

Beach Cleaner

Peter Genovese

Beach Cleaning Equipment J. Nightingale,Warren Spring Laboratory (Stevenage, England),Great Britain. Department of Trade and Industry,1974

Describes the evaluation of a Beemer Beach Cleaner, which was developed for clearing normal beach litter from sandy beaches. Tests were carried out in order to determine its suitability for collecting tarry oil lumps washed ashore onto sandy beaches.

Beach Cleaning Equipment J. Nightingale,Warren Spring Laboratory (Stevenage, England),Great Britain. Department of Industry,1973 Describes the evaluation of a M.F. Brighton (Australia) Beach Cleaner. Tests were carried out in order to determine its suitability for collecting tarry oil lumps washed ashore onto sandy beaches.

The Big Beach Cleanup Charlotte Offsay,2021-03-23 When it comes to the environment, a community must work together. Cora is excited to enter the local sandcastle-building contest—until the contest is canceled due to litter at the beach. Determined to help save their favorite place, Cora and Mama get to work picking up the single-use plastics that have washed onto the shore. It will take more than four hands to clean up the beach, but Cora is just getting started.

David, Goliath, and the Beach-cleaning Machine Barbara Wolcott,2003 Tells the story of a small town's fight against a giant oil company to clean up a massive oil spill.

An Assessment of the RP 300 Beach Cleaner P. R. Morris,Warren Spring Laboratory,1983

Clean Up Shelly Beach Kelly Gaffney,2015 Nick and his family decide to clean up all the garbage at Shelly Beach on Sunday. Nick makes a poster to ask children at school to help, but nobody stops to look at the poster. When Nick's family arrives at Shelly Beach on Sunday, all Nick's friends are there cleaning up the beach. Connect to the nonfiction text pair, Recycling.

Clean Beaches Margie Burton,Cathy French,Tammy Jones,2011 This book is about the need to keep our beaches clean and how trash hurts the animals that live at the beach.

Management of Marine Plastic Debris Michael Niaounakis,2017-07-04 Management of Marine Plastic Debris gives a thorough and detailed presentation of the global problem of marine plastics debris, covering every aspect of its management from tracking, collecting, treating and commercial exploitation for handling this anthropogenic waste. The book is a unique, essential source of information on current and future technologies aimed at reducing the impact of plastics waste in the oceans. This is a practical book designed to enable engineers to tackle this problem—both in stopping plastics from getting into the ocean in the first place, as well as providing viable options for the reuse and recycling of plastics debris once it has been recovered. The book is essential reading not only for materials scientists and engineers, but also other scientists involved in this area seeking to know more about the impact of marine plastics debris on the environment, the mechanisms by which plastics degrade in water and potential solutions. While much research has been undertaken into the different approaches to the increasing problem of plastics marine debris, this is the first book to present, evaluate and compare all of the available techniques and practices, and then make suggestions for future developments. The book also includes a detailed discussion of the regulatory environment, including international conventions and standards and national policies. Reviews all available processes and techniques for recovering, cleaning and recycling marine plastic debris Presents and evaluates viable options for engineers to tackle this growing problem, including the use of alternative polymers Investigates a wide range of possible applications of marine plastics debris and opportunities

for businesses to make a positive environmental impact Includes a detailed discussion of the regulatory environment, including international conventions and standards and national policies

The Jersey Shore Uncovered Peter Genovese,2003 This is not your typical Jersey Shore book. Yes, you'll find the obvious-beaches and boardwalks, lifeguards and lighthouses, fishing and food. But Peter Genovese will also take you off the beaten track for an insider's look at this famous (and infamous) 127-mile stretch from Sandy Hook to Cape May. Birders, tiki hut builders, beach cleaners, wheel-of-chance operators, she-crab soup makers-they're all here. You'll check out an Airstream-only trailer park and visit a Point Pleasant Beach house where the music of Frank Sinatra plays nearly 24/7. Genovese will introduce you to the owner of the Stone Pony and to participants at the grueling Atlantic City Around-the-Island Swim as they describe their battles with tides, exhaustion, and face-stinging jellyfish. All of that, plus you'll find out why Ocean Grove residents write their names on their flowerpots. Beach reading just doesn't get any better than this. Spend a summer with Peter Genovese as he chronicles a typical wild and wacky, kitschy and classy season along the New Jersey coastline. Lifeguards, surfers, beachgoers, birders, ice cream vendors, seashell sellers, banner pilots-they're all here. You'll be on the scene when Atlantic City's mayor officially begins summer by unlocking the ocean, get a whiff of the state barbeque championship, watch the nation's longest-running all-women lifeguard competition, and even spend a weekend, Survivor-style, on a Barnegat Bay island. The Ocean City Baby Parade, Clownfest, the state's hottest bikini contest, and the World Series of Surf Fishing are all covered. You'll also meet the folks at the Diamondback Terrapin Conservation Project, the Cape May Migratory Bird Refuge, and the Marine Mammal Stranding Center. Genovese introduces you to Little Miss Chaos and the King of Corn, the Jersey Shore Hot Dog Queen, and Lucky Leo. You'll go on patrol with the New Jersey State Marine Police, meet the man behind Big Mike's E-Z Bail Bonds, and find salvation at the Boardwalk Chapel. *The Jersey Shore Uncovered* flawlessly depicts the timeless allure of New Jersey beach culture. Along with his stories, Genovese brings readers hundreds of color and black-and-white photos that brilliantly capture exactly what makes this 127-mile stretch of shoreline unique. Whether you've never been to a New Jersey beach or you're a Jersey native who spends your summers down the Shore, you're certain to learn a thing or two from this book. So get settled in your beach chair, put on some suntan lotion, and enjoy.

My Beach Clean Journey Turtles Beach Books,2019-11-17 This Paperback Scrapbook is ideal for logging and tracking your Beach cleaning life. The pages are half blank, ideal for sticking your before and after photos to, and half college lined, perfect for journaling your clean up story. This Scrapbook is 8.5 by 11 inches so handy enough to take with you anywhere to showcase your efforts and to inspire others whilst keeping your story safe in one place. The glossy cover has an eye-catching design. There are more Designs Available.
