Tale as Old as Time: The Art and Making of Disney Beauty and the Beast (Updated Edition) Charles Solomon, 2017-01-31 The Beauty and the Beast legend has a universal appeal; the tale exists in numerous versions throughout the world. After all of its ups and downs, Disney's Beauty and the Beast was released in 1991 to rave reviews and record-breaking business. The film was widely hailed as a technical and aesthetic breakthrough. It was the first of only three animated features ever to be nominated for an Oscar for Best Picture. Its success has since spun into a smash Broadway musical adaptation, intricately detailed environments at Walt Disney World, and soon a live-action movie musical directed by Bill Condon. This authoritative book features interviews with artists, producers, directors, writers, actors, and more from the various beloved installments-making it a treasure trove of delights for fans of the tale as old as time.

Beauty and the Beast Cynthia Rylant, 2017-01-31 Beauty asks for little, finding joy in simple things and the company of her father. The Beast, shut away from the world in his great stone castle, knows only loneliness. Brought together by a stolen rose, each finds that love may call for sacrifice, but true love can bloom in even the darkest places. Newbery medalist Cynthia Rylant tells a classic tale of bravery and transformation with stunning, lyrical prose, accompanied by Meg Park's soft yet vibrant illustration

Beauty and the Beast: Lost in a Book Jennifer Donnelly, Disney Book Group, 2017-01-31 Smart, bookish Belle, a captive in the Beast's castle, has become accustomed to her new home and has befriended its inhabitants. When she comes upon Nevermore, an enchanted book unlike anything else she has seen in the castle, Belle finds herself pulled into its pages and transported to a world of glamour and intrigue. The adventures Belle has always imagined, the dreams she was forced to give up when she became a prisoner, seem within reach again. The charming and mysterious characters Belle meets within the pages of Nevermore offer her glamorous conversation, a life of dazzling Parisian luxury, and even a reunion she never thought possible. Here Belle can have everything she ever wished for. But what about her friends in the Beast's castle? Can Belle trust her new companions inside the pages of Nevermore? Is Nevermore's world even real? Belle must uncover the truth about the book, before she loses herself in it forever.

Beauty and the Beast Gabrielle-Suzanne Barbot de Villeneuve, 2017-03 This is the first published version of Beauty and the Beast, written by the French author Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planch. It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions of the now classic fairy tale.

Beauty and the Beast Nicole Dreadful, 2021-10-12 While visiting her family, Beauty narrowly avoids a drunken kiss during her sister's wedding festivities. Back in the Beast's manor, though, she catches a glimpse of her brother and his lover through a magic mirror, and begins to wonder what it would be like to be kissed and caressed... In this adult retelling of the classic fairy tale, Beauty discovers her own sexuality and learns to share it with the Beast. While the Beast lingers on the border between animal and man, he relies on Beauty's love to help him come to terms with himself. If you're over 18 and looking for a character driven, sexy fairy tale with paranormal overtones, this novella is for you. Don't miss Nicole Dreadful's other Adult Fairy Tales: 1.
