*A Bathroom Book for People Not Pooping or Peeing but Using the Bathroom as an Escape* Joe Pera, 2021-11-16 A USA TODAY BESTSELLER! The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape*, a funny, warm, and sincere guide to regaining calm and confidence when you're hiding in the bathroom. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small bladders but more often it's just to get a moment of quiet, a break from work, or because it's the only way they know how to politely end conversations. So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it's a comedic book, the goal is to help these readers: 1. Relax 2. Recharge 3. Rejoin the world outside of the bathroom It's also fun entertainment for people simply hiding in the bathroom to avoid doing work. *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape* will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers "A beautiful and funny book about something I have done all my life. Thank you, Mr. Joseph Pera." —Aidy Bryant At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Meet Me in the Bathroom* Lizzy Goodman, 2017-05-23

Named a Best Book of 2017 by NPR and GQ Joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars,

and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that gave birth to a new era in modern rock-and-roll.

Great American Bathroom ,1994-11 Two-page summaries of all-time great books.

*The Book of General Ignorance* John Mitchinson, John Lloyd, 2007-08-07 NEW YORK TIMES BESTSELLER • Misconceptions, misunderstandings, and flawed facts finally get the heave-ho in this humorous, downright humiliating book of reeducation based on the phenomenal British bestseller. Challenging what most of us assume to be verifiable truths in areas like history, literature, science, nature, and more, *The Book of General Ignorance* is a witty “gotcha” compendium of how little we actually know about anything. It’ll have you scratching your head wondering why we even bother to go to school. Think Magellan was the first man to circumnavigate the globe, baseball was invented in America, Henry VIII had six wives, Mount Everest is the tallest mountain? Wrong, wrong, wrong, and wrong again. You’ll be surprised at how much you don’t know! Check out *The Book of General Ignorance* for more fun entries and complete answers to the following: How long can a chicken live without its head? About two years. What do chameleons do? They don’t change color to match the background. Never have; never will. Complete myth. Utter fabrication. Total Lie. They change color as a result of different emotional states. How many legs does a centipede have? Not a hundred. How many toes has a two-toed sloth? It’s either six or eight. Who was the first American president? Peyton Randolph. What were George Washington’s false teeth made from? Mostly hippopotamus. What was James Bond’s favorite drink? Not the vodka martini.

Bathroom Graffiti Mark Ferem, 2006 The perfect bathroom book full of personal expressions inspired by privacy.

The Luxury Bathroom Samantha Nestor, 2008 Forget the kitchen or the master bedroom. The latest design obsession is the bathroom. With the prevalence of home spas, the booming luxury market, and American's increasing desire to renovate (and spend), the bathroom is the latest canvas for innovation, style, and indulgence. Featuring some of the most stunning bathrooms in private homes today, *The Luxury Bathroom* showcases diverse spaces from tiny apartment bathrooms to grand spas tucked into estates. No longer intended solely for utilitarian purposes, today's bathrooms are designed for everything from solitude to accommodating the family to entertaining. Graced with stunning photographs of bathrooms from around the country, *The Luxury Bathroom* is both visual treasure and practical guide, showing readers how these unique environments morphed from imagined to real, and motivating them to incorporate ideas into their own spaces - or just dream about doing so.

**The Bathroom Chronicles** Friederike Schilbach, 2018-10-16 One hundred creative, intelligent, and interesting women--some well-known, some not--reveal their inner selves through candid, tender, and often humorous snapshots--both visual and textual--of a single object or corner of their bathroom. For many women, the bathroom is the most intimate of spaces. It is the place where we encounter ourselves in the mirror each morning

and every night-brushing our teeth, applying make-up, fixing our hair, getting ready to face the day, or recede from it. **THE BATHROOM CHRONICLES** is a beautiful, chic, touching, and deeply feminine collection of photos and accompanying short stories (sometimes no more than a sentence or two) by women about their private spaces and most cherished possessions. Lena Dunham reveals the corner by the sink where she keeps her favorite pieces of jewelry, as well as her birth control. Erica Jong snaps her poodles and insists that they love her powder room and to fluff up their hair in front of the mirrors. Roz Chast reflects on a shelf in the corner that she purchased from a second-hand store. It's decorated with birds, because she loves birds, and a tiny emu that was given to her by a friend when she was in Australia. Like the bathrooms themselves each of these stories and images is unique--open, private, minimalistic, messy, and beautiful.
