de wildernis leven ze samen van dag tot dag, tot het sobere bestaan Gwen begint te benauwen. In haar rebellie begaat ze per ongeluk een vreselijke daad die alles verandert. En dat is nog voordat er een pratende kat komt aangelopen en de vlammen die hun oude leven hebben verzwolgen tot in het bos blijken te reiken. Een sprookjesachtige roman over een onaliedags gezinsleven, een onaliedags apocalyps en over hoever we bereid zijn te gaan voor een gevoel van veiligheid.

*The Green Eyes of Bast* Sax Rohmer,1920 1920. Rohmer (Arthur Henry Sarsfield Ward) was a prolific English mystery writer, best known for the master criminal Dr. Fu Manchu and his opponents Denis Nayland Smith, Dr. Petrie, named after the Egyptologist Flinders Petrie, and the beautiful Karamaneh, the source of Petrie's daydreams. He also wrote under the name Michael Furey. The book begins: Good evening, sir. A bit gusty? Very much so, sergeant, I replied. I think I will step into your hut for a moment and light my pipe if I may. Certainly sir. Matches are too scarce nowadays to take risks with 'em. But it looks as if the storm had blown over. I'm not sorry, said I, entering the little hut like a sentry-box which stands at the entrance to this old village high street for accommodation of the officer on point duty at that spot. I have a longish walk before me. See other titles by this author available from Kessinger Publishing.

[Bast, Guardian of Humanity](#) Kimber Vankirk,2022-01-14 Bast spent the last thousand years in the darkness. Now that she is out, she wants to find her priests and start over with her life. She wants to avenge herself and her priests. Bast reaches out to her family to see if they will help her and her priests. Set made up lies about her and had her banished into the darkness—not a good place for a sun goddess. But that was where she spent a thousand years planning her revenge. She knows, with the help of her family and her priests, she can and will win the war to save humanity from Set's evil intentions if her family comes through and she gets through all that will be thrown her way. She knows where one of her priests is and when she can convince him to help her with her quest to avenge themselves. When they find each other and fight for the sake of humanity, will they come out on top? The help for humanity will come, but how swiftly? You never know. No matter what, finding her priests will cure the heartache she has had for a millennium. They are all important to her, more of a family than her own family. The ability to protect them is all she wants to do. Keep them safe from Set and his evilness. She just wants to bring peace to the world. A peace that the world has never known. One where everyone has a voice and everyone can be happy. A place where you can have a family and a dream. Will the dream come true? Only if you can believe in yourself and fight for your voice to be heard. Bring your family back to being in a place where you can keep them and the rest of humanity safe from the heartache and sadness of loss.
