White House Story Melinda Naumann Bates,2019-03-24 White House Story, a Memoir, is the inside story of one woman's amazing journey from church volunteer to Special Assistant to the President and Director, White House Visitors Office. Melinda Bates is, in fact, the first person in history to hold that position for all eight years of any administration, a job she proudly did for President Bill Clinton and First Lady Hillary Clinton. From her gorgeous East Wing office the author arranged some of the White House' most complex events, like the annual Easter Egg Roll for 30,000 people on Easter Monday, national and international festivities and elegant parties or Arrival Ceremonies and State Dinners for heads of state from around the world. An ordinary day might include breakfast with Tom Hanks, lunch with Michael Douglas, Robin Williams or Dr. Ruth, tea with the Queen of Sweden and dinner seated next to the President of the United States. One moment she is greeting the elegant former Queen of Greece and the next, the Grateful Dead - and that was a normal day in the Clinton White House. This memoir is a funny, surprising and candid look backstage in America's House, where fabulous things happen every day and the teeniest mistake may show up on the front page of the NYTimes or Washington Post - so imagine how good at it you'd have to be to keep a job like that for all eight years! The White House is the world's most famous House, but it's still a mystery to most people. Melinda Bates' intimate and amazing memoir invites people in for what her old friend and former boss Bill Clinton, called, a hell of a ride!

Beach House Deanna Caswell,2015-05-12 A long, long drive. It's been a year of dreaming, waiting. Now, summer's here. In a funny and heartfelt celebration of family, vacations, and the joy of the sea, Deanna Caswell and Amy June Bates capture the essence of summer—building sand castles, jumping the waves, and watching the stars come out after a long day at the beach—and the love that warms every moment. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Psycho House Robert Bloch,2003 Out of print for more than ten years, Bloch's conclusion to his terrifying Psycho Trilogy takes readers back to the Bates Motel, which has been turned into a tourist attraction--and the site of a whole new series of murders.

Time for Bed, Old House Janet Costa Bates,2021-09-28 At Isaac's first sleepover, he gets to help Grandpop with a very special routine—putting the house to bed—in a story that's just right for children visiting a new place, or for adopting a new ritual at home. Isaac is excited about having a sleepover at Grandpop's house, but he's a little nervous about being away from home for the first time. Luckily, his knowing Grandpop tells him it's not quite time to go to bed

yet—first, he needs Isaac’s help in putting the house to bed. Quietly and slowly, they move from room to room, turning out lights and pulling down shades, as Grandpop gently explains the nighttime sounds that Isaac finds unfamiliar. Now it’s time to read the house a bedtime story (Isaac is good at reading the pictures). By the time the house is settled in for the night, Isaac and Grandpop are ready for bed, too. Janet Costa Bates’s tender story and A. G. Ford’s cozy illustrations will have families—and extended families or friends—eager to take a wise Grandpop’s cue and embrace a new nighttime tradition.
