Mr Joshua Harkin, Hayley Harkin

Bastion A. L. Collins, 2011-11 The same dream again. Things were twisted now, thunder clapping as the same man from before stood at the top of the same cliff. Rigil watched from some unknown position at this mystery being who was fighting for his life against some kind of invisible force. He raised his arm and shouted some kind of word that couldn't be understood as shadows began creeping in all around him. But this time his face could be seen. As an arrow struck him and he fell to his death, his face looked exactly like-Rigil's.

Bastion Mercedes Lackey, 2014-10-07 Mags travels to the Bastion, the fortress where his parents were murdered, in search of his parents' identity and a possible explanation for being pursued by Valdemar's enemies.

The Last Bastion Peter C. Wensberg, 2016-03-15 The Charles Club is not the best men's club in Boston—most people assume the Somerset is—but it is one of the oldest, rowdiest, and most alcoholic. It is also facing the greatest crisis of its one-hundred-and-twenty-five-year history. Demetria Constantine, the beautiful young Boston politico and Chairperson of the Massachusetts Licensing Board, has the Charles Club squarely in her sights. If they do not admit women as members they will lose that which is almost as dear to them as their principles—their liquor license.

Oathbound Bastion Press, Incorporated, 2003-08 The vast red desert of Arena sprawls south and westward from the nurturing plains of Penance. Spurred onward by the ancient promise of gold

buried beneath the sands, massive armies of brutal warriors rumble across the scarred and wasted terrain. For the fortunate few, the ultimate dream of Arena still comes true - immeasurable riches, supreme command, and decades of extravagant and luxurious living atop the Queen's pedestal of pleasure. For most however, whatever dreams they may harbor are soundly crushed under years of backbreaking labor, constant battle, exhausting marches, gruesome butchery, and an infinity of accursed crimson sand. For the prospective Warlord, a sea of troubled choices and impossible trials awaits. Can you lead your army to victory against the savage legions of Minos Spar, the terrible war golems of Asheanna, or the unnatural technology of Ossian? Will your hidden mine escape the attention of the flying navies of the Grand Asherake? Strategy, fortune, alliances, and leadership are your only weapons in this endless and unforgiving struggle for wealth, power, and glory. Oathbound: Arena provides a new entry point into the world of the Forge. This is the Domain of Barbello, the Mask of Fury, the invincible mistress of rage, pain, warfare, and death. Who amongst you can withstand her test?

Bastion Craig Gallant, 2014-08-08 Tucked deep within the rocky mountains of the old west lies a hidden stronghold. Protected by ice and rock among the lands of the warrior nation is a fortress known as the Acropolis. The men and women that call it home belong to an elite group known as the Holy Order of Man. They are a society as old as civilization itself, devoted to safeguarding mankind from the evils of the dark council and the

horrors they bring. With the country destroying itself from within, a young man named Giovanni Varro has been called upon to join this epic fight. His journey to become a member of the Holy Ordr will be long and difficult with no guarantee of success.

Bastion of Darkness R.A. Salvatore, 2010-10-27

Twice the combined might of Ynis Aielle's greatest heroes and wizards has hurled back the demon armies of Morgan Thalasi. Always the Black Warlock has rebounded, stronger and more evil. But never has he wielded such power as now. With the Staff of Death, Thalasi can raise a new army from out of the very ground -- soldiers who cannot be killed because they are already dead. As the Black Warlock and his fearsome general -- the foul wraith that was once Hollis Mitchell -- prepares a devastating attack, the humans and elves of Ynis Aielle are staggered by a fresh calamity. The beautiful Rhiannon, daughter of the Emerald Witch, has been captured by Mitchell and given over to his dark master. Now the last hope of defeating Thalasi -- and Rhiannon's last hope as well -- lies at the heart of a mountain, guarded by a dragon as old as the world itself. . .

Gallow: The Last Bastion Nathan Hawke, 2013-09-12

The last battle for the fate of your country is coming. My kin are out for blood and revenge. Another empire sees a chance to come in and pick up the pieces of our war. Most of your warriors are stuck hiding in the swamps, always aware that they do not have enough numbers to win a straight fight. And from over the seas, my people bring

their most deadly weapons, the Fateguard. Living suits of armour, imbued with mystical and deadly power. The end times have come for your land. I have fought alongside you, I have bled for you, I have made myself a traitor to all I believe in for you. And yet you still do not trust me. But you have no option. This will be our last battle, and there is only one place that it can be fought. We must defend our stronghold, no matter how many lives it may cost, no matter how hard it is. For if we do not, there will be no mercy and no relief from the terrors to come. Good thing I'm on your side.

The Bastion Mr Joshua Harkin,Hayley Harkin,2013-07-15 The Bastion: A science-fiction / military action thriller On a distant planet, men of power will risk it all. Bastion Bobby Neal Chapman, 2010-11 BASTION (a fortified position) is an absolute work of fiction. It is written with the hope that it will entertain its readers with the many stories and characters within. The book begins with Jackson parachuting into Normandy on D Day. He promises a young paratrooper he would go to East Texas and tell his parents how he died. He did not realize the young paratrooper was the sole heir of a multibillion dollar estate. The first stories are about Jackson's stay in Army hospitals and being discharged. The book tells the stories of his two year journey to East Texas to keep his promise to the dead soldier. Jackson learns the soldier's family is the Bastions who own nearly all of Red River County plus some of Bowie County. He marries El, their beautiful auburn haired daughter, and she makes him joint heir of the entire Bastion estate. The book tells how Jackson uses an unlimited amount of money to do good for all. He and El were, and remained, deeply in love. El was always his greatest supporter in what seemed his scatter-brained adventures. Jackson had married a one hundred thousand acre cattle ranch and couldn't ride a horse. He bought a caterpillar to ride the range while he learned to ride a real horse. It didn't take long for him to ride with the best. BOBBY NEAL CHAPMAN was born to tenant cotton farmers Basil Calvin Chapman and Etalka Lee Chapman on December 14, 1926. They and his sister Doris lived six miles east of Bonham, Texas in a two room house. When he was five years old the

family moved to Hilger School District to live with his Grandmother who was very sick. Hilger had only a two room school house and less than thirty students. Basil was a good man. He only had a third grade education, but he was a good family man. He worked hard and was at home when the sun went down every day. Bobby lacked only one week of being fifteen years old when the Japanese bombed Pearl Harbor. He graduated from High School at the age of sixteen and went to work for the railroad in Bonham, Texas until old enough to go to the army. After spending nearly two years in the Army Paratroops, he returned to work with the Railroad after being discharged. Counting military service he spent forty four years working for the Railroad.

The Last Bastion of the Living Rhiannon Frater, 2012 The Bastion was humanity's last hope against the fearsome undead creatures known as the Inferi Scourge. A fortified city with a high wall, surrounded by lush land rich with all the resources needed to survive, protected by high mountain summits, and a massive gate to secure the only pass into the valley, the Bastion became the last stronghold of the living on earth. But one fateful day, the gate failed and the Inferi Scourge destroyed the human settlements outside the walls and trapped the survivors inside the city. Now decades later, the last remaining humans are struggling to survive in a dying city as resources and hope dwindle. Vanguard Maria Martinez has lived her whole life within the towering walls

of steel. She yearns for a life away from the overcrowded streets, rolling blackouts, and food shortages, but there is no hope for anyone as long as the Inferi Scourge howl outside the high walls. Her only refuge from the daily grind is in the arms of her lover, Dwayne Reichardt, an officer in the Bastion Constabulary. Both are highly-decorated veterans of the last disastrous push against the Inferi Scourge. Their secret affair is her only happiness. Then one day Maria is summoned to meet with a mysterious representative from the Science Warfare Division and is offered the opportunity to finally destroy the Inferi Scourge in the valley and close the gate. The rewards of success are great, but she will have to sacrifice everything, possibly even her life, to accomplish the ultimate goal of securing the future of humanity and saving it from extinction.
